WE SELL GILSON "Goes Like Sixty" FARM EQUIPMENT

BACKED BY SIXTY YEARS' EXPERIENCE! DOMINANT IN QUALITY AND SERVICE!

Sixty years of leadership—of giving good value, heaping satisfaction and real service! That's why the Gilson name wins respect and confidence from coast to coast. That's why we are proud to sell this dependable farm equipment.

THE GILSON ENGINE

All Sizes

The famous Gilson "Goes Like Sixty" Engine—any size for any purpose—can be purchased on the easy payment plan. Let it pay for itself. Its economy and dependability have made it the biggest selling engine in Canada. Let us demonstrate on your farm.

"THE WONDERFUL GILSON"

"The Wonderful Gilson" stands supreme. More Gilson Silo Fillers were sold in Canada last year than any other make. It is guaranteed to be the lightest running blower-cutter made.

Be independent—get a Gilson Silo Filler and fill your own silo—with your own engine, 4 h.p. or larger—at the proper time, when your corn has the greatest feeding value.

HYLO SYLO

The Hylo Sylo insures sweet, fresh, succulent ensilage down to the last forkful. It is built to last indefinitely. Exclusive patented features of design and construction explain why the Hylo is chosen by the discriminating farmer. Pays for itself in the first season. Then year after year, pays 100 per cent. profit on your investment. Can you beat it?

THE GILSON SPREADER

Manure is the best fertilizer. You have it. Use it! The best Manure Spreader made is the Gilson. Why? It has a wide spread. It is low down. It has light draft. It will take a real load. It is free from clutches, gears and all complicated parts.

Call and see our nearest dealer, name below. He will save and make you money on the equipment illustrated and on Gilson Threshers, Dixie-Ace Tractors, Wood Saws, Grinders, Pump Jacks, Belting, etc. Write for Catalog.

R. J. COLQUETTE, Feversham, Ont.

Without a moment's warning the acetyline gas plant at Clifford exploded. The caretaker of the plant had been in the building only a minute before and just as he was leaving the explosion occurred, which threw him across the street. He received some slight burns on the face. The shock was felt for miles around. Merchandise on the shelves of the stores was thrown to the floor. One man, who resided across the street from the plant was thrown from his bed. The building which was built of cement, is a total loss.

For Service

One pure bred Shorthorn Bull on lot 36, con, 9, Artemesia. Terms $1.50 for grades. Must be paid within 9 months from date of service.

19.Jan.S —R. O. TURNER.

An exchange says: What sense is there in a government making a law that motorists must use certain lenses on their autos and not making them live up to it? The motorist with the glaring headlights is a menace to safety on the road at night. He surely forgets that everyone could have just as strong lights as he can, only that a few of us abide by the law. The fellow with the glaing headlights should be fined heavily if the law is to be honored, if not, let us all put on plain glass and nitrogen bulbs.

Bull For Service

Pure bred Shorthorn Bull of the Village Family for service on lot 10, con. 10, Osprey. Terms $2.50 for grades, $5 for pure breds.

APPROVED BY THE GOVERNMENT

The Northern Business College, Owen Sound, has been notified that it is approved by the Minister of Education for Ontario, as a school for adolescents—and at present writing is the first and only Business College in Ontario with the Government approval—Why?—only one reason—in a class by itself—for over 40 years it has been giving superior instruction in practical studies doing more in and out of school for its students than any other school in Ontario.

Ontario Government Approves

Parliament Buildings,
Toronto.

Mr. G. D. Fleming,
Northern Business College,
Owen Sound, Ont.

Dear Sir:

I have been instructed by the Minister of Education for the Province of Ontario to advise you that your school, the Northern Business College, is approved by the Government as a school for Adolescent Students. It is doing excellent work—has splendid building, decidedly above the average equipment and staff, and a very worthy record.

Yours truly,
D. J. TAYLOR.

A Real Gift

$1.00 for a lunch lasts 5 hours.

$1.00 for a hat lasts 5 months.

$1.00 for an automobile lasts 5 years.

$1.00 for a Northern Business College training lasts a life-time.

Cannot be lost or taken away, improves with every day's use.

It's the best gift you can give any boy or girl. Gives them the start to a successful career. Makes the girl independent.

Your Individuality

Our instruction is individual. You can advance as rapidly as you can learn. If you have been out of school a long time, have any deficiencies, they are not exposed to the other students. Gives the student a chance to establish his individuality, his personality, his knack to do something better than any one else. That's the Northern Business College method of instruction.

The Approved School

1 Good board--Young ladies $5.50 and $7.00 per week. Young men $6.00 to $7.00 per week.

3 We will meet you at the depot and arrange board, if desired.

4 Only school in Ontario in charge of a Chartered Accountant and assisted by staff of Specialists.

5 40 Successful years.

6 Individual instruction. Enter any day.

7 Our own school building.

8 Write, reserving your place, telling when you wish to start.

9 Winner of 25 first and special prizes at leading exhibitions, including the World's Fair, England, World's Fair, Chicago, and Toronto Exhibition. Only school in Canada holding awards.

ADOLESCENTS

The new regulations of the Ontario Government that all children from 14 to 16 years of age shall attend school comes into effect September 1st, 1921. Realizing the wonderful resources and opportunities of this Canada of ours and the great advantage a better education will be to help realize these opportunities the new rules for additional school attendance have been put into force.

The average parent is not against giving his children more education—but he does insist that it be in absolutely the most practical subjects; studies that will be useful in the every day business problems—on the farm, in the shop and factory.

The Minister of Education, conversant with the educational institutions of the Province and of our 40 years in giving practical courses—along just the lines required by adolescents, has approved of the Northern Business College for adolescents,—that is, students 14 to 16 who, under the new regulations, have to attend school, may if they wish, attend the Northern Business College.

At this writing the Northern Business College is the first and only Business College in the Province to be approved by the Government. This can be taken as an indication of the high standard of efficiency of this school.

There are two classes of adolescent students.

Part Time Students

(1) **Part Time Students**—(a) Those from 14 to 16 years of age who are required to help at home.

(b) Those from 14 to 16 years of age who have to maintain themselves or some one dependent upon them.

These part time students on written applications will be granted special home or employment permits and will attend only 400 hours per year instead of the whole year. We have special courses for these in all business or public school subjects—(Equivalent to our 3 months' course.)

Full Time Students

(2) **Full Time Students**—Those not required at home—or to work to support themselves or others will attend the full school year.

Our courses particularly appeal to Adolescents. We have no entrance examinations—we teach individually—your difficulties are solved at your own desk—no embarassment to the students—Our courses are absolutely practical—the standard of the farmer, merchant, banker and manufacturer for over forty years.

If you wish further information regarding the Adolescent Act—or what it would be best to take in educational studies—feel free to write, phone or call on us.

The Training for Business

The training to be a dentist is taken at a dental college. The proper training for business is taken at the Northern Business College. Practical subjects, expert staff, proper building equipment and environment.

Bookkeeping, Commercial Law, Writing, Spelling, Arithmetic, Mensuration, Letter Writing, Rapid Calculation, Shorthand, Typewriting and in addition Personality Development—Most important that every young man and woman should make the best of his natural talents and abilities. The use of Dunn's, Bradstreet's, Goad's Plans, Practical Work, the operation and use of Adding Machines, Burroughs, Dalton, American, Monarch and Remington, Wahl Billing Machines; all classes of filing, Letter Copying, Rapid Roller Copying, Beck Duplicates, Flat and Rotary Neostyles, Burroughs Electric Bookkeeping Machine, Burroughs Calculator, Detection of Forgery and Counterfeit Money, Salesmanship ,Bill of Lading, etc. Just what you require to make you a better business man or woman. No other school in Canada has either the equipment or the staff qualified to teach this work.

Farmers' Special Course

"Farming was once only a means to live; to-day it is the country's most important industry and must be carried on business lines to be successful. The most fertile state and most bounteous crops cannot permanently offset inferior or poor business methods."—D. A. Macarow, General Manager of the Merchants Bank of Canada.

Our farmers' Course—40 years old—is the best preparation for the young man on the farm. Can be taken during the slack fall and winter months. Just enough bookkeeping to keep his farm books and records. Find out how each branch pays, a knowledge of lien notes, deeds, mortgages, wills, etc., letter writing, arithmetic and measurements, writing, spelling, enough personality development to make the most out of his own abilities and personality, public speaking in the literary society—everything that will help him make his farm the best possible business proposition and help him to take his place in the commuinty's activities.

Discouraged at School—Failed in Examination

Each year there are many students who have failed in examinations who attended our classes.

(1) Failed Lower School, Normal Entrance, Matriculation.

With your splendid general education as a foundation, with diligent effort in our Courses of study, there should be no reason why you should not, in short time, qualify for a better position than had you passed. In the teaching profession, which is at present overflooded, salaries are always according to the scale, and your ability, initiative and personality are never considered.

(2) Failed Entrance or High School Inter-form Examinations and do not wish to return to the same work, or cannot afford to spend another year going over the work, you are recommended to consider the advantage of a commercial education. If you ultimately intend entering business, plan to enter our classes now and make the necessary thorough preparation. Delaying a month or a year is that much time wasted.
