Markdale Won 14-13

Markdale put a crimp in Dundalk's aspirations for the silver cup when they defeated the Shamrocks in Vandeleur on Thursday last by the close score of 14 to 13 in a good steady game, before a fairly large crowd, sat themselves as favorites for the championship of the league. The "Reds" played a steadier game than Dundalk and deserved to win on their playing, although Dundalk had two good innings when they hit Mercer hard for big scores. Markdale started off with two runs, while the Shamrocks secured one, and added another one in the second. Dundalk took the lead here with six runs and two players were on bases when the inning ended, but then they slumped badly and no runs were scored until the eighth, when they added one. Markdale in the meantime were crawling up by adding two in the third, one in the 5th and took the lead in the 6th with two runs coming over. In the 8 h Markdale began in earnest to sew the game up for themselves by adding six more, which ended their scoring, four of their wins coming in before there was a man out. Several mi-judgments in play by Dundalk players in this inning was their undoing. Not to be kept down, the Dundalk Kings of Swat took a shorter hold on the bat and the fireworks commenced in the last inning when five runs came in, Mel. Thompson hitting a home run over the left field fence and sent two men ahead of him. Dundalk's last run resulted from J. Blackwell coming home on H. Blackwell's hit. McAlister was an easy out at first and the game was won and lost.

Markdale—Dundas, Beard, Bowler, H Mercer, Murdock, Beaton, Sims, C. Mercer, Tuck.

Dundalk—M Thompson, J Blackwell, Claridge, H Blackwell, McAlister, Armstrong, C Thompson, Russell, Ridley, Carson.

Score by innings—

Markdale— 2 1 2 0 1 2 0 6 0—14
Dundalk -- 1 6 0 0 0 0 5 1 5—13

Batteries—Mercer and Bowler; Arm strong, H Blackwell and Russell. Umpire—Wilson.

Owing to unavoidable causes the ball game which was to have been played in Dundalk on Monday between Markdale and Vandeleur was postponed until this Thursday. If Markdale wins this game they will have won the championship for 1922, but otherwise there will be another tie, with each team having one and lost a game.

W. H. THURSTON EDITOR

THE LIGHTING QUESTION?

When the Ontarto Government passed the anti-glare law it made no provision for its enforcement, and the result is that it is more honored in the breach than in the observation. This is the case in this district at all events, and what is true here is doubtless true all over the province.

Any evening an observer who will stand on our streets will find cars passing that are not complying with the law—tail lights out, only one light in front, and lights that are not set to eliminate the glare at all. The other night we saw a car leaving town that had no light, front or rear. How the driver expected to get home without mishap on a dark night was a conundrum we could not solve.

The elimination of the glare light appears to have been left to individual motorists, and few, very few, understand how to pitch their lamps at the proper angle to comply with regulations, and night drivers are still continually met with lights that blind them in passing.

Somebody in every town should be empowered to see that cars are correctly equipped, with a small fee for issuing a certificate. There should be a penalty for changing of lights after such certificate was issued.

Again, all vehicles should be equipped with lights, otherwise they should be made responsible for any damage that might result from non-compliance.

WHY?

Why all the unveiling of monuments on the Sabbath day? Is the public of our sister towns too busy to attend to this labor of love on an ordinary work day? The old fashioned Sabbath observer looks on it with disfavor. But then fashions in Sabbath observance appear to have changed mightily since the advent of the automobile.

NOTES

How about some more street lights on the market square? The square is inadequately lighted now and if a few dollars are spent on a couple more lights, a big improvement on the main street at night will result.

Turkey has come back to Europe, but is not yet general on the Xmas table.

Artemesia Sunday School Convention

The annual Sunday School Convention of Artemesia Twp. was held in Mt Zion Methodist church on Thursday, Sept. 21. Mr. W. Bunt conducted the devotional exercises and spoke briefly upon the importance of the Sunday School work. He then introduced the representative from the Ontario Religious Education Council, Rev. W. P. Fletcher. In the course of his address he contrasted the ways and means of the development of the spiritual life. He emphasized the necessity of trained teachers in every Sunday School, and to provide for this leadership he advocated a Teacher's Training Class in every school in the township.

After his address many interesting questions were asked by the delegates regarding some of the difficult problems they were finding in their respective schools.

The Revs. Dr E. H. Gray and F. N. Bowes were expected to be present and address the Convention. In their absence Mr. Fletcher spoke again in the evening upon the C.G.I.T. and the C.S.E.T. programs for the teen age boys and girls. It is universally admitted that no country in the world has such a good program for boys and girls as Canada has.

The following is the list of officers of the Township Association for the coming year:—Pres., W. H. Bunt; Vice Pres., Jos McKee; Sec.-Treas., Howard Graham; Supt. Children's Dept., Miss C. Henderson; Boys Dept., Harry Leslie; Girl's Dept, Mrs W. A. Armstrong; Adult's Dept, Mrs. T. R. Mackenzie; Home Dept., Mrs. Wellington Graham; Missionary Dept, Mrs. A. Cameron; Temperance Dept, Miss Roy.
