The Orillia Packet remarks: "Geo. M. Leeson, M.P.P. for South Grey, has handed over the extra $600 he received at the last session of the Legislature to the municipalities in his riding. Each gets $54.50. Mr Leeson deserves little credit. The manly course would have been to oppose the steal in the House."

RECORD OF CENTRE GREY LEAGUE

Official standing of the teams

	Won	Lost	P.C.
Dundalk	10	2	.833
Ceylon	9	3	.750
Vandeleur	9	3	.750
Flesherton	7	5	.583
Rocklyn	3	7	.300
Eugenia	2	8	.200

Vandeleur 9, Ceylon 3
Vandeleur 29, Rocklyn 1
Dundalk won, default by Eugenia.

Although a large crowd was present on Thursday afternoon last at Ceylon, they were not treated to a first class ball game by any means. It was a decisive game for both teams and by winning it Vandeleur have still their chance of evening old scores with Dundalk. Vandeleur played a steady game all through and Buchanan had good support, although his brand of brand of ball was not up to its usual excellence. Ceylon's infield made many bad errors that resulted in runs, and if Gibson had been given the backing he deserved by his pitching the result might have been different. Van- Vandeleur started off with a swing when they put four runs across in the open. The nearest they could come to that was in the 8th, when they got in two runs, one in an overthrow to second by the Ceylon catcher when the runner was on second base, advancing him to third and on duplicating the performance at 3rd he came home. Several times Ceylon had two and three runners on bases, but could not pull the hit for runs. In the 6th with three men on D McLeod was hit by a ball and a runner came in, then three men went out one after another.

Ceylon—J McLeod, E Muir, R Gibson, R Piper, S Pedlar, D McLeod, J McMullen, W Gibson, C Muir.

Vandeleur—E Warling, R Freeman, H Graham, H McGee, H Bowler, R Graham, A Buchanan, S Buchanan, W Graham; spares H Baker, D Graham.

Score by Innings:
Vandeleur—4 1 1 0 1 0 0 2 0—9
Ceylon —0 1 0 0 0 1 0 0 1—3

Warling played a tight game again, nothing getting past him. He also got two of the runs.

In the third inning a puzzling play took place with two Vandeleur men on bases—1st and 2nd—and one man out. Warling singled and Buchan on 2nd was forced out at 3rd but continued on home. The 3rd baseman threw the ball home, Buchanan ran into the catcher to block the throw to be made to 2nd. This was an interference and caused the 3rd out.

Only a few hits went to the outfield on either side on Thursday. R Graham drew a long high hit to centre field, but Sam Pedlar handled the ball nerdly. Howard McGee made lovely running catch of Roy Piper's fly to left field.

Six strike-outs for both Buchanan and Gibson.

The game was an hour and a half late in starting on account of car trouble with the Vandeleur players.

Umpire Gilliland of Owen Sound handled the game and gave general satisfaction.

Vandeleur finished the scheduled season in the League on Monday afternoon when they trimmed Rocklyn by the overwhelming score of 29-1. It was one of the old time swatting contests and the Vans slammed the pill all over the field as though it was a practice game.

Eugenia defaulted their game to Dundalk on Monday.

Eugenia and Rocklyn have home and home games yet to play.

Dundalk are now leading the League with Ceylon and Vandeleur in second place, each with nine wins and three losses. It is likely a sudden death game will be played in Markdale to decide the team for second place.

Harold Randall and Wm. Bye, the two St. Catharines youths who were sentenced to thirty days in Orangeville jail on a charge of carrying concealed weapons, were given their liberty upon payment of a $10 fine. One of the prisoners got in touch with a girl friend in Owen Sound who sent him enough money to pay his fine, while James Armstrong, manager of the Dufferin lacrosse team, acted Good Samaritan for the other.

FROM GENEVA.

Organizer for League of Red Cross Societies Tells of Need of Europe's Orphans.

"While we at home are intent on industrial expansion and a place in the sun, Europe in its war-weakened condition is fighting for its very existence," said Donald W. Brown, director of the department of organization in the League of Red Cross Societies of the World, which has its headquarters at Geneva, Switzerland. He visited Toronto to learn the peace program of the Canadian Red Cross Society and to establish closer contact between it and the league.

Millions of War Orphans.

Having just arrived from Europe, Mr. Brown was able to give the Canadian Red Cross some first hand information concerning the people of Europe. He called attention particularly to the condition of the children, so many of whom are now orphans. While the exact number who have lost one or both parents during the war cannot be determined, the most conservative estimate places the number at over ten millions. This number seems quite consistent with the heavy war casualties among so many nations.

Dependent Upon Charity.

The condition of these children is in most cases very pitiable. Many of them have no homes and they are dependent upon whoever may be charitable and kind enough to help them. But there are few who are able to give such help for the mass of the people of Russia, Poland, parts of Roumania, Czecho-Slovakia and other countries are so poor that they have not necessaries for themselves. Consequently in the great area between the Baltic, the Black and the Adriatic Seas, there are millions of children who face the next few years, and particularly the coming winter, without hope of proper care unless outside assistance is given them.

Disease Prevalent.

In addition to the unhappy condition of the children the adult populations are in the direst of misery on account of disease. Suffering has been accentuated by lack of food and clothing, nursing and medical attention, and tuberculosis, smallpox, typhus and dysentery are continuing unchecked.

Typhus which has so often proved a scourge and menace to the human race is again prevalent, and unless checked will most likely extend its ravages to an alarming degree.

British Empire Appeal.

For these urgent reasons, Mr. Brown said, the League of Red Cross Societies has made an earnest appeal to the people of the British Empire and he was glad to hear that the cause of the suffering children was being taken up in Canada. He had learned that an appeal on behalf of the British Empire Fund would be made in Canada by the Canadian Red Cross during Armistice week and wished for it every success.
