One of these weighed 23 pounds.

The Hydro is sending out free plate matter to the local papers with the idea of shutting off criticism of the system or advocacy of a flat rate for the province The arguments put forward are not convincing and we have declined to use the matter. The hydro people appear to think that they should be above criticism and that anyone who raises his voice in anything but an anthem of praise is a "knocker." Any public utility and the officials who control it are legitimate subjects of criticism.

A tire blew out and while Mr. Clemens was fixing it in front of the Copes, victims of the recent poisoning case, the father and two sons slipped out with two rifles, thinking that the report of the blowout was a shot from their enemies. Mr. Clemens jumped into the car and drove off at top speed, but one of the Copes fired and pierced the rear of the car and Miss Buschlen's $1500 violin. Thomas Cope has been arrested.

IN MEMORIAM

In loving memory of our husband and father, Mr. Thomas W. Lewis, who died on Oct 2nd, 1920.

One year has passed since that sad day
The father we loved was called away.
God took him home—it was His will,
But in our hearts he liveth still.

Heavy Seizure From Duck Hunters

Something of a sensation was caused in this district on Saturday last when a provincial officer made a seizure at the hydro pond of two cars, 6 guns and and several wild ducks. The seized outfit was brought to Flesherton and stored in McTavish's garage pending results. One of the cars, a Baby Grand, belonged to Mr. T. Berry, and the other, a Chevrolet 490, to W. Rawn, a traveller for McLauchlin & Co. of Owen Sound.

Since the duck season opened on Sept. 1st hundreds of people have been out to the big pond duck shooting and did not suppose that the reserve was to be tightened up as it was. Here is where they guessed wrong. Recently a special Provincial officer, Mr. P. Revill, came up and laid his lines for a capture, when on Saturday last he made the seizure noted above and took the names of the six in the party, including a boy 15 years old. Monday Mr. Cox, Provincial Magistrate for the Game and Fisheries department, arrived in town to size up the situation and left for Owen Sound the same day. The gentlemen implicated, of whom two are hydro employees, have not had their summonses at time of writing, but it is understood that the case will be tried in Owen Sound this Wednesday morning at 10 o'clock.

Hydro Meeting To Be Held At Feversham

Hoodlums At Concert

Dear Mr. Editor:—Would you, through the columns of your valuable paper, kindly inform us who are the proper authorities of Flesherton to deal with hoodlumism? At different concerts held in the high school the order has been something awful before the concerts begin. Every young couple who enters the hall and until they take their seats, are hooted at by a number of youths and boys. What will strangers think of Flesherton? I for one think it disgraceful and it should be stopped—A LAW-ABIDING CITIZEN.
