VICINIY CHIPS

Summer holidays are here.

A number from here attended the circus in Owen Sound last week.

Old tires made like new. Try Chas. Coulson, vulcanizer, Dundalk. 1aug.

Mrs. Harvey Griffin of Toronto spent the week end here with her mother, Mrs. Wilcock.

Mr. R. J. Hogg of Winnipeg is visiting relatives in this vicinity for a few days.

Mr. and Mrs. W. Inkster and family attended a gathering of the Arnott family at Brampton on Saturday of which more anon.

Mr. Jeff Thistlethwaite and family motored from Toronto and are spending a couple of weeks with the former's parents here.

The volunteer squad which was at Niagara returned by special train Saturday evening. The weather last week was warm and it was a shirt sleeve and straw hat parade all through, but the boys appear to have enjoyed themselves.

An auction sale of farm stock and implements will be held on the farm of F. M. Curran, three miles east of Feversham, on Tuesday, July 5. See bills and advertisement in this issue. Wm. Kaitting, auctioneer.

I have an excellent line of fine rubber goods on hand—aprons, working gloves, etc. I also take orders for Spirella corsets and have a few samples which I will sell greatly reduced—Miss V. A. Nicholson, Flesherton.

County Council adjourned last week to attend a circus. It is not only the small boy who is interested in circuses. In fact several car loads of grownups went up from Flesherton to see the wonders. And they pronounce it to have been a good show.

The Dominion Government has withdrawn its 40 per cent. to urban municipalities for road construction. As it stands now towns and villages will have to pay 60 per cent. of road construction, while the province pays 40 per cent. As it was before the Dominion and Provincial government each paid 40 per cent. and urban municipalities 20 per cent.

Durham band has thrown down its horns (we have seen a bull do the same thing) because Durhamites don't like band concerts on Sunday evenings. The Durham fire brigade has resigned in a body because the town refuses to insure the members against accident. Henceforth Sunday evenings will be given over to sparrow, robin and grasshopper concerts, and without the fire brigade the town is likely to have a hot time. Can prohibition have anything to do with all this irritability? We wonder.

Once again has the necessity for a silent policeman on the square been demonstrated here. Saturday evening a car driven by James Harrison ran into a buggy containing W. Trueman. The buggy was overturned and considerably damaged. Mr. Trueman was thrown out but was not hurt. Fortunately the car was being driven slowly or the accident would have been more serious. Mr. Harrison says he did not see the buggy until he struck it. The street light on the square was out at the time. This is the second accident of a similar nature during the past few weeks—a second warning to the village fathers to get busy and have a policeman placed there. The third time may be more serious.

Haying has commenced.

Mrs. C. Pedlar of Nepawa is visiting relatives here.

No 1 B C Shingles at $4.50, also homemade—Watson & Son, Priceville.

Church of England—Divine service will (D.V.) be held every Sunday evening in the town hall at 7 p.m. Rev. George H. Vrooman, B.A., L Th., Rector. 1July tf

Rev. J. H. Oke, the new pastor, will occupy the pulpit in the Methodist church next Sunday. Mr. Oke comes from Prospect church, Toronto, and is well recommended.

Mr. Norman Wilton, who has been with the Merchants Bank here for the past eight months as accountant, has been ordered to Kingston. Mr. A. B. Clarke of Meaford, takes Mr. Wilton's place here. Mr. Wilton will be greatly missed in town, as he was manager of the local ball team.

R. J. Sproule, insurance, conveyancing and money lending, has moved his office from the McDonald Building back to the old Drug Store building he occupied so long, before moving from the M. K. Building, where he will be pleased to meet his old friends and as many new ones as feel like patronizing him.

The U.F.O. forces in Sout Grey have got the necessary Charter to form them into a political Association. The head office is in Normanby at the home of Mich. E. Murray, who with four other Normanby men are provisional directors. No candidate is in the field yet, but there will be in good time. Nearly 50 of the counties of the Province have taken out charters.

This village was shocked on Thursday of last week to learn of the death of Mr. Hugh Hammond, merchant and postmaster at Kimberley, who passed away that morning in Collingwood hospital, following an operation for apendicitis. Mr Hammond was well known here and his death at the early age of 36 is sincerely deplored. He leaves behind a devoted wife and five young children, to whom much sympathy is extended by a large circle of friends. The funeral took place on Monday to Thornbury. Mr. Hammond farmed a few years ago near Priceville, but after the death of his father, the late M. Hammond, he took over the store and postoffice, which he has since successfully conducted.

On Friday of last week the members of the Methodist church met to do honor to their retiring pastor, Rev C. A. Belfry, and his estimable wife, who left for their new field of labor at Huntsville on Wednesday. Mr. and Mrs. Belfry were invited out to tea, taken for a short car ride and as they were passing the church the suggestion was made that they go in. Their amazement may be imagined when they beheld the packed school room. M. Bunt occupied the chair and invited Mr. and Mrs. Belfry to the front where he uncovered a silver tea service, presented them to Mrs. Belfry and a gold handled umbrella to Mr. Belfry from the congregation, and a gold life-membership pin from the W.M.S.. After a short program the Ladies' Aid served ice cream and cake. Mr. Belfry has closed a four years' course very acceptably.

Mr. and Mrs. P. J. Russell and three children of Weyburn, Sask., arrived here last week to visit with Mrs. Russel's parents, Mr. and Mrs. W. J. Henderson. The party motored from Weyburn to Duluth, 800 miles, then took boat to Sarnia and motored from Sarnia to Flesherton, making the complete trip in eight days. The trip was made in a heavy McLaughlin car, without any trouble. Mr. Russell will motor to Montreal on business, returning here before making the home trip over the same route.

A distressing accident occurred at Orangeville on Saturday evening, when the troop train carrying the boys home from Niagara was stopped there, and which resulted in M. Lawrence of Durham losing a foot. The train was about to start and in the rush to get on board Lawrence was pushed against the side of a car, lost his balance and fell, his foot going on to the track, the wheel passing over it and crushing it badly. It was amputated Sunday morning just above the ankle.

The Musson Book Co. of Toronto has published a new edition of Appleton's road maps for Ontario, in two parts, one of Eastern and one of western Ontario. Besides the map proper a large amount of information invaluable to motorists is given on each section. Both main and secondary roads are marked. Each of these sections is published at 50c and may be had from the publishers. These are the most complete maps yet published.
