BASEBALL

RECORD OF CENTRE GREY LEAGUE

Official standing of the teams, June 21

	Won	Lost	P.C.
Vandeleur	3	0	.1000
Dundalk	2	0	.1000
Ceylon	2	1	.667
Flesherton	3	2	.600
Rock'yn	1	2	.333
Eugenia	0	2	.000
Glenelg Centre	0	4	.000

Flesherton 16, Ceylon 10
Vandeleur 21, Glenelg 1

LEAGUE GAMES THIS WEEK :—

Eugenia at Dundalk—Thurs., postpn'd
Glenelg at Flesherton—Friday.
Vandeleur at Rocklyn—Saturday

It was altogether a different brand of ball played on Thursday afternoon last on the Ceylon grounds, when Flesherton trimmed Ceylon 16-10, to that played on the opening day in Flesherton, May 20, when Ceylon beat Flesherton 22 to 9. The boys have got down to playing ball now and if they keep the good work up the top will be theirs for sure. The game was played during a light rain that came off and on and made outfield especially hard to play on. The first two innings the locals were blanked while Ceylon put over four runs and in the third the locals slammed in seven off Gibson. Ceylon tied in the 5th, but it was only with hard playing for them and fielders' errors that put over the run. In the 6th three more runs were sent across, while in the next frame the locals circled the bags for six more, and during this time Ceylon scored four. Gibson retired at this period to second and C. Muir took up the twirling duties and held the locals down after giving two bases on balls. The game was called in the eighth on account of darkness by Umpires Arrowsmith and McDonald of Glenelg.

Flesherton—Dow, McLeod, Legard, Wilton, Alcox, Hutton, Thurston, Sparks ; Sares, Orr, McTavish.

Ceylon—J McLeod, E Muir, R Gibson Piper, D McLeod, Pedlar ; McMillan, spare.

Score by Innings—

Flesherton—0 0 7 0 0 3 6 0—16
Ceylon —3 1 0 2 1 2 1 0—10

Alcox struck out six while Gibson fanned seven While most of the time he could hold the locals down it was in the third and seventh that Gibson weakened and in those two innings allowed thirteen runs to cross the plate.

Dundalk play an exhibition game with a Toronto club on Thursday and the game with Eugenia is to be postponed on that account. We suppose there are other reasons besides that.

Vandeleur won in Glenelg on Friday last at picnic by the one sided score of 21 1. Russell Graham pitched the game for Vandeleur.

There are being too many games postponed in the League and if the schedule is to be finished on time these games will have to be played between the scheduled games. If it is at all possible the games should be played on schedule.

Markdale is rounding out a baseball squad so as to have a few games after the Centre Grey League has finished.

AUCTION SALE

Of Farm Stock, Implements, etc., will be held on

W. H. THURSTON EDITOR

Leaves The Guide

After four years on The Grain Growers Guide, as associate editor, Mr. R D. Colquette has severed his connection and taken a position with the United States Grain Growers, Inc., at Chicago. While with The Guide, Mr. Colquette devoted considerable time to the study of co-operative enterprises, and travelled over the United States and Canada investigating them. He will be connected with the educational department of the great grain enterprise in the U. S., which is attempting to handle on a large scale the wheat grain produced in the U. S.

Mr. Colquette is a son of Mr. and Mrs. R. J. Colquette, of Feversham, and was for a time editor of a farm paper published in this province, after graduating from the O. A. C. at Guelph.

Road Closing

Notice is hereby given that the Municipal Council of the Township of Artemesia, will, after one month from the first publication hereof in the Flesherton Advance newspaper (the date of which is the 9th day of June, 1921) proceed to pass a by law to close up and finally dispose of the undermentioned original allowance for roads.

1st—All that part of what is known as the base line from lots 101 to 110 inclusive, in rear of the Third Range, North East of the Toronto and Sydenham Road.

2nd—All that part of sideroad lying between lots 10 and 11, in the 14th Concession of the said Township.

By order of the Council.
—W. J. BELLAMY, Clerk

Dated 9th June, 1921.

Extend your farm operations

NO progressive farmer needs to be urged to produce to the limit of his facilities. *His* problem is to find the means—the capital.

Is it more stock, more housing, feed, seed grain, implements or new land to be cleared or broken?

The Bank of Toronto is ready to assist responsible farmers for these, or any purpose which will enable them to increase their production and profits.

Incorporated 1855 **THE BANK OF TORONTO**

CHEVROLET

Why He Bought a Chevrolet

It cost him only $945, F.O.B. Flesherton, Ontario, equipped with electric starter and lighting, one man top of genuine fabrikoid, ventilating windshield, demountable rims, non-glare head lights, Stewart transmission-driven speedometer, Willard rubber threaded battery, oil gauge, four non skid tires, tire carrier, complete tool equipment and valve-in-head motor.

The dealer proved to him its roading advantages over many cars of similar weight and its ease of operation. He knew from experience of others that with proper adjustment and the famous valve-in-head motor, his gasoline mileage will be equalled by very few cars.

A new tire would cost him only $16.50 and if he required parts for his motor at any time, he knew the dealer could give him direct service with the factory within twenty-four hours, should the necessary parts be out of stock. He knew the dealer in a town of the size of Flesherton had to carry a stock of parts at all times invoiced at approximately $2000, which would remedy 95 per cent. of his unavoidable replacements.

He knew his entire car, including the motor, was made in Canada, and in buying one of Canada's Standard cars he was aiding in re-establishing the exchange rate.

Should an accident occur to his car, he knew that Chevrolet service could be had anywhere, because in the season of 1920, the Chevrolet car had come to the fore so fast as to eclipse the record of any other firm on the point of production in Canada, and that behind this car was the strongest organization in the motor world, "General Motors."

He had only to look at the car to realize its beauty of construction and its sturdiness Its baked enamel finish precluded any possibility of his car becoming shabby within a few weeks. He knew he was buying something "a little better" at the REMARKABLY LOW PRICE OF—

$945.00

He knew that at this price he was buying a car unequalled in power, construction, dependability, comfort design and endurance, by few cars anywhere near the price. A car after design of the larger models, not built down to a price, sacrificing quality, and therefore durability. For these and many other reasons he bought a Chevrolet.
