Mt. Forest Bank Looted By Burglars

Mount Forest Dec. 15.—What were evidently experienced burglars made a descent on Mount Forest between 2 and 3 o'clock this morning, and, while they did not achieve all they set out for, they got away with the contents of safety deposit boxes in the Royal Bank to an unknown extent. The thieves broke in a rear window of the bank, after smashing several bars which were on the outside, and on gaining entrance they proceeded to blow up two safes which contained the bank's funds.

They were not successful in getting at the cash in these safes, but they did get into the safey deposit boxes, which were situated in another part of the room. These they appear to have cleared out of all that was of any value, including bonds of all descriptions. Just how much booty thay succeeded in getting away with is not known, but they certainly did the job up completely.

There is no trace of the bank robbers, but it is presumed they travelled in a speedy car, and, in order to secure their safety in case of detection, they cut the telephone trunk lines. It was consequently not until some time later that news of the affair was sent out. Provincial police are working on the robbery.

Priceville—The rise in the price of oats last week made farmers smile. At 25 cents a bushel there is some chance at making a living but when the consideration drops to 17 cents, the outlook is very discouraging.
