Case of Intoxication

A case of intoxication occurred recently at a farm south of the village which it would be well for Inspector Beckett to investigate. The farmer in question threw some decayed apples into the hen house for his chickens. Later the results of the fermented juice from the apples had a curious effect, and roosters and hens were unable to keep their equilibrium. Loud were the crows of the roosters all night long in their glee at being able to get a kick out of life.

Death of Robt. Buchanan

Mr. Robert Buchanan, another of St, Vincent's old and respected residents was called away on Wednesday morning of last week in the 75th year of his age after a long illness due principally to kidney trouble, part of which time he was confined to his bed.

Mr. Buchanan was a Canadian by birth but of Irish descent, and lived at Vandeleur for about 50 years, following the occupation of farming, at which he is said to have been very successful. He and his family went west about ten years ago, but the deceased returned three years ago to reside with his daughter, Mrs. Robert Kearney on the third line of St. Vincent, where he died.

Mr. Buchanan was a member of the Methodist Church and took great interest in its work. For some years he was superintendent of the gravel road Sunday School. His chief aim in life was to influence the minds of the young for good in order that they might become useful instruments in God's hands for making known to others the true road to eternal life.

Mr. Buchanan leaves besides his widow residing in the West, two sons and five daughters; Robert and James of Moose Jaw; Mrs. Robins of Lawson, Sask.; Mrs. Byers of Moose Jaw; Mrs. Prince of St. Thomas; Mrs. Robert Kearney of the third line and Ruby at home. He also leaves three brothers: William in Toronto, and Jos and John at Vandeleur.
