Stewart, Mrs. Inkster, Mrs. Wilcock.

A resident was driving a blind horse along a road at night, when the outfit got stuck in the snow. The owner unhitched the horse and left it in the snowdrift. Neighbors came along next day on the road near Blyth, and found the horse in such shape that it had to be shot The man who did that trick was fined $10 and costs. And yet we fine a man $200 and costs if he has a bottle of whisky in his pocket. Judged by O. T. A. standards, that man near Blyth should have sent down for life.

## Dogs Were Killed

Sunday morning last before daylight Mr. John Porteous of Rock Mills was awakened by a loud noise at the barn and going out found two dogs attacking his sheep. The canine marauders had already killed three and injured others. Both dogs were shot. One of the sheep killers belonged to a man named Bristow at Rob Roy, twelve miles distant, and the other to Mr. Sam Fisher of Rock Mills. Both were collie dogs.

## The Late Mrs. Allan

On Wednesday last week there passed away at her home, East Mountain, an esteemed resident in the person of Mrs. George Allen. A couple of years ago she underwent an operation from which she did not fully recover, but seemed to be enjoying fairly good health until last fall, when she became bedfast. She was a patient sufferer. Interment took place in Markdale cemetery on Friday, beside the remains of her husband, who predeceased her about ten years ago. She leaves to mourn her loss three daughters —Hazel (Mrs. Comford Thompson) on the homestead, Annie (Mrs. Clarke Teed), Duncan; and Pearl, who had been teaching at Mt. Forest but had resigned about three months ago to attend at the bedside of her mother. Mrs. Allen's maiden name was Lucy Symons.

## Teachers' Association Meets

The local Teachers' Association held their first business meeting at the Markdale public school on the afternoon of Saturday, March 16. The attendance was somewhat larger than at the former meeting and the hope is entertained that the other teachers in the vicinity will attend the next meeting scheduled for May 12, for which an extensive program is outlined.

Inspector Wright of South Grey was present and his instructive talk was one of the main features of the meeting. He spoke on "What the Association is not, what it is, and the conditions for success." Then he suggested many topics for discussion at later meetings.

Mr. W. J. Messenger, the President, led discussions on History, Spelling and Composition

Much of the success of the meeting was due to the energetic President.

Miss M. Mann gave a talk on "Discipline in the primary room," dealing separately with the various problems of governing the little folk successfuly.

## Mr. John Breen

Another old resident of Artemesia has passed to his reward in the person of Mr. John Breen, for a number of years past a resident of Flesherton. The spirit took its flight on Sunday morning last, just three weeks to a day after Mrs. Breen had passed over. The funeral took place on Tuesday to Flesherton cemetery.

The deceased gentleman was one of the most highly respected residents of Artemesia for many years. Quiet and unassuming, yet a man of decided opinions and level headed, he made many warm friends during his long life here, and will be deeply mourned by his family.

Mr. Breen was born at Enniskillen, Ireland, 88 years ago. Coming to this country as a young man he married the late Mrs Breen, and their whole life was spent here from that time. They were both consistent members of the Methodist church, and Mr. Breen now leaves a void in the church and in the hearts of the people.

The members of the family are Mrs. John Wright, Flesherton: Mrs. H. V. Gaudin. Toronto; Wesley, at Welland; and Mrs. Oscar England, Orillia, all of whom have the sympathy of a large circle of friends

Those from a distance who attended the funeral were: Mr. H. V. Gaudin of Toronto, Mr. Robt. Wright of Hanover, Mrs. Dave Wright of Dundalk and Mr. Lorne England, a grandson, of Orillia. All the children attended.

## Hydro Will Be Prohibitive

The President of the Electrical Trades Union is asking that Hydro employees be given representation on the Hydro Electric Commission. This same official has also expressed the opinion that in a few years the whole Hydro staff, including the clerical force, will be organized in One Big Union. If all that is asked for and expected is obtained farmers may bid goodbye to all hope of Hydro service. The cost will be prohibitive outside of urban centres—Farmers' Sun.
