Band Re-organized

The Flesherton Citizens' Band was re-organized at a meeting of the business men of town on Tuesday evening of last week. A subscription list was taken around the village in the afternoon of that day and money to the amount of about $110 was given. It was decided to overhaul the instruments and get them in shape and if any money is left over to get a couple more pieces. A band is one of the best ways to help a town along and is a good advertisement. A few years ago Flesherton had one of the best bands in this part, but when the war came the band was disbanded and is only now being resurrected. The following officers were elected:—Pres., D McTavish; 1st vice, G B Welton; 2nd vice, J. Runstadler; Sec. S.E. deCudmore; Treas., Geo. Mitchell; Manager, W. A. Hawken; Band Master, Cliff Blakely; Band and Citizens' Com., M. Wilson, C Blakely, R. Down and John Wright; Trustees for Instruments D McTavish and G. B. Welton; Jos. Field, Drum Major. If there are any band instruments out that are not traced please notify the Committee at once.

Did we do it? Well we should guess! Markdale came down with all their battery of rooters with the one intention of cheering a bit, throw the ball around to see how it would feel like and then go home with rejoicing with having won the game. But their sweet dreams, like dreams always are, we exploded with such suddenness that we believe that they are rubbing their eyes yet with surprise over what happened. Even though Flesherton did lose their last six trys they still had a kick that landed Markdale down the rung a bit instead of landing them a tie with the two leading teams. Of course they would say that it was the fault of the umpire but yet all said and done the blame can't be placed there, but on the whole team who weren't batting and Mercer didn't pitch his regular game by any means. Flesherton began right off to win the game by blocking Markdale in the first two, while they put in 1 in the 1st and after hitting Mercer for three two baggers in the second put over two more, adding three more in the third, Mercer retiring here in favour of Bowler, the visitors securing their first then and one each in the fourth and fifth. Alcox was pitching superb ball all the time and Markdale seemed to be dazed with speed of his balls. Flesherton was blanked in the next three innings Markdale getting three in the sixth and seventh and having a lead of one run on the locals then. Thurston got in the last half of the 7th tying the score. Boyd and Howard hit safely when Dow, the hero of the day, smashed a home run over the right field fence, the ball losing itself. Flesherton added another in the eighth. Markdale woke up in the 9th and went wild with the bat for a minute or so and ran in four runs, again having a lead of one run on the homesters. Victory seemed sure to them then. Mercer came back in the box again in the 9th and it was then the game was lost to the Redmen; when the first two men hit safely, the next man struck out and Alcox landed in the ball for a double to left field, scoring the two men and winning the game, It was a great victory for the closing of the league season as far as Flesherton is concerned and although the game was not needed to boost our average, it taught the Red Men from the north not to count their chickens before they are hatched.

Dow played a perfect game with the bat, hitting every time up securing two doubles, two singles and a home run. S.E. de Cudmore came across with the $ promised for every home run on the Flesherton grounds.

Dundalk and Ceylon are now tied for first place in the league, while Vandeleur and Markdale are tied for second. It is anybody's championship yet, as each team has two games to play.

Dundalk went to Vandeleur on Thursday with the idea of trimming the Vans and succeeded very well, winning by a score of 19—10 before a large crowd. It was a poor game from the third inning on. In the 9th Dillon for Vandeleur hit a home run to centre field scoring a man ahead of him. We thought that it would be a good game but Dundalk ran wild with "Buck" and hit him all over. D Graham relieved him in the 6th and turned in a fairly good game.

Score by innings:—

Dundalk —2 0 6 1 4 0 1 3 2—19
Vandeleur—1 0 0 1 0 4 2 2 0—10
