Whatever the looking glass and the hour glass may do for women it is the beer glass which will continue to effect the figures of some males.

A Message of Importance
to Cream Producers

Since Ceram is an exceptionally good price, it is worth-while to maintain the maximum production of your dairy herd. Nothing will cut produrtion more sharply than the producing cows being left out during the unexpected cold nights. It is, therefore, advisable to stable the milch cows at night from now on.

Poultry

We are in the market for large quantities of poultry. We buy them alive or dressed, or do custom killing.

When I look at our Savings Bonds...
I see a modern kitchen

WHAT WOMAN doesn't want to improve her home . . . whether she lives in city or country? . . . Kitchen, bathroom, living room, playroom, verandah . . . there is always something that can be done to make work easier, life more comfortable. But such plans take money — and most women want to be sure they can be properly carried through before they start.

That means savings, and that's where Canada Savings Bonds come in. You may purchase up to $1000 in any one name. They are as safe as Canada, and may be cashed at your bank at full face value any time. They pay 2¾% interest for good measure, and are registered in the owner's name for protection in case of loss. They may be bought for cash or on easy instalments.

The whole family can get behind your plans to make your dreams come true with Canada Savings Bonds. Consult your bank or investment dealer today.

You'll never be sorry you saved!
