Well To Be Careful In Buying Stocks

Some stock salesmen have been soliciting orders for stock in a concern that is said to have deposits of silica rock from the Manitoulin Island that assay 90 per cent. pure glass. It would be well for anyone, before investing any good money in the proposition, to get the fullest information on the subject. It is understood that these salesmen are operating in the Flesherton vicinity.—Sun-Times.

Can Ontario Stand This?

Ottawa, Feb. 28,—Of the 60 miles of Dundas street between Toronto and London, which comprises part of the Provincial highway, only about eight miles has been completed, according to information given to the House at the request of Dr. R. K. Anderson (Conservative, Halton). The following sections of Dundas street form part of the highway:

From the intersection of Bloor streets, Toronto, to Clappinson's Corners, 29.1 miles; from the village of Thamesford to the east limit of the city of London, 11.1 miles; total, 59.9 miles. Of this 7.8 miles have been completed.

The amounts paid to the Province of Ontario on account of work done on the three sections are as follows, respectively: First, $213,650.41; second, $81,451,82; third, $32,104.14; total, $327,206.37. The cost per mile of the work on the three sections is as follows: First, $24,530; second, $16 534; third, $14,566.

Used army blankets—good size and quality—$2.50 each. Haw's, Ceylon.

Miss Edna Stewart is visiting her friend, Mrs. Wilford Graham, in Markdale.

Mr. John Boyd of North Battleford, Sask., is east on a visit to his family in Markdale and is calling on old friends here today.

Mr. Jos. Clinton took a weak spell one day last week while out of doors and fell three times before he was able to enter the house. His nose was broken and face cut. A doctor's services were required. The patient is now confined to the house.

The Boys' Work Conference in Orangeville over the week end was well attended, some 200 boys taking part. Edgar Sprott, George Akins and Wes Armstrong represented the Methodist Sunday School and all report it profitable and enjoyable. Owing to sickness a representation was not sent from the Presbyterian Sunday School.

It was a rare treat to get a week of spring like weather, such as we had last week, after two months of solid winter weather. The week wound up with heavy rains on Sunday and a return on Monday to winter conditions. There is plenty of snow left, but the thaw ought to relieve the water situation very materially. It had arrived at almost famine conditions.

The Woodbridge people have hit upon something distinctive in the way of a memorial. It is to be a Scotch watch-tower, 60 feet high and 11 feet wide at the base. The base will be 28 feet square and 12 feet high, resembling a sarcophagus, and the top of the tower will be surmounted by a beacon which can be lighted on suitable occasions. This tower will stand on a hill above the town and will be seen from afar. It will be built entirely of field stone hauled to the spot for the purpose by residents of of the country round about. The whole thing has been finely conceived.

S. R. HAWKINS, Licensed auctioneer for the county of Grey. Terms moderate. All arrangements can be made at The Advance office or by addressing me at Eugenia. Your patronage solicited.

Visit of D. D. G. M.

The official visit of Rt. Wor. Bro. J. D. Leitch of Erin, D. D. G. M. on Wednesday evening to Prince Arthur Lodge No. 333, A.F.& A.M. was an enjoyable affair. There was a large attendande of members and visitors from a distance. The lodge work consisted of regular business and the initiation of a candidate, which work was done in a faultless manner. After closing lunch was served in Clayton's hall when toasts and speeches were made by members and visitors.

Presented Cheque

An interesting little event took place at the home of Mrs. Hanley in town on Saturday evening, when the deacons of the Baptist church were present. This was made the occasion of a presentation to the church of a fifty-dollar cheque from Mr. J. E. Moore of California. It was the eve of Mr. and Mrs. Moore's golden wedding and was a fitting acknowledgement of their fifty years of happy wedded life. The presentation of the cheque was made by Mrs. Hanley, a friend of Mr. and Mrs. Moore, and thankfully acknowledged by Mr. Vose, the Baptist pastor. Refreshments were served and a very pleasant evening spent.

Card of Thanks

We desire to convey our heartfelt thanks to our friends and neighbors, also the staff and pupils of the Flesherton High School, for their sympathy in our recent bereavement.

—Mr. and Mrs A. F. Pedlar and Family.

Mr. G. H. Whyte of Clifford came up the Elora Road last Saturday with the Provincial Highways Dept patent snow plough, says Mildmay Gazette, and it was amazing to see the manner in which it changed the drifts and pitch holes into a good, passable road. Patrolman H. Hossfeld has also given the Walkerton road a treatment, and the horses can trot right along on these highways.

Mrs. John Breen

Mrs. John Breen of town passed away very unexpectedly on Sunday afternoon after only a few hours of serious illness, at the age of 88 years. The doctor pronounced the cause heart failure.

Mrs. Breen, whose maiden name was Eliza Little, was one of the earliest pioneers in this district, having come here with her parents about 75 years ago from Enniskillen, Ireland, her native town. After arriving in Canada she remained in Toronto for a few years to secure an education, while her parents came on to Artemesia where they took up land on the east back line, about three miles from Flesherton. Sixty-seven years ago she married her now bereft partner who was also a native of Enniskillen, and there still survive one son and three daughters from this union—Mrs. John Wright of Flesherton, Mrs. H. V. Gaudin of Toronto, Wesley of Welland and Mrs. Oscar England of Orillia. Mrs. Breen is also survived by one brother, Mr. Wm Little of Owen Sound, who is 92 years of age.

The deceased lady has been are markable personage in many ways, her vigorous constitution carrying her through conditions that would have been fatal to many. When coming from Toronto to the then almost unbroken forests of Artemesia she and her brother William came by stage as far as Mono Mills and walked the rest of the way, about fifty miles through the bush, in the middle of winter. She also did her own housework and baking until a few days before her death. She was an earnest christian woman, a member of the Methodist church most of her life, and one who was most highly esteemed by all who knew her. Her aged husband is seriously ill and scarcely realizes the loss he has sustained.

The funeral took place on Tuesday afternoon and was largely attended. All the members of the family were present.

William Hopper

Mr. Wm. Hopper, another highly esteemed pioneer of Artemesia township, passed away at his home on the 8th line on Friday, March 2, at the age of 79 years. Interment took place at Salem burial ground on Monday, March 5th. No pasticulars of Mr. Hopper's life are to hand, but we hope some one will send them in for next week's issue. The men who bore the burden of pioneer life are worthy of more than a passing notice when they leave us.

A fool used to blow out the gas—now he steps on it.
