Methodist Concert

The Methodist Sunday School New Years entertainment was probably the most successful from a financial standpoint ever held in the church, the proceeds amounting to $120. Last year the proceeds were $104, the admission being 25c., while this year it was 35c.

There were abundant eatables of the best and everybody did justice to them. The program in the auditorium was somewhat different from others, in that half the time was taken up with a play called, "The Key to Jack Canuck's Treasure-House" in which a large number took part, both old and young. There was also a very pretty little dialogue called, "The Sand Man," in which the smallest tots in the school starred. The Hawaiian orchestra also assisted with a couple of numbers. Mr. W. H. Bunt, ex superintendent, presented Mrs C. N. Richardson, on behalf of the school, with a handsome bouquet of roses, probably just as a reminder of her recent marriage. Mrs. Richardson has been a willing worker in the school. The school is in a prosperous condition under the superintendency of Mr. W. Miller.

Glenelg Man Fined $500 And Costs

A trial was held in the town hall on Tuesday evening in which Otto Konold of Glenelg was charged with breaking the Inland Revenue Act by having in his possession a mash suitable for the manufacture of liquor and also for breaking the O.T.A. He was found guilty on both charges and fined $300 and costs or six months in jail with hard labor on the first and $200 and costs on the second charge.

The charges arose from the search of the defendant's premises on Friday, Dec. 29th, 1922, when 120 gals of hard cider were found in the house and a barrel of mash in a root house across the road from his dwelling. This mash was made from the hard cider and contained 14.3 per cent. proof spirits. Konold claimed he did not know anything about the mash at all except that it was used for spriekling on sweet clover. He claimed that it was msde by a former employee by the name of Hutchinson. The case was clear cut and the above fine was imposed. Magistrate Creasor prosecuted, while W. H. Wright, K.C. was lawyer for the Crown. Mr. Johnston, Inland Revenue officer, gave evidence.

Presbyterian Church Notes

"When all the Temple is prepared within,
Why nods the drowsy worshipper outside?"—Omar Khayyam.

Next week is the week of Prayer, which is being observed all over the Dominion. There will be a special union prayer meeting every night. On Monday, Tuesday and Wednesday the meeting will be held in the Presbyterian church, and on Thursday, Friday and Saturday in the Methodist church. These will be the most important meetings of the whole year, and everyone should make an effort to be there.

Next week the Young People's Guild will meet at the Prayer Meeting on Tuesday evening.

We regret that Mr. Frank Chard has resigned from the office of Superintendant of the Sunday School. He has given the School the best of leadership for mank years, and through his influence and work the School has been the recruiting agent for the Church. We appreciate his good and faithful services, and are glad that he will still have a class in the School. Mr. Jos. E. McKee has been appointed in his place and will take charge next Sunday. We are anticipating a record attendance next Sunday to welcome Mr. McKee and we are bespeaking the enthusiastic support of all the scholars and teachers during the coming year.

Methodist Church Notes

A special service was held on Sunday morning last when the Sunday School furnished the choir and a special sermon was given by Rev. J. H. Oke, pastor, on "I am the door." The collection taken was for School purposes.

The Y.P.S. will not meet on Monday evening, as prayer meeting is being held in the Presbyterian church, it being the week of prayer. It is expected there wil be a sleighing party on Monday evening, January 15.

A special week of prayer is being held next week—Monday, Tuesday and Wednesday in the Presbyterian church, and Thursday, Friday and Saturday in the Methodist church. Let everybody attend these meetings.

Rink News

Skating on Monday afternoon was real good. A fairly large crowd was in attendance and the band furnished good music.

It is expected that the band will furnish music two nights every week, one night anyway—Friday.

The hockey team is rounding into good shape and some real games are expected this winter. A number of new men in town will strengthen the team considerably.

A hockey game is announced for this Thursday night between the bankers and the town. These are two good teams and should create quite a bit of interest. Game called at 8 o'clock.
