## Wilson--Sayres

A quiet and pretty wedding took place on Tuesday, March 21st at the home of Mr. and Mrs. James N. Sayers, Ravenna, the occasion being the marriage of their eldest daughter, Beatrice Elizabeth, to Mr. Walter Franklin Wilson, son of the late James and Mrs. Wilson, Collingwood.

The ceremony which took place at four o'clock beneath an arch of evergreens and flowers, was conducted by the Rev. Jas. Brown of Maxwell. The bride's gown was of steel-grey satin de chine, beautifully embroidered with steel beads. She also wore the conventional cap and veil of embroidered net with wreath of orange blossoms. The young couple were unattended, and the wedding march was played by Miss Permilla Coulthard of Feversham, cousin of the bride. During the signing of the register instrumental music was furnished by Miss Maye Grant. Later the whole company sat down to a well laden supper table and partook of the dainty food.

Among those present were Mr. and Mrs. H. Coulthard of Feversham, Mr. and Mrs. Maurice Wilson of Banks, Miss Maye Grant of Orillia, relatives from Thornbury. Other friends and relatives from the immediate vicinity were also in attendance. The bride's travelling costume was of navy blue, with white georgette blouse and blue hat trimmed with silver. The groom's gift to the bride was an ivory manicure set, and to the organist a gold brooch set with amythysts.

Mr. and Mrs. Wilson left on the 2 30 train from Thornbury, for a trip to Cookstown and points south.

## Murdered Wife Then Suicides

Collingwood, March 23.—The town of Stayner, nine miles south of Collingwood, was the scene of a double tragedy last night, when Thos. Watson, aged 40 years, shot and killed his wife, aged 35, and afterwards killing himself,

The shooting occurred in their home on the main street, to which they had moved but yesterday, and it is thought to have taken place between 11 and 12 o'clock last night. No one heard the shooting, the four children of the dead man and woman being asleep, and it was not until this morning that the tragedy was discovered by the eldest of the children, a twelve year old boy.

Upon rising he was horrified to find his mother lying dead on her bed, with the side of her face shot away. The father's body was found in the bathroom, with a double barrelled shotgun, which evidently had been used, lying on the floor beside the body.

Watson was a druggist and had been in business for a number of years. He recently disposed of his drug store and it is said had been worrying over the matter. Mrs. Watson was a daughter of J. Clark, former Grand Trunk station agent at Stayner.

Dr. Murphy, the coroner, will hold an inquest into the tragedy.

## Rod And Gun

The April issue of Rod and Gun in Canada is a particularly attractive one, and from cover to cover it abounds in bright, interesting features. The stories include splendid contributions from the pen of Frank Houghton, entitled "The Trail of a Golden Hope"; while "Birds," by Phil H. Moore, is also worthy of special mention. Bonnycastle Dale is the author of "Our Wild Decoys." The various departments contain a wealth of valuable information, as usual. A complete report of the annual meeting of the Northern Ontario Outfitters and Guides, is given. A handsome art cover by F. V. Williams, who also contributes a short story, will likewise attract attention to this month's issue.

Rod and Gun in Canada is published monthly at Woodstock, Ontario by W. J. Taylor, Limited.

Along the road of Thompsonville where W. E. Campsall's little daughter met her death last week the railing had become dislodged. Mr. Campsall brought this condition to the attention of the Tecumseth township council, which body after considering the municipality's liability awarded Mr Campsall $750.

## PRICEVILLE

The cold wave of last week has passed away, and spring like weather prevailed at end of week. On Saturday evening last, about dusk, we noticed a flock of wild geese circling around between the Saugeen river and Moss Lake, after a few moments they seemed to settle down on the lake for the night.

The farmers in this vicinity realize the importance of improved breeding in their cattle, and other live stock, among the importations this year we notice that John Oliver, on the O D. R. East, has brought home a fine young imported Shorthorn bull, and over on the South line, James Turner has purchased a 16 month's old Short horn bull from Thos. Nichol, at a good price. From the North line, the Durham Road, and the South line, we expect to see a fine display of these animals, also registered cows and young stock at our fall fair naxt October.

Mr. Stafford, a new arrival in town, has opened a general store in the Aldcorn Block, and probably will be able to attract many new customers from outside points

The several persons who have been ailing for more or less time, seem to be improving, some slowly, but we expect to see them all around in the near future.

Meaford taxpayers will stagger along this year under a rate of 51 mills on the dollar. The rate was struck by the town council last week and is made up of General rate, 31 mills, and School rates 20 mills. The Mayor stated that only three mills were at the council's disposal, the balance was uncontrollable expenditure. The rate is 4 mills higher than last year.

The Walkerton Welfare Association has passed a resolution asking the attorney-general's department to remove Provincial Constable Blood, who was sent to Bruce county some weeks ago. The members of the association claim that a provincial policeman in that district is necessary, but the reason for the objection to the bobby's presence lies in the fact that since coming to Walkerton he has been over zealous in the performance of his duties, particularly in respect to the Motor Vehicles Act. As a result, a large number of business men and prominent citizens have been before Magistrate McNab and have paid fines for various minor offences.
