There was a great big spinster, a middle-sized spinster and a little bitta spinster. They came home one night and the great big spinster looked in her room and said "Somebody's been sleeping in my bed." The middle-sized spinster took a look and cried, "And somebody's been sleeping in my bed." Then the little bitta spinster looked in her bed and yelled "Whoopee!"

Little girls choose dolls for toys,
While soldiers are the choice of boys;
But when they're grown up you'll find
That each has had a change of mind.
The girls prefer the soldiers then,
And baby dolls attract the men.

Teacher: "Junior, I am surprised. Do you know any more rude jokes like that?"

Junior: "Lots, teacher."

Teacher: "Well, stay in after school."
