Planting A Tree

What do we plant when we plant the tree?
We plant the ship which will cross the sea,
We plant the mast to carry the sails
We plant the planks to withstand the gales—
The keel, the keelson, the beam, the knee,
We plant the ship when we plant the tree.

What do we plant when we plant the tree?
We plant the houses for you and me,
We plant the rafters, the shingles, the floors,
We plant the studding, the laths, the doors,
The beams and siding all parts that be;
We plant the house when we plant the tree.

What do we plant when we plant the tree?
A thousand things that we daily see;
We plant the spire that out-towers the crag,
We plant the staff for our country's flag;
We plant the shade from the hot sun free,
We plant all these when we plant a tree.

—Henry Abbey

Hello Homemakers! One serving of potatoes daily is a rule in the fice-star plan of good nutrition. Thank goodness, we can still talk tbout their food value without cringing at the thought of expense. We, who have been able to store potatoes during harvest time are more fortunate. Even though it takes time we should pick over the "cobblers" and pluck off any sprouts at this season of the year.

Now, we cannot tell any homemaker much about cooking them except to remind her to cook only until done—25 mins. for whole medium potatoes boiled in their jackets.

SPICED CREAM POTATO SOUP

2cups diced potatoes, ½ cup celery leaves, 1 clove garlic ½ tsp. chili powder, 1 tsp. salt, 2 cups water, 2 tbsps. dripping, 2 tbsps. flour, 3 cupc milk.

Cook potatoes, celery, garlic and seasonings in water until vegetables are tender. Melt dripping, blend in flour; add milk gradually; cook, stir ring constantly. Add to potato mixture. Take out garlic and celery leaves and cerve. Six servings.

PUFFY POTATO LOAF

4 eggs, separated, 2 cups mashed potatoes, 1 large onion, ½ cup diced bologna, fat dripping, salt and pepper,

Use Grade B or cracked egge. Add egg yolks to potatoes and beat well. Beat egg whites until stiff and fold into potatoes. Brown onion and bologna in fat and add also. Season and pour into greased casserole. Bake in slectric oven at 400 degrees for 30 to 35 minutes. Serves 5.

MASHED POTATES WITH SOUR-CREAM ONION SAUCE

4 peeled, cooked potatoes, 1 tsp. salt, ¼ tsp. pepper, ¼ cup flour, 1 onion, minced, 3 tbsps. dripping, ½ cup potato liquid, ½ cup sour cream, ¼ cup grated cheese.

Mash 4 left-over potatoes with ½ cup of potato cookig water. Add salt, pepper and flour. Pat into a greased casserole; add a minced onion which has been browned in dripping and the sour cream. Top with grated cheese. Bake in electric oven at 350 degrees for 15 mins. Serves 4.

Concluding the Sunday school lesson with a clinching question, the teasher asked, "Why did Noah take two of each kind of animal into the ark?"

"Because," answered a bright lad, "he didn't believe in the stork."

NOTICE TO TRESPASSERS

Trespassing on Lots 33 and 34 Con. 12, Artemesia, strictly prohibited. Any person found trespassing on the property will be prosecuted.
