Merchants Bank Probe

Evidence All in Against Macarow Allan to Appear Friday

Montreal, May 8—All the evidence in connection with the case against D. C. Macarow, late General Manager of the Merchants Bank, is completed.

Arguments will be heard on the case on Thursday next, and on Friday Sir Mantagu Allan, president of the defunct bank, will come up for trial.

The concluding evidence was a lengthy examination of George Edwards, a Toronto accountant, engaged by the Minister of finance. He showed that $796,868 had been written off the bank premises account by the bank's managers. Mr. F. E. Meridith, counsel of the Merchants Bank, testified in regard to a letter written by him to D. C. Macarow, in regard to the agreement between the bank and G. W. Finlayson, trustee of the insolvent company of Thornton, Davidson & Co., and C. O. Cameron, a partner in the firm.

This firm caused a loss of some $5,000,000 to the Merchants Bank. Mr. Meridith testified that the letter meant that negotiations with Mr. Finlayson were at an end

Motor Fees To Pay For Roads

Bond Issue Will Mean Completion of Provincial Highway at an Early Date

Within three years, construction work on the entire Provincial Highway System of 1800 miles will be completed, if a bond issue of $25,000,000, proposed by the Hon. F. C. Biggs, is approved by the Legislature this month.

The plan of the Minister of Public Highways is to capitalize a portion of the revenue from Motor Vehicle License Fees—$2,000,000 a year for twenty years—thus providing immediately a fund of approximately $25,000,000 for the construction work for the next three years. The Minister seeks, by an ammendment to the Highway Improvement Act, to effect this object.

On several occasions the Ontario Motor League has urged the Government to adopt the scheme of capitalizing a portion of the revenue anticipated from Motor Vehicle License Fees to provide funds for the building of the Provincial Highways. The League has advanced this as an alternative to the proposal to largely increase the annual motor license fees at the present time, and, therefore, the League heartily supports the principle embodied in the amendment proposed by Mr. Biggs.

What opposition there is to this amendment is based principally on the argument that the roads now being built will not last for 20 years and, therefore, will be worn out before their cost has met through the retirement of the bond issue. This argument, however, is fallacious, as at least two thirds of the whole work being done is of permanent value. Permanent work such as the construction of bridges and culverts, grade reduction, drainage, cuts and fills, in fact all but the surface work, will have as great a value 40 or 50 years from now as it will be five years hence. So far as surface work is concerned, the average surface should last from 10 to 20 years if good drainage is provided and a proper system of maintanence is established,

The revenue from Motor Vehicles License Fees last year was approximately $3,000,000. This revenue is increasing from year to year and if $2,000,000 annually is set aside by means of a bond issue for construction work, there will still be upwards of $1,000,000 remaining each year to provide for maintenance.

The Post Office Department has issued instructions to Rural Mail Carriers to carry stamps only in book form. These books are 25 cents each and may be had in 1, 2 and 3c. denominations. Patrons of the Rural Routes will do well to bear this in mind.

Centre Grey Is Organized For Baseball

To consist of five teams Ceylon, Markdale, Vandeleur, Flesherton and Dundalk.

The annual meeting of the Centre Grey Baseball League was held in Flesherton on Tuesday evening of last week to organize for the coming year. Five clubs were represented at the meeting and all decided to enter the league for the coming season. They are: Ceylon, Markdale, Vandeleur, Flesherton and Dundalk, and a chedule was drawn up to include these places. The officers elected for this season are: President, Mr. George Mitchell, Flesherton; 1st. Vice President, Mr. Geo. Hambury, Dundalk; 2nd Vice President, Mr. C B. Boland, Vandeleur; Sec.-Treas., Mr. Sam Buchanan, Vandeleur.

A new set of rules was drawn up at the meeting, as the N. W. B. A. rules followed last year were found not to be suited to the needs of this League. It was decided to use the D O. M. Balls for this season and with the 12 dozen balls bought by the league was to include a silver trophy to the team who wins the championship. We understand the trophy will be a permanent fixture to the League.

The umpires selected this year are, Art Wilson, Owen Sound; Arch. Vance Corbeton, and A. E. Colgan, Markdale.

The following is the schedule for the year 1922.

June	1	Ceylon at	Markdale
