## *TERRIBLE RAILWAY ACCIDENT NEAR CLAREMONT.*

**A C.P.R. Engine goes through a Bridge—Five Men Killed—A Fatal "Washout."**

At one o'clock Wednesday morning a special engine, manned by J. Atton, driver, of Toronto Junction; F. Oliver, fireman, of Toronto Junction; and bearing J. Wanless, bridge inspector, Moriarity and Lott, section men and others were sent out from the Junction to inspect a bridge east of Claremont, which it was feared had been weakened by a washout, and to do repairing where it was necessary.

Shortly after that hour the engine while going at a high rate of speed ran through a trestle over a culvert between Locust Hill and Claremont and the five men whose names are given were killed outright. The wrecking engine was going east of Green river, now called Locust Hill, to examine the big bridge to see if the storm and washout had done any damage. The men had probably forgotten, or did not remember the existence of the culvert where the accident happened. It is twenty-five feet long and six or eight feet above the water. The water is twelve feet deep. The foundation must have been washed completely away, leaving just the rails and the supports across the chasm. When the heavy weight of the engine reached the culvert the track gave way, and down went the engine into the torrent below. The wreck was frightful. The men were pinned in the wreck, and the volumes of steam which rushed from the snorting locomotive burned and scalded the victims in a frightful manner. Their shrieks were heartrending, but their sufferings were short and they were drowned in a few moments.

The body of Bridge Inspector Wanless was the first recovered, and it was brought up on the train from Myrtle. It was taken off at the Parkdale station and taken to an undertaker's establishment for preparation for burial before being removed to the home of the deceased, 58 Melbourne avenue. The face was one mass of quivering red flesh, and the whole body was scalded almost beyond recognition. Mr. Wanless had just returned from Windsor Tuesday night when word reached Toronto of the floods down east, and without going his home he started down with the gang on the engine to examine the bridge at Claremont.

"I never saw such a sight as the body of poor Wanless," said Mr. Ted Gegg, who came down on the train from the Junction. "It was awfully burned. The face looks like a piece of bright red flannel."

The program will be furnished by the Cambridge-st. Methodist church choir. Let the building be packed to the very door.

**The Downeyville Pic-Nic.**

Year after year the annual Downeyville picnic grows in public favor, and the picnic held on Wednesday of this week is acknowledged to have been the most successful in every respect of any yet held. The day was a beautiful one—clear and sunny, but with a pleasant breeze abroad to modify the extreme heat. Lindsay and Omemee citizens attended in force, and greatly enjoyed the day's sport. All the arrangements were in the hands of energetic committees, and the best of good fellowship prevailed throughout the day. During the afternoon much interest centered in the contest between four young ladies of the parish for a $10 gold piece, contributed by Mr. P. J. Meagher of Lindsay, and their respective cavaliers were indefatigable in their efforts and unsparing of their purses to gain the victory for "their fair ladye." When the time for awarding the prize arrived, Miss Scully had $190.75 to her credit; Miss O'Neill, $131.50; Miss Herlihey, $104.75, and Miss Lucas, $74.50,—making in all $510 50. Miss Scully was of course awarded the gold piece amid the applause of all present. Following is a list of the winners in the different sports and games:

200 yard race—1 C. Ritchie, 2 John Scully.

Boy's race—1 Nelson McWilliams, 2 Timothy Lucas.

Running hop, step and leap—1 John Sullivan, 2 Frank Doran.

Running high jump—1 Thomas Crowley, 2 Michael Crowley.

Putting heavy weight—1 Bat Scully, 2 Walter Burns.

Three standing jumps—1 John Sullivan, 2 F. Doran.

Clog dance—1 Charles Meehan, 2 Frank Doran.

Irish jig—1 Chas. Meehan, 2 Geo. Curtin.

Taking everything into account Father Connolly will have realized about $800—nearly twice the total of any previous year.

**General Sporting Notes.**

—Much interest is being manifested in aquatic circles over the O'Connor-Stanbury race, which will be decided Monday.

—The pacer Johnston, 2.06¼, who was recently sold to E. C. Long of St Paul, will remain in Budd Doble's string this season, after which he will be retired to private life and provided with a comfortable home as long as he lives.

—The Dufferin Park races Tuesday and Wednesday proved very interesting and gave general satisfaction. The 2.32 event was won by Nina C. in straight heats; Volunteer second and Dan O'Connell third. In the three minute trot Patti won the last three heats of a six heat contest. Tobogan secured two heats and second money.

—The Peterboro Examiner says: "Mr. J. J. Daly of Lindsay is the owner of a promising two year old Phil Rysdyk colt. Wednesday afternoon the colt was given a trial of speed at the Peterboro driving park in the presence of a number of sports, and the youngster struck a four minute gait quite easily. Joe and his friends expect great things from him in the course of time'.......We are privately informed that Mr. Ed. Brown, who has the bay fellow in charge, has secured a copy of Marvin's great work and has become a disciple of that veteran trainer and driver, and will soon know all that can be acquired in regard to making sensational colt trotters.

—There appears to be a lack of enthusiasm and "gate receipts" in baseball circles throughout the land, and consequent hard times is the result. The International league is no exception, and managers of different clubs are forced to look for fresh fields in order to regain their fallen fortunes. The Buffalo club made a trial trip to Montreal, but all to no purpose, as no speculative gentlemen could be found ready to purchase the franchise. They have since been more fortunate and have unloaded on the good Michigan town Grand Rapids.......This week found the Hamilton club in the "soup." The directors have a shortage of some $6,000, and Manager Powell has been endeavoring to place the franchise in a more paying centre, with the result that the "Hams" go to Montreal, where with good management it is believed they will stir up more enthusiasm and better attendance.

**Collegiate Institute Notes.**

—Closing exercises will be held in the assembly hall on the evening of Friday, June 27th. Distribution of prizes, short speeches by citizens, essays and readings by students will constitute the program.

—The board of education at the last meeting decided that the semi-annual inspection of the collegiate institute should take place on Friday, June 27th. The public are specially invited to visit the school on that day to see the regular work.

—The result of the arts examination, held throughout the province last April, appeared in the Toronto papers last week. The Lindsay collegiate institute stands fourth in the province, having obtained one hundred and forty-eight diplomas. The list of successful candidates will appear later.

—The following pupils obtained honorable mention at last week's examination:

Second Class and Matriculation Latin.—J. M. Kennedy, S. C. Moore, Miss Neelands.

Second Class—Algebra.—A. M. Shaver, J. A. White, A. Bryson.

Second Class—Botany.—A. M. Shaver, A. E. Smitheram, G. Bateson, A. Bryson, Misses L. Staples, K. Buck, L. Myers, J. F. Robinson.

Third Class—Grammar.—J. Moffatt.

—There will be a cricket match on the Lindsay high school grounds on Saturday, 21st inst., between the Peterboro cricket club and the Lindsay collegiate team, as follows: Matthews, Marsh, Milner, Bigelow, Hudspeth, Hallett, Knowlson, Cliff, Barr, Porter, Montgomery. Wickets pitched at 10 a.m.

—Saturday last the second eleven of the Trinity college club, Port Hope, paid Lindsay a visit and a good game was the result. Although Lindsay had been defeated the traditional three times, they turned the tables on their opponents on this the occasion of their fourth meet, defeating the Port Hopers by ten wickets and three runs. Following is the score:

**The Royal Arcanum Concert.**

Good progress has been made in the preparations for the grand promenade concert to be given in the skating rink on the evening of Dominion day, under the auspices of Lindsay Council Royal Arcanum. The celebrated band of the Dominion Organ and Piano Co., Bowmanville, will play choice selections, and our best local talent will contribute. Particulars and programe in a day or two. Bear the concert in mind in plans for the national holiday. It will be a very attractive affair, well worthy liberal patronage.

**Railway Notes.**

—Sir Joseph Hickson passed over the Midland from Toronto eastward last Friday on a special. He stopped for a time at Lindsay and inspected the new station and other works, expressing his satisfaction with the state of things.

—Mr. A. T. Williams of Auburn, N.Y., died on Friday night, in the 71th year of his age. Mr. Williams was for fifteen years superintendent of the Midland railway, and was well known and highly respected by all his acquaintances. Deceased had been lying for the past seven weeks at the point of death, being stricken with paralysis.

**A Free Trip to Europe.**

The publishers of The Canadian Queen will give a free trip to Europe to the person sending the largest number of words constructed from letters contained in the name of their well known magazine, THE CANADIAN QUEEN. Additional prizes consisting of silver tea sets, gold watches, China dinner sets, portiere curtains, silk dresses, mantel clocks, and many other useful and valuable articles will also be awarded in order of merit. Webster's Unabridged Dictionary to be used as authority in deciding the contest.

This is a popular plan to introduce a popular publication. Everyone sending a list of not less than ten words will receive a present. Enclose thirteen 2c. stamps for illustrated catalogue of presents and three month's trial subscription to The Queen. Address—THE CANADIAN QUEEN, "a." Toronto, Ont.—6 6.

**Shooting Challenge.**

[To the Editor of THE POST.]

SIR,—Having heard considerable of late about the shooting of Lindsay marksmen, and noticing that the back country men were somewhat reflected upon, I have an offer to make. I will pick three men from this district and we're ready to shoot against Sam Hughes and any three men he may choose from the Lindsay volunteer companies for $50, terms to be arranged any time they wish to make a deposit to bind the bargain. Money talks and we've got the "spondulicks." JOS. T. THOMPSON, Reeve of Dalton.

Darkmore P.O., June 19th, 1890.

P. S.—As I heard, when in town, that the volunteers are going to Kingston, this offer will hold good for three weeks. J. T. T.

**Obituary.**

—It is again our sad duty to have to record the death of one of the most estimable citizens of Ops township in the person of Mr. James Meehan, who passed away in the prime of life on Sunday morning last after an illness of little more than a day's duration. A severe attack of inflammation of the bowels was the cause of death. The deceased had spent his lifetime upon the farm south of the town, his father having removed there from Hope township some 35 or 36 years ago with a family of four sons and three daughters, James being the youngest. Two of his sisters are married to Messrs. Denis and John Fitzpatrick of Ops, and the third is Mrs. P. Gunn of Lindsay-st., widow of the late P. Gunn of Ops. Deceased married about 17 years ago Miss K. Calvert of Ops, three boys and one girl being the fruits of the happy union. Deceased had an unblemished character for honesty and probity, and his every action was in accord with a strict sense of duty. The funeral took place Tuesday morning at 6.30 to St. Mary's church, and was one of the largest that ever entered the town.

**Little Lord Fauntleroy.**

The first presentation in Quebec of Mrs. Francis Hodgson Burnett's dramatic version of her charming story,—Little Lord Fauntleroy drew a crowded house last night at the Academy of Music. The performance was under the patronage of his excellency the governor-general, and its success will not soon be forgotten by those who listened to it. The "Earl of Dorincourt" by Mr. Carl A. Haswin, was an exceedingly clever bit of character acting that had been evidently studied with a great deal of care. Mr. James G. Peakes was remarkably good in the character of "Havisham," the solicitor; Miss Minnie Radcliffe, as "Mrs. Errol," threw a great deal of feeling into a difficult character and succeeded early in the evening in gaining the entire sympathy of her audience; "Minna," the adventuress, was splendidly taken by Miss Dorothy Rossmore, whose design was to supplant the legitimate "Lord Fauntleroy" by a child that had been abducted in America. Excellent, however, as were all the leading characters in the performance, the attention of the fashionable and critical audience was not unnaturally rivetted by the marvellous precocity and wonderful histrionic ability of the little dot that took the part of "Cedric Errol," Lord Fauntleroy. The phenomenal genius of the youthful performer elicited frequent rounds of applause. Everybody was filled with wonder at her extraordinary playing. Everyone of the minor characters was good and there is not a weak point in the entire performance. The scenery was striking and beautiful, and the appearance upon the stage of Lord Fauntleroy's pony and dog was an interesting feature of the performance.—[Quebec Chronicle, Tuesday, June 10th......The above company will appear in Bradburn's opera house Tuesday next, June 24th. See advt.

**Lindsay Board of Education.**

A special meeting of the board of education was held Tuesday evening in the council chamber. The members present were:—John Dobson, chairman; and Messrs. J. R. McNeillie, J. D. Flavelle, T. Stewart, John Kennedy, R. J. McLaughlin, R Kennedy, A. O'Leary, D. Ray, J. L. Dunsford and J. D. McMurchy. Communications were read by the secretary from Mr. Hardy, referring to the closing exercises of the institute, and from Mr. Church with reference to the teaching of music in the schools. The latter communication was referred to the visiting committee, and Mr. Hardy's request relative to having a closing exhibition in the assembly hall on Friday evening, June 27th, after some little discussion was acceded to. The secretary then read the report of High School Inspector Seath on the result of his last inspection of the institute. It was a constant repetition of A 1 in grading, and was very satisfactory to the board. Some communications were made as to limiting attendance to prevent over-crowding. The collegiate institute report for May was read, showing 305 pupils on the roll, and an average attendance of 235. The report for the public schools gave 816 as the number on the rolls, with an average attendance of 715. The finance committee's report was read by Mr. McNeillie and adopted; the chairman referred to the annoyance caused by people who have accounts against the board keeping them back for six months or a year, and it was settled that hereafter all accounts must be rendered quarterly. The statement of receipts and expenditures for the past year was ordered to be printed, town papers to tender for the same. The estimates for the current year will be presented at the next meeting. Mr. Head presented a statement showing that $256 75 had been collected in fees for May. On motion of Mr. Stewart, seconded by Mr. John Kennedy, that the name of Mr. D. Ray was added to the finance and managing committee. A deal of discussion took place upon the advisability of instituting the system of half-yearly public examinations according to statute made and provided, but finally it was arranged to do so. Friday, 27th inst., was fixed upon as the date when parents and friends may gather in goodly numbers at the institute. On motion Principal Harstone was granted permission to accept an appointment offered him upon the board of appeal upon examinations for Ontario, the duties of which will necessitate his absence for five or six days about the middle of September. The secretary was instructed to advertise for a classical master to fill the vacancy caused by the resignation of Mr. Milner. The salary was placed at $1,000, applications to be in by July 10th. The following complimentary resolution was submitted early in the evening:—

Moved by Mr. McNeillie, and seconded by Mr. O'Leary, that this board in accepting the resignation of Mr. W. S. Milner, desire to place on record an expression of their great regret that his services cannot be retained. Mr. Milner has filled the position of classical master of the Lindsay collegiate institute for the past five years, the duties of which he has discharged to the entire satisfaction of the board, and with great credit to himself and advantage to the school. During the time Mr. Milner has been a member of the staff the institute has rapidly risen in public favor, and the board realizes that this result is due in no small degree to the excellent quality of Mr. Milner's work and to the influence of his high personal character. In parting with Mr. Milner the board would assure him that they wish him continued success in his life work, and that they look forward with confidence to his obtaining a higher position as an educationist in the new and wider field for preferment that he is about to enter upon.—Carried.

## COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST, }
LINDSAY, June 19, 1890. }

**Toronto Live Stock Market.**

Receipts at the western stock yards last week were 1,662 cattle, 368 sheep and lambs and 634 hogs. Tuesday 38 loads came in, including about 160 sheep and lambs, 150 hogs and the same number of calves. There was no particular feature to the market Tuesday, although a steady business was doing and prices were maintained with a tendency towards firmness in the case of small stock, offerings of which were small. Grass-fed cattle are beginning to arrive, but the bulk of the cattle supply still consists of grain-fed animals. The latter are in most request, and bring the best prices on account of their better color and condition. The market was pretty well cleaned up early in the day.

Export cattle—There was a fair amount of buying going on, principally by those exporters who have space that must be filled. There is little disposition on the part of those who have not space to purchase and some of the smaller exporters have gone out of the business altogether, having lost so heavily. English cables are still unfavorable, speaking of overcrowded and weak markets, and shipments now arriving are sure to lose money to the shippers. All the export stuff that came in Tuesday was wanted, and perhaps a little more would have sold had it been here. Some of the cattle have been removed from the byres and sent forward. The range for good export stock was 5½c per lb, with inferior selling at $4.85 to $5. The best price paid was $5 30 per cwt for three loads by Flannigan & Aiken. Representative sales were:

| | | | |
|---|---|---|---|
| 18 cattle, | 1,420 lbs | $5 30 | per cwt |
| 21 " | 1,197 | 5 30 | " |
| 23 " | 1,235 | 5 30 | " |
| 20 " | 1,220 | 5 00 | " |
| 18 " | 1,265 | 5 12½ | " |
| 2 bulls, | 1,750 | 4 25 | " |
| 22 cattle, | 1,030 | 4 85 | " |
| 19 " | 1,261 | 5 12½ | " |
| 19 " | 1,066 | 5 12½ | " |
| 8 cattle, | 1,300 | 5 25 | " |
| 9 steers, | 1,230 | 4 75 | " |
| 3 " | 1,330 | 4 62½ | " |

Butchers' cattle sold about as before, all offerings seemingly being wanted at steady prices. The Montreal market was unfavorable and there was no buying for there. Grass fed cattle sold at 4c to 4½c for best and 3½c to 3¾c for inferior. Grain fed were quoted at $4.50 to $4.85 per cwt for good and 5c per lb for choice, with inferior at 3½c. Among the transactions were:

| | | | |
|---|---|---|---|
| 29 cattle, | 745 | $00 04½ | per lb |
| 29 " | 970 | 00 04½ | " |
| 20 " | 1,000 | 0 04 | " |
| 17 cattle, | 1,100 | 49 00 | per head |
| 1 cow, | 800 | 32 00 | " |
| 6 cattle, | 943 | 00 04½ | per lb |
| 11 " | 1,080 | 4 45 | per cwt. |
| 20 " | 1,125 | 00 04½ | per lb |
| 10 " | 925 | 37 00 | per head |
| 10 " | 950 | 0 04 | " |
| 19 " | 1,000 | 0 05 | " |
| 5 " | 950 | 0 04 | " |
| 16 " | 1,009 | 0 04 | " |
| 5 " | 1,100 | 0 04½ | " |
| 21 " | 1,075 | 0 05 | " |
| 21 " | 1,000 | 0 05 | " |

Sheep and lambs—Butchers' sheep were rather scarce, and were wanted. The few that came in sold readily at $5 to $6 each. Shipping sheep have been picked up at around $7 each. The first lots exported to the old country have sold at figures that will yield a profit to shippers. Spring lambs are in fair request at $3.50 to $5 each. Some sales were:

| | | |
|---|---|---|
| 51 sheep, 150 lbs | at $7 00 | each |
| 10 lambs | 4 00 | " |
| 26 " | 4 50 | " |
| 33 " | 4 50 | " |

Calves sold steadily and at full prices. The demand is quite active for any really good stock and all that came in Tuesday were wanted. Medium calves sold at $3 to $4.50, and good from $5 to $7 each. Among the sales were:

| | | |
|---|---|---|
| 31 calves, 125 lbs | at $5 75 | each |
| 65 " 148 | 5 50 | " |
| 22 " 150 | 5 25 | " |

Milk cows are in steady request, with offerings not over large. Prices range from $35 to $50 each. Two sold at $40 each, two at $35 and three at $42 each.

Hogs sold fairly well, but the market is without feature. The best price paid Tuesday was $5 25 per cwt weighed off the cars. Fat are quoted at $5 to $5 12½, and stores at $4.50 to $4.75. Rough sows sell at $4.50. Among the transactions were:

| | | |
|---|---|---|
| 11 hogs, 180 lbs | $5 00 | per cwt |
| 10 " 200 | 5 12 | " |
| 63 " 170 | 5 25 | " |
| 42 sows | 4 50 | " |

**Toronto Wool Market.**

The receipts of fleece have been liberal this week and prices unchanged. The best fleece brings from 20c to 20½c and clothing 23c. Pure Southdown brings 24c, with offerings small. Pulled wools dull, with supers quoted at 23½c to 24c and extras at 28c.—[Globe.

# The Royal Canadian

**INSURANCE COMPANY**

vs.

***THE LONDON MUTUAL***
**FOR FARMERS.**

The Royal Canadian offers the following advantages over the London Mutual:

1. If a building worth $1,200 is insured for say $1,000, the Royal Canadian is obliged to pay $1,000 if a loss occurs. In such a case the London Mutual is obliged to pay only two-thirds of the cash value, or $800.

2. If a horse worth $90 is killed in the fields by lightning, the Royal Canadian is obliged to pay $90. The London Mutual pays only $60.

3. For a cow worth $30 killed by lightning the Royal Canadian pays $30. The London Mutual pays only $20. For other animals the Royal Canadian pays the full value. The London Mutual pays not more than $5, no matter how valuable the animal may be.

4. In the Royal Canadian animals are insured against lightning while at pasture anywhere. In the London Mutual they are insured while pasturing on the premises of the insured only.

5. When articles are insured specifically, such as musical instruments, the Royal Canadian is obliged to pay the full amount insured up to the cash value of the article. The London Mutual pays only two-thirds of the cash value, no matter what the insurance may be.

6. When "ordinary contents" of out-buildings are insured by the Royal Canadian ALL implements are included. In the London Mutual only one reaper and one mower are included, no matter how good others may be.

7. When the outbuildings are not joined to each other the Royal Canadian insures under one sum the "ordinary contents" of all buildings not cut off by a distance greater than 10 ft., the same as if the contents were all under one roof. The London Mutual requires a separate sum on the contents of each building, if the distance is more than 12 ft. This is a very important difference in many cases.

8. In the Royal Canadian it is a part of the contract that standard STEAM THRESHERS may be used without a special permit and without any restriction as to the distance from stacks or buildings, caretakers, pails of water, kind of fuel or direction of the wind. Many of the policy holders in the London Mutual were obliged to run their own risk while threshing last season, because it was found to be impossible to comply with the conditions of their permit. When a farmer pays for insurance he should secure a policy which will hold him safe when it is most required.

9. The Royal Canadian is obliged to pay its losses within sixty days and usually takes much less. The London Mutual need not pay for ninety days, and since it has become so hard up as to be obliged to borrow money largely it usually takes about the full time allowed.

10. The Royal Canadian is subject to the statutory conditions only. It has none of the numerous variations against the policy-holder printed in red ink on the back of the London Mutual policy.

11. As to security, the inspector of insurance reports that the Royal Canadian has $202,758, the amount he estimates to be necessary to enable the company to carry out all its engagements with its policy-holders. Besides this he reports that it has to the good the $400,000 capital paid in cash by the shareholders, and a net surplus of $117,607, making in all a total cash surplus of $517,607 to protect its policy-holders against unexpected contingencies. In addition to these cash items it has a subscribed capital of $100,000 not called up. Regarding the security of the London Mutual, the inspector reports that the amount of unearned premium it should have on hand is $230,309. To make up this amount in cash a second call would have to be made on the premium notes for a large amount, leaving a surplus of only $74,218, even if there were no bad debts, and this surplus is made up wholly of unpaid balance of premium notes already heavily assessed. The company reports the losses adjusted but unpaid at the close of the year at $6,287, but the inspector of insurance finds the liability for unpaid losses at the end of the year was $20,236. The cash on hand to pay these losses amounted to only $13,911.

In view of the foregoing facts farmers will have no difficulty in deciding as to the company in which they should be insured.
