LINDSAY, FRIDAY, APRIL 19, 1889. PERFECT PEACE.

Peace, perfect peace, in this dark world of sin The blood of Jesus whispers peace with'n. Peace, perfect peace, by thronging duties pressed,

To do the will of Jesus, this is rest. Peace, perfect peace, with sorrows surging

On Jesus' bosom naught but calm is found. Peace, perfect peace, with loved ones far away: In Jesus keeping we are safe, and they.

Peace, perfect peace, our future all unknown; Jesus we know, and He is on the throne. l'eace, perfect peace, death shadowing us and

Jesus has van quished death and all its powers It is enough; earth's struggles soon shall cease,

And Jesus call us to Heaven's perfect peace. LOCAL NEWS-LETTERS

No. 1,410, North Verulam.—Dear Sir and Brother,—As it has pleased Almighty God to remove from your home your dear and beloved wife to that better home above, we, the members of said lodge, desire to express our sincere sympathy for you in this irreparable lose and ask you to kindly accept our deep sentiments to yourself and family. Although we cannot fully realise the depth of grief which must be yours, yet we are not entirely insensible of the extent of your your sad affliction, and respectfully wish to direct you to the assurance contained in many passages of God's holy word, that you may joyfully meet with the departed when done with earth and earth's trials in that heavenly land of rest, where parting is no more.

In Memoriam.

Bright smiles grew on thy wife's dear face, Now covered with the clay;
A loved one's tears dropped on each cheek
As parting life gave way.

Now she is gone her presence here Seemed but a passing wave, Like yesterday in love she smiled, To-day she fills a grave.

Grieved weeping friends, dry up your tears, Your burden cast on God, He but afflicts you for your good, Now kiss His chastening rod. Your bitterest trials are sent through love.

In meek expression say,
"Not ours, O Lord, Thy will be done,"
My darling take away. On behalf of the brothern, yours fraternally, CHRISTOPHER HEASLIP, D.M. EMERSON TIERS, F.S.

KILLED ON THE TRACK.—As No. [6 express was bowling along the line of the C. P. R. a few miles east of Havelock on Saturday the driver noticed the body of a man lying dead alongside the track. He stopped the train and the coppes was taken aboard and brought on to Havelock. The man had evidently been killed by another train, as the body was quite cold. There were rumors of foul play, to the effect that the man had been stabbed and laid on the track to hide the crime, but the report is not confirmed. The unfortunate man's name was Thomas Ovens of Springbrook, often spoken of as the Rawdon poet. It is supposed he was walking on the track and was struck by a night train, No inquest was held.—[Examiner.

Mr. Wilson was leaving the cometery after the funeral of Mrs. Moore, accompanied by Rev. Mr. Craigle. In descending the hill at the corner of the cemetery some buckle connected with the breeching gave way, allowing the buggy to close on to the horse, which being of a flery disposition immediately bolted. The more Mr. Wilson pulled on the lines the closer the buggy was held to the horse. Just before reaching the turn into the lane, the vehicle went into the ditch and threw out the occupants. Mr. Wilson struck a wood pile and was badly cut on the forehead. Mr. Craigie was shot out past the wood pile and was more fortunate, escaping with nothing more than a shaking up. The horse broke the traces and harness and galioped off into the village.—[Independent.

Minutes of the previous meeting were read and confirmed. The auditor's report was read and adopted. Fifty copies of the abstract statement will be printed. The auditors were paid \$4 each for their services. G. Tindail, road inspector, next reported that there was some fear of the new Burnt River bridge having the cover carried away by the high water in the spring, so he had been authorized to call for tenders to raise the piers in height. He did this. Arthur and Bert McCollis was the accepted tender and they had satisdid this. Arthur and Bert McCollis was the accepted tender and they had satisfactorily completed the work. The council now ordered the amount of \$20 to be paid. S. B. Alsop asked for \$4, for which he brought a certificate from the pathmaster of having done four days work on the roads. A former council promised him \$2 to open his road to his farm, and being absent last summer was unable to do his road work, but had done it since and also paid commutation tax. The amount was road work, but had done it since and also paid commutation tax. The amount was paid. The collector having given up his roll it was ordered that the salary, viz., \$35 and \$1 postage be paid. The assessor having nearly fluished his labors saked that his salary be paid on its completion. An order for \$15 salary and 50 cents postage was drawn and the clerk was instructed to hand it over when he received the completed rolls. The clerk was instructed to amend the 1888 collector's roll in the matter of R. Checkley's statute labor, which he had done in another beat than the one he was put in, and which was charged in his taxes. The late R. Lough failed to do one day's road work last summer and his son on application was allowed to work it out the coming summer inmer and his son on application was allowed to work it out the coming summer instead of paying for it. The clerk was paid for election nomination and registration, also going to Haliburton with list of nominations, in all \$6.60. There was a resolution passed asking that a license be given to John Gould. The reeve said that the result of his journeys to the tax sale at Mindea was that the whole of the lots offered realized the full amount of the taxes. It was resolved that he be paid \$10 for his work. The council stands adjourned till the fourth Saturday in June, when the court of revision will be held.

Oakwood. Jan. 16, 1889.— This is to certify that I have been troubled for a number of years with cough, cold and asthma, and will say without hesitation the Pine Tar Cordial was the only remedy I could find to give me any relief. I feel quite satisfied that were it not for Permi's Pine Tar Cordial I would be in my grave. It worth more than its weight in gold. I therefore take much pleasure in recommending it to any one troubled with the same disease. Yours truly,—EDWARD KING, Oakwood, Ont
