Whyte read and Scripture. All tickets are to be handed in to Mrs. Donald Reiley or Anna Shortheed by Feb. 18th. It was planned to have a program and dance in the hall when the blanket is finished and the draw will be made that night. A committee was named to look after the same. Mrs. Jack Whyte gave a splendid reading "Our Neighbors." Mrs. Garry Whyte gave two lovely violin numbers, accompanied by Mrs. Harold Karstedt at the piano. Mrs. Belle Aldcorn and Mrs. A. L. Hincks rendered a duet, also accompanied at the piano by Mrs. Karstedt. Mrs. M. McLean gave a short talk on her trip to the W.I. convention at Toronto. It was decided to organize a Junior Girls' Club, with Mrs. W. R. Meads as leader. Mrs. Meads made a top for a quilt, which will be quilted later on. The meeting closed with singing "O Canada." A delightful lunch was served by the hostess and her assistants.

Mr. and Mrs. Bradey Irwin, Mrs. Bert Irwin, Ben McKenzie, Mrs. Chas. Aldcorn, Earl McLean, Mr. and Mrs. Elmer Harrison, Wm. Meads, and perhaps others we have not heard about, attended the funeral of Mrs. George Haw, held at Swinton Park on Friday.

New PURITY "Apple Queen"
... is a wonderful dessert
You'll make it again and again and, of course with Purity Flour. So scrumptious, such a tangy sweetness atop a feathery cake ... and per serving so economical.

PURITY "Apple Queen" CAKE
3 tablespoons butter
¾ cup brown sugar
3 or 4 medium sized apples
5 red or green cherries
¼ cup shortening
½ teaspoon vanilla extract
¾ cup granulated sugar
1 egg
½ teaspoon salt
4 teaspoons baking powder
2 cups sifted Purity Flour
1 cup milk
First—Melt butter in 7 or 8 inch square baking dish, add brown sugar and spread the mixture evenly over the bottom of the dish. Pare and core apples and cut each one in sections lengthwise. Set in rows in the butter-sugar mixture. Place a cherry in each corner and one in the middle.
Now—Cream shortening, add vanilla. Gradually add sugar and blend well together. Add well-beaten egg. Mix Purity Flour, baking powder and salt and sift together 3 or 4 times, then add alternately with the milk. Pour this batter over the apples in baking dish and bake in a moderate oven (350°F.) for 40-45 minutes. Invert to serve. Remove from the dish as soon as baked. Serve hot as is or with a sweet sauce, or serve cold with whipped cream.
Best for all your baking ... that's Purity Flour. Women who bake and bake depend on Purity for uniform results. It's the flour that's milled from Canada's fine hard wheat and sold everywhere.

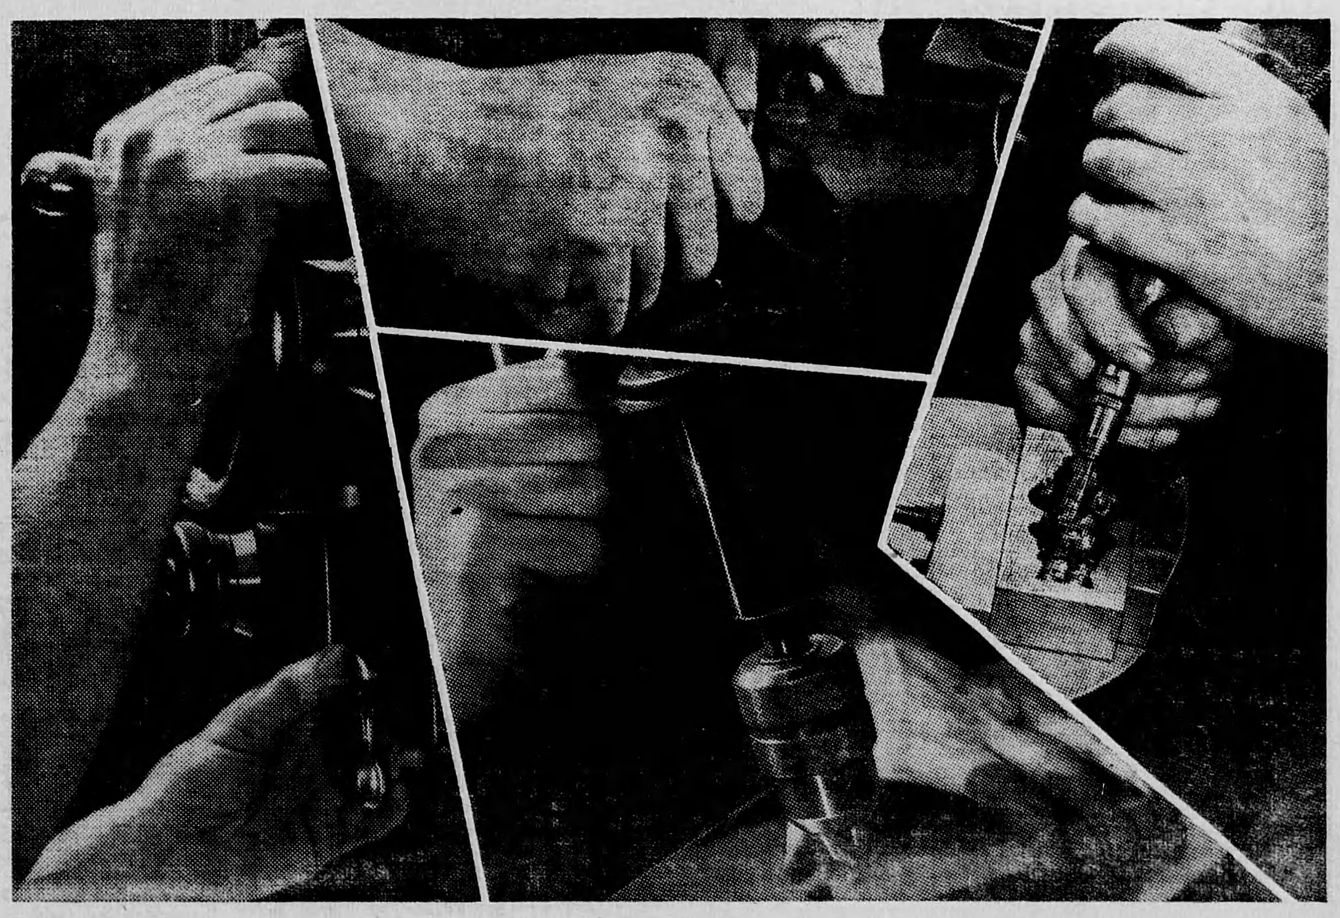
HANDS IN TRAINING...FOR ONTARIO



Learning to Make Plastics

IN Ontario the wheels of industry turn for the benefit of every single one of us. Our lathes, dynamos, drill presses, farm combines, tractors, business machines, etc. are producing goods and services which earn dollars. These dollars provide food, clothing, medical care and other necessities which contribute to our security and high standard of living. Every single one of us, therefore, has a very personal interest in the flow of a steady supply of trained workers to industrial plants. These workers will operate machines which are important to our way of life.

We should appreciate, then, the co-operative efforts of government, industry and labour in the field of employee training. In schools and in factories our workers, young and old, are given the opportunity to develop new and specific skills in every field of business and industrial activity. For instance, as in the pictures shown here, every effort of Ontario's newly-skilled plastics workers will mean better plastic products — will help to make Ontario a finer place in which to live and work.

Our Way of Life Rewards Trained Hands

Ontario workers know they can earn more, have executive responsibility and enjoy a higher standard of living in direct ratio to the skills they acquire and the way they make use of them. That's always true in a free economy — that's why our competitive system will continue to make Canada great and a great place in which to live.
