A splendid concert was held Friday night in St. Andrew's church, sponsored by the Y.P.S., with Mr. Percy Sims acting as chairman in his usual happy manner. Mrs. Dan Campbell and Mrs. Malcolm McLean each gave humorous reading, and both were enjoyed. Mrs. Sims, Fred Irwin and Miss Eileen Harirson each sang delightful solos and Mr. Frank McIntyre of Dunalk gave several Scotch songs and received hearty applause. Mr. Wm. Sayers gave two humorous recitations and Mrs. McAlister of Dundalk gave a fine instrumental on the piano, and with her friend, Miss Moore of Toronto, gave a piano duet and responded with an encore, with Miss Margaret McIntyre assisting in playing a piano trio. Misses Betty and Shirley Hincks rendered two duets with guitar accompaniment, and the National Anthem brought a very enjoyable program to a close. Give to conquer
CANCER

Next to heart disease, cancer is the greatest single cause of death on this continent. It kills 1,000 Canadians every month. One out of every eight persons now living must expect to die of cancer, unless far-reaching preventive measures are taken.

Cancer is a deadly killer unless the patient seeks early medical advice. But when caught in its early stages, cancer is generally curable.

The cause of cancer is still unknown, and there is yet no specific cure. But if diagnosed in time and treated by surgery, x-ray or radium, a cure can be effected in a majority of all cancer cases.

It is now proposed to organize an energetic campaign in Ontario against cancer in all its forms. This campaign will have the following objectives:

1—*To organize and operate fully equipped cancer clinics at suitable centres, where people may be examined, and, if necessary, treated according to the most scientific methods.*

2—*To pay a portion of the cost of treatment of cancer for those needing financial help.*

3—*To pay travelling expenses to and from clinics if needed.*

4—*To conduct an energetic program of cancer research.*

To carry out this program, the first need is money. Your donation will definitely help to reduce the number of deaths from cancer in this province. It will help hundreds of people to be medically examined in time and to escape from the deadly clutches of cancer. It may well help research scientists to discover a cure for cancer and so free mankind forever from the dread scourge of cancer.

This appeal is for an objective of $2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

ONTARIO CANCER FOUNDATION

This organized drive against cancer is a joint effort of The Ontario Cancer Treatment and Research Foundation and The Canadian Cancer Society.
