Coal Arrived Last Week For Flesherton

Two Cars With Total of 118 Tons to Sell at $18.50 per Ton

At last the fuel problem of Flesherton citizens is seeing the light of day, as two cars of coal arrived at the station consigned to F. W. Duncan and F. G. Karstedt. The former's car consisted of 51 tons of egg coal, while the other car was of 67 tons nut coal, both of good quality. It is expected that the price of this coal, delivered, will be $18.50 per ton or $17.50 at the station. Mr. Duncan informs us that he has another car of egg coal on order and expects it to arrive in three weeks. This is the first shipment to Flesherton this year and will alleviate most of the anziety felt over the fuel problem.

Breen—McGowan

November ushered in a pretty town wedding when at 12 noon on Wednesday the marriage was solemnized, by Rev. W. Hunter, B.A., of Miss Jean May (Bea) McGowan, eldest daughter of Mr. and Mrs. John McGown of Durham, Ont., to Mr. William George Breen, formerly of Wingham but now holding a lucrative position with the Hydro Electric Commission.

The wedding was of a quiet nature. At the appointed time the young couple, unattended, took their places and answered the solemn questions propounded by the bride's pastor.

The bride was attractively gowned in whirlpool blue silk with lace trimmings and wearing a corsage bouquet of pink roses. Her going-away dress was of brown chiffon velvet, and with this went a heavy brown velour coat trimmed with fur, and chic hat to match.

The house wore a festive air for the occasion. The down stair rooms being decorated with white streamers, bells, pink carnations and myrtle.

After the ceremony and good wishes, all entered the dining-room, which was decorated with white streamers, pink and white carnations and roses. A beautiful four story wedding cake adorned the centre of the table. When all had partaken of the sumptuous wedding dinner, Rev. Mr. Smith proposed a toast to the bride and groom, which was replied to by the groom in a very fitting manner.

Those present outside the immediate family circle being: The bride's grandmother Mrs. Robt. McGown; Mr. and Mrs. W. A. McGowan; Mrs. W. H. Smith; Miss Ottillie Limin; Miss Elvin Schuts and Mr. Bert Barber; the groom's mother, sister and two brothers from Wingham.

The bride received many costly and beautiful gifts, among them being a handsome silver tea service. The young people of the town gave a very large kitchen shower at the Limin home on Monday evening last. The young ladies Auxiliary of the Presbyterian church visited her home on Friday evening last and showered her with many pretty handkerchiefs.

The young couple left on a short motor trip and on their return will reside in town.

Levelling Park Grounds

Considerable work has been done under direction of the Women's Institute the past week on the Memorial Park grounds facing Sydenham street when a number of teams were engaged levelling the ground. All the work is being done gratis and if the weather holds good expectations are for the finishing of that work this fall. It is hoped that next summer a tennis club will be formed and a couple tennis courts made in the Memorial Park for the enjoyment of the young people. The Park has not been made just for an ornament, but to give enjoyment to the people of this district, and a tennis club could be formed with courts in the Park to provide both recreation and amusement for the young people.

There Were Disturbances

Geo McTavish and a representative of The Advance attended a radio "seance" down at the power house one evening last week. The boys at the power house chipped in some time ago and purchased a first class receiving outfit, which means a cost of about $125. With this they have had a great deal of enjoyment for the past few months. Lexington, Kentucky, Boston, New York, Chicago, and the State of Georgia have all contributed to the programs that have been destinctly heard over this outfit. On this occasion there was something wrong, a technical explanation being given that we could not pretend to follow. We hope to attend another when the electrical trouble on the power system will have been eliminated.

Some of the love letters written by the old boys would indicate that hardening of the arteries is less to be dreaded than softening of the brain.

Presentation of Silverware To Recent Married Couple

On Thursday evening of last week the home of Dr. and Mrs. E. C. Murray was the scene of a shower by the people of Flesherton for Mr. and Mrs. C. N. Richardson; who were married a few weeks ago. The presentation consisted of a beautiful silver serving sett and a kitchen shower of small articles, each piece being accompanied by a verse of poetry. The dining room was tastefully decorated with white ribbon streamers. An arch of evergreens was erected in one corner of the room, under which were two figures representing a bride and groom. The articles for kitchen use were tied on the evergreens and it was the duty of the groom to hand each to he bride and she to read the verses, which caused much merriment.

The Citizens Band, of which the groom is a member, serenaded the young couple on their way to the scene of the festivities and also rendered a few pieces there to the enjoyment of all. The bride and groom were completely taken by surprise and expressed their appreciation of the gifts. The evening was thorougly enjoyed by all. Lunch was served at the close.

While cleaning some clothing from a pan of benzine, Clarice Simmonds, Yonkers, N.Y., was overcome by the fumes and fell into the pan. She was found dead, face downward in the benzine.
