Thanking my friends and castomers for their support in Hal-

tomers for their support in Hallington, I beg leave to state that I have been requested to go to Minden for the purpose of repairing Watches, Clocks and Sewing Machines. Will leave about the 7th of April, and will stay there till further notice.

NOTICE—I have decided to remain in Haliburton instead of going to Minden as above.

It is said that the Minister of Education will introduce a bril at the next session of the Legislature to make a holding of the elections for councilors. Should the runner prove true there will be much more intensect taken in the ciecture of these important of didals than is how the case. Be little interest is generally manifested in the election of frustees that it is no exceptional thing to see candidates running around to get enough voters up to the nominations to do the moving and second-ing.

Whitby is highly excited over the amorous propensities of George Story, a young men from Linday. Story had been in the town for a few weeks, and filled every position in the salvation army except the captainoy. He could beat the soul-stiering drum in a manner that would win him distinction is a fife and drum corpe. Story accompanied his exhortations at times with sand jigs, and he was one of the drawing carde in the army. A fether and mother mourn the loss of a daughter, and the propriety of the Ontario house mourne the base of a board bill. Story has shipped out with a young lady who has taken a promisent part in the army proceedings. She was well known in the fown and her escapade has caused a great deal of gossip. great deal of gossip.
