NOTICE TO ONTARIO MOTORISTS

Re Unsatisfied Judgment Fund Fee

Under an amendment to the Highway Traffic Act enacted in 1947, provision was made for the creation of an Unsatisfied Judgment Fund out of which will be paid, in the manner prescribed, judgments for personal injuries and property damage sustained by reason of the operation of motor vehicles, which cannot be collected in the ordinary manner from the judgment debtors.

The method prescribed for creating the Fund is the collection of a special fee, when required, from each person to whom is issued either an operator's or a chauffeur's license.

Although to date no fees have been collected from those operating motor vehicles, the legislation has been in effect since the 1st of July, 1947, and many judgments have been paid by the Department pending the creation of the Fund.

Effective with the issue of 1949 motor vehicle operators' and chauffeurs' licenses, an additional fee of 50 cents (50c) will be collected from each person to whom is issued a 1949 license, which fee will be known as the Unsatisfied Judgment Fund fee and will be set aside solely for the purpose of creating the Unsatisfied Judgment Fund.

This is not an annual fee and no further fee will be collected from motor vehicle drivers for this purpose until the Fund is exhausted or so nearly so as to indicate that there is not sufficient in the Fund to pay judgments for a period of at least one year.

Happy New Year! Ring out the old—Ring in the new! How wonderful to have recollections of a happy Christmas—a day full of well-being. As we look forward to a second holiday family gathering, let us resolve to practice the generosity and goodwill which made Christmas such a success, throughout the new year.

MINCE TARTS

2 cups mincemeat
Pie paste for 2 pies.

Line tart tins with pastry. Fill ¾ full with mincemeat. Bake at 425 degs. for 12 to 15 mins. Makes about 15 tarts.

FRUIT CUP

1 can sliced pineapple
1 can drained cherries
1 pint sliced peaches
1 pint sliced pears
1 cup sliced Tokay grapes

Mix and chill.

GLAZED HAM

Cured hams by packing companies do not require soaking or parboiling and need only about three quarters of usual cooking period. (Farm butchered hams require soaking out brine and parboiling for ½ hour). Do not remove rind; wrap in cellophane. Place fat side up in uncovered roaster and bake in electric oven at 325 degrees.

8 to 10 lb. ham (bone in) requires 25 mins. per lb.

10 to 12 lb. ham (bone in) requires 22 mins. per lb.

Near end of cooking period remove rind from hot ham; score fat in squares and stud with whole cloves. Combine 1 cup brown sugar 3 tbsps. flour, 2 tbsps. orange juice, 1 tsp. orange rind and spread over surface of ham. Return ham to oven and turn temperature to 400 degs. for 20 minutes.

SPICED CARROTS

Grate scraped carrots on coarse grater. Put in casserole with ½-inch water. Sprinkle with salt and a dash of nutmeg. Dot with butter. Cook at 325 degs. for 35 minutes.

SNOWBALL SUNDAE

Scoops of ice cream are rolled in finely shredded cocoanut, served with marshmallow sauce spooned over each.

PEPPERMINT PATTIES

2½ cups sugar
1 cup milk
2 tbsps. butter
¼ tsp. cream of tarter
Peppermint flavoring
Green coloring

Place sugar, milk and butter in a heavy saucepan over a low heat. Stir until sugar is dissolved. Bring to boil; add cream of tarter. Cover and cook slowly for 5 mins. Remove cover and wipe off sugar crystals from sides of pan. Cook to 238 degs. or until a soft ball forms when a little of mix is dropped in cold water. Pour on a cold, wet platter. Do not scrape pan. Cool until slightly warm. Then work mixture with a pancake turner until it becomes white and solid. Add a few drops of mint flavoring and tint slightly with green coloring. Knead with hands until creamy. Shape into small balls and press flat. Makes 4 dozen.
