VICINITY CHIPS

Spring hasn't made much headway yet.

Mrs. T Lewis is visiting with relatives at Rob Roy.

J D Moore returned Saturday from spending a coupleof weeks in Toronto.

Whether March came in like a lamb we are not quite certain, but we are quite sure that it went out like lion anyway.

Mr. Alf Down returned from Toronto on Monday, and is well along on the way to recovery from his recent illness.

Mrs. Jos. Duncan was in Toronto last week undergoing an operation on one of her eyes. The operation was quite successful.

All parties indebted to me are requested to settle their accounts by the end of April, as I am leaving this district.—Dr. McFarlane, Priceville.

Last week the Toronto Mail & Empire celebrated its fiftieth anniversary. May the great daily enjoy another fifty years of prosperity and service to the people.

The maple syrup hasn't been coming in to town very freely yet, but what has come in brought a good price, ranging from $2.50 to $3.00 per gallon.

Miss Zilla Trmble left on Thursday for Islington to visit her sister, Mrs. W. T. Hodgson, who is ill with the flu. Mr. Hodgson, who is a manager in the Union Bank, had a move from Erin to Islington about a month ago.

Much sympathy is extended to Mr. and Mrs. Lawson Whitehead in the death of their infant son, who died of pneumonia on Friday last at the age of seven weeks. The funeral took place Sunday afternoon to Flesherton cemetery.

Sir John C. Eaton was buried in Toronto on Monday afternoon in the Eaton mausoleum, Mt. Pleasant cemetery. Great crowds viewed the remains as they lay in state in the Timothy Eaton Memorial church on St. Clair avenue.

Dr. McFarlane of Priceville has decided to remove to Arthur on the first of May. This has been made necessary owing to the difficulty of securing a residence. The people of Priceville and vicinity are very sory that this is necessary as the Dr. is recognized as a clever practitioner.

A question by W. H. Casselman in the House last week revealed the fact that Hon. I. B. Lucas, who resigned from the Hydro Commission at the request of the Government last year, was now employed by the Hydro Commission as counsel at a salary of $600 a month. He thus went out the front door, as one member said, to come in at the back door at a bigger salary.

The raising of thoroughbred dogs necessitates an expenditure of a lot of money, and great care, but in the end is a wealth producer. Mr. Allan Kerth, of Toronto, who is well known in Flesherton, bought a German Police Dog a few months ago for $1500. Recently a litter of six pups came along and these are all spoken for at the small sum of $300 each. This breed of dog is scarce in Canada and it will be seen that any of its breed will go at a handsome sum.

Mr. Luke Bowers, a resident of this village for the past twelve years, was taken suddenly ill the fore part of last week, and was removed to the Owen Sound hospital, but died before he could be operated upon for telescoped bowel. The remains were returned to Flesherton where they were interred on Saturday. The old gentleman was of a quiet, inoffensive nature, and respected by all who knew him. Luke was adopted in his infancy by a Quebec farmer, with whom he remained until he was of age, when he went out into the world and became a lumber jack. He followed this calling for years, then took up odd jobs. About twelve years ago he came to Flesherton and married a Mrs. Gibson, who survives him.

Subscribe for The Advance today.

Mr. J. A. Legarde of Toronto visited over the week end with his parents here.

Miss Herron of Owen Sound is visiting with her friend, Miss Irene Wilson.

The Advance is agent for all Toronto papers.

Mrs. W. S. Inkster is visiting with relatives at Wareham.

Mrs. John Thistlethwaite is spending a week with her husband in Toronto.

The Ceylon Farmers' Club will meet in Clayton's hall at 8 o'clock p. m. Friday of this week.

Misses Elda Karstedt and Mamie McTavish spent the week end with friends in Owen Sound.

Lieut. W. E. Cargoe attended the banquet given by the O. C. of the Grey Regiment in Owen Sound on Friday evening of last week.

Rev. and Mrs. Oke are in Toronto this week, the former for ear trouble and the latter to nurse her daughter, Miss Hazel, who is ill.

The Easter Thankoffering meeting of the W.M.S. of the Methodist church will be held on Wednesday, 12th inst., instead of Thursday, when it is hoped all the members will be present.

Mrs. M. Thistlethwaite and daughter, Beatrice, are spending a month with the former's daughters in Toronto, Mrs. C. C. Brown, and Brighton, Mrs. A Brown.

A meeting of the Osprey U F.O. will be held in the Methodist hall, Maxwell, on Saturday, April 8, 2 p.m. All members requested to attend—H. Spofford, Secretary.

Mr. Batcheler has postponed his sale, which was to have taken place on Friday of this week. The new date is Tuesday, April 11th. The farm will be offered for sale at the same time.

The Mission Band of the Methodist church held their Easter Thankoffering service in the Methodist church Monday afternoon, when a very interesting meeting was held. The offering received amounted to about $25. Lunch was served at the close.

Mr. Joseph Buchanan of the Meaford Road shipped a few head of cattle to Toronto a couple of weeks ago, which brought the highest price obtainable, $8.25 per cwt. These cattle were shipped to Great Britain.

A public debate will be held by the Young People's Society in the Methodist church next Monday evening, April 10, when the subject will be, "Resolved that a special tax should be levied on batchelors over 35 years of age. A cordial invitation is extended to all.

Under the heading "Veteran members of the Globe family" appears two cuts of Mr. John A. MacDonald, of Priceville, and Thorpe Wright, at one time a prominent Fleshertonian, now living in Toronto. Both are old readers of the Globe since 1858, Mr. Wright from 1860, The Globe says: "Inspired by a letter from Mr. Peter Ryan of Toronto, Mr. Macdonald of Priceville, Grey Co., writes to say that he has recollections of reading the Globe as a youth is 1858 when the paper was a valued item in the mail that reached Priceville once weekly. Mr. Wright modestly puts himself in second place as he has been a reader "only since 1860—a mere 62 years!"

The O. C. of the Grey Regiment, Lieut.-Col. G. D. Fleming, gave a banquet on Friday evening last in Owen Sound to the officers of the regiment. Lieut. Cargoe of Flesherton and Capt. LeGard of Toronto, formerly of Flesherton, attended and report a good time. In his address Col. Fleming announced that Col. Carmichael had been appointed Brigadier, and will have charge of the Niagara camp this summer. Two of his staff were selected from this regiment, these being Capt. G. W. Butchart and Sgt.-Major Andrews. We give our congratulations to Col. Carmichael.

Notice

All old accounts due Osprey Municipal Telephone System to Dec. 31st, 1921, to be paid by April 8th, 1922, or be placed in Court for collection, with costs.

—By order Board of Commissioners

Notice

Is It The Hydro? Or Is It The U.F.O.?

There is really not much that is new about the development of Pheasant Island at Eugenia. The promoters are still silent as to their identity. We do not yet know whether to class it as a Hydro or U. F. O. movement. The manager—the pheasant expert—is, we believe, a native of London, England, by the name of Johnston, This gentleman has, we are informed, been down south for a couple of weeks—presumably in Georgia—also presumably looking for new museum attractions or monstrocities.

As we have remarked, it is not yet known whether to credit the development of Pheasant Island to the Hydro or the U. F. O. No matter which, it is paid for out of public money and the public should know who is milking it. If it is game and fisheries department, the thing is financed by the whole province ; if the Hydro, it is paid for by the users of Eugenia power.

Where is Pheasant Island? Well, it is an area of about 50 acres, brought into being as an island by the hydro development at Eugenia, and lies on the east side of the big pond at Eugenia, just a mile and a quarter east of the village, and across the water.

The Hydro made a park in the village a few years ago, built a nice pavillion and strung the park with lights. Although this was all paid for by the system there was no kick coming, because Eugenia was entitled to this consideration and more. They also should have had the pheasantry established in this park. Instead, it is perchsd on an island a mile and a quarter away and utterly inaccessible to sightseers.

Incidentally we might say that for two or three years the cost of lighting the Eugenia park was charged up to the village of Flesherton alone, instead of to the whole system, until finally our village council made the Hydro come across with a refund. Flesherton feels that it has been hardly used by Hydro, just as have many other places, and also feels that it has been leaning on a broken reed when it expected Hydro to act fairly. There are also some other instances we could name, where this concern has acted in a manner that makes the word "unfairly" a weak term.

However, if Hydro is not guilty of adding this pheasantry and animal show to our expense account, the U. F. O. government must be held responsible, and there is a way of getting after them. We have repeatedly heard the member for South Grey state almost tearfully that he was extremely desirous of "Keeping in touch" with his constituents. Recently The Advance has been giving him a few touches, but so far without result. We put it more bluntly : Will Mr. Leeson kindly let us know who is responsible for the investment, and what amount it is proposed to spend ; also what the upkeep, including salaries, is likely to be ?

That Mystery Solved

Editor of Advance :

In a recent issue you asked the town fathers where the $1000 came from that there was no account of. As there has been no explanation from the head I might suggest that it was the $1000 the reeve wanted to put up on nomination day, and there may have been no cheque issued for it.

—Ratepayer.

DIED
