

Ayer's Sarsaparilla.

Scrofula

Is one of the most fatal scourges which afflict mankind. It is often inherited, but may be the result of improper vaccination, mercurial poisoning, uncleanliness, and various other causes. Chronic Sores, Ulcers, Abscesses, Cancerous Growths, and, in some cases, Emaciation, and Consumption, result from a scrofulous condition of the blood. This disease can be cured by the use of Ayer's Sarsaparilla.

I inherited a scrofulous condition of the blood, which caused a derangement of my whole system. After taking less than four bottles of Ayer's Sarsaparilla I am

Entirely Cured

and, for the past year, have not found it necessary to use any medicine whatever. I am now in better health, and stronger, than ever before. —O. A. Williams, 222 Tremont St., Boston, Mass.

I was troubled with Scrofulous Sores for five years; but, after using a few bottles of Ayer's Sarsaparilla, the sores healed, and I have enjoyed perfect health. Elizabeth Warrick, 24 Appleton Street, Lowell, Mass.

Some months ago I was troubled with Scrofulous Sores on my leg. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy failed, until I used Ayer's Sarsaparilla. By taking three bottles of this medicine the sores have been entirely healed, and my health is fully restored. I am grateful for the good this medicine has done me. —Mrs. Ann O'Brien, 126 Sullivan St., New York.
