Did Not Recommend It

Editor Flesherton Advance :

Dear Sir,—In last week's issue there appeared on the first page under the heading Board of Agriculture Meetings an account of the meeting held at Flesherton. In that article it stated that Mr. Cooper, of the Department of Agriculture, recommendud to all Farmers' Clubs the purchase of a motion picture machine valued at $250.

That recommendation, allow me to say, did not come from myself. As a matter of fact I never mentioned the machine at the meeting. It may have been uttered before I came into the hall, as I was late arriving.

My practical experience in actual farm work in Waterloo county has taught me, Sir, that farmers or farmers' clubs have not money for motion picture machines. Moreover, my work as an agricultural representative in Grey County has surely demonstrated that if any Farmers' Clubs Women's Institute or Board of Agriculture desires motion pictures, I will come at any time, free of charge, to give them an evening's entertainment. Allow me to add, also, that I do not take the machine out for advertising purposes. We cannot, and never have, entered into commercial work except in so far as it is necessary to demonstrate our work.

Thanking you for your valuable space, I am yours very truly,

—J, STEWART COOPER,
Agricultural Representative

Last Wednesday the midgets, with a band of lusty rooters, went to Shelburne to play with the midgets there. Being unaccustomed to the large rink of smooth hard ice, the Proton boys thought at the end of the first period that the outlook was pretty blue when the score was 3 to 1 in favor of Shelburne, but they soon found their bearings. The final score was 6 to 5 in fovor of our Invincibles. So far this season they have not been defeated and are remarked upon every time for their strong clean playing

Sutton--Semple

EAST MOUNTAIN CORR.

On Wednesday March 8 h at 2.30 p.m. a very quiet wedding was solemnized at Presbyterian manse, Markdale, by Rev. Thurburn Conn, when Reta Beatrice, eldest daughter of Mr, and Mrs, Wm. Semple, of Lady Bank, was united in the holy bonds of matrimony to Mr. Joseph Steven Sutton, a popular young man of Woodford. Ont. The groom was assisted by his friend, Wm. Alexander, Woodford, while Miss Annie Galloway of Nottawasaga acted as bridesmaid.

The bride looked charming, attired in a costume of pretty blue silk with trimmings of white silk and embroidery and a corsage bouquet of roses. Her hat was of brown silk velvet with wreath of maiden hair fern, forget me nots and moss roses. The groom's gift to the bride was a gold watch, to the bridesmaid a gold brooch, and to the groomsman a gold tie pin. Amid showers of confetti they left for Lady Bank, where a reception was given at the home of the bride's parents. Together with about twenty of the immediate relatives they sat down to a sumptuous wedding repast. In the evening a number of friends and neighbors met and presented the young couple with a miscellaneous shower. The gifts were numerous and beautiful showing the esteem in which the young couple are held. After March 30th Mr. and Mrs. Sutton will be at home to their many friends at Woodford, Ont. We offer the young couple our heartiest congratulations and wishes for a long and prosperous journey through life.
