A match of base ball between Eden and Oakwood players was held in the foremon. The Eden boys scored a victory. The pitching by Mr. Rogers for the Eden players, and for the Oakwood club Mr. Anderson's catching behind the bat was the best part of the play to our juninitiated ideas. In the afternoon the horse trotting was the first thing on the programme, Mr. Fanning's bay mare taking first prize in the open trot, and in the race for three-year olds. In the morning race Mr. Maybee, of Cameron took first, Mr. John Tompkins Warmanby, colt making a good second. Men's, boys and youths races followed, and a very enjoyable afternoon was passed. The Cambray brass band played a number of selections very nicely, considering the very start practice they have had.
