NEW

CUSTOM BOOT & SHOE SHOP

IN LINDSAY.

Having bought out the findings and manufacturing materials formerly owned by Mr. E. McLaughlin, I beg to state that I will open out in the shop formerly occupied by Mr. Geo. Galt.

A FIRST-CLASS CUSTOM BOOT AND SHOE SHOP. I have had a very large experience in this line and have for the past two years had charge of the manufacturing department with Mr. R. McLaughlin.

I will make up in the very best styles all kinds of Gentlemen's and Ladies' Boots and shoes to order. The best materials always kept and a fine stock of selected lastings.

I will ask my friends and the general public to give me a trial, and that those whom I have served to the satisfaction will give me a call.

The Show of the Year.

The Frank A. Robbins New Show, which is to perform here after noon and night, Tuesday, May 26, is regarded by the press and public wherever it has exhibited as the most noteworthy and satisfactory entertainment on the road. It is now in the fifth year of a series of unprecedented successes and has, by the rapid strides it has taken toward the front place among the greatest shows of the world, surprised even its friends who knew something of the energy, nerve and genius of its proprietor, Frank A. Robbins. It is a show of a new order, with a new spirit, and a new style, which every one who has seen it has been quick to recognize. It is a show of a new order, with a new spirit, and a new style, which every one who has seen it has been quick to recognize. Sound Speculation.

—Mr. K. Gault is improving his living quarters.

—High School Inspector Hodgson inspected the Lindsay school Tuesday and Wednesday.

—The town council of Lindsay have made a grant of \$100 towards the purchase of the Lindsay Central firehouse.

—Certain telegraphers in the South west will leave many times removing their forces of considerable street allowances about to be opened up.

—Metast. has received its annual crop.

There is no doubt that while the street is made more tidy the grade of the street is being gradually lowered.

—The structure used to shelter the market stand, which is a fine example of the architecture of the early days, is being removed.

—A large and somewhat superficial calculation shows that about \$2000 will be required if all the street improvements asked for are made, with the cost of the Lindsay Central firehouse.

—While walking over one of his fields after the last snow fall Mr. Joseph Currie of Opekauchong found a fresh horning about four inches long.

NEW SPRING MILLINERY

AT COST.

Peaks of weather or a chronic stringency in the money market has materially lessened the demand for Millinery.

This Syndicate, therefore, in view of their large stock and the advancing season, have resolved to dispose of their entire stock of Trimmed Millinery at Cost. It is an unusual proceeding to sell at cost so early in the season, but as our stock is large and the demand limited, we are determined to unload when people want the goods, and not wait until they are supplied. This is an opportunity you will appreciate and grasp to your advantage.

PRECAUTION.

Citizens of Lindsay and surrounding burghs, do not be carried away with the idea that spring is over.

No such good luck for the noble army of benedicts who dread the approach of house-cleaning.

Be prepared, therefore, when called upon to replace the old carpet with a new one.

It is wonderful what the prospect of a new carpet will do to ensure comfort to the man of the house during renovating time.

Whether you are poor, medium or wealthy, the City Store can meet you in your carpet wants, from a ten cent hem to the best body Brussels—every quality included that goes between.

Our Tapestry Carpets at 35c a yard—with borders to match—allays at once all illfeeling in the family.

Full stock of housefurnishings to select from, at our popular low prices.
