General Merchant FLESHERTON

A music critic says good music is heavenly. The kind that comes from next door usually is unearthly.

A man drew a 5-to-30 year prison sentence for robbing a fraternity house at Dension University—about the stiffest initiation we've ever heard of.

A city boy and a country lad were walking down a street. Coming toward them was a product of the beauty parlor: permanent wave, scarlet fingernails, drug-store complexion, and gaudy lipstick.

"Now what do you think of that?" asked the city boy.

The farm boy looked carefully and observed: "Speaking as a farmer, I should say that it must have been mighty poor soil to require so much top-dressing."

PURITY

NEW! Sweet Buns

. . . and easy to make at home

Appetizing, satisfying, money-saving! Make up this Purity Flour Sweet Bun dough and in quick time you can have hot buns, fruit buns, spiced buns or iced buns...oven fresh.

SWEET BUNS
Tested Recipe from the Purity Flour Kitchens—

1 cake compressed yeast
2 cups milk (scalded and cooled to luke-warm)
¼ cup granulated sugar
¼ cup shortening
1 egg
1 teaspoon salt
5½-6 cups sifted PURITY FLOUR

Soften yeast cake in luke-warm milk. Cream sugar and shortening and add well-beaten egg, salt, yeast and milk mixture. Add sufficient flour to make a dough soft enough to be conveniently handled, and knead until smooth. Place dough in a lightly-greased bowl and grease the surface of the dough lightly. Cover and leave in a warm place (80°-90°F.) to rise until it has doubled in bulk. Punch down and shape into rolls. Place on a greased baking sheet, cover lightly, and let rise until double in bulk. Bake in a hot oven (400°-425°F) for 20-30 minutes, or until light brown. Yield about 3½ dozen rolls.

FRUIT BUNS—Add 1½ cups currants or raisins, dredged with flour, before shaping the dough into buns. Just before baking, glaze with a mixture of 1 egg white and 2 tablespoons water.

CINNAMON BUNS—Roll dough out to a long narrow sheet ½ inch thick. Brush with melted butter. Mix 1 cup brown sugar with 1½ teaspoons cinnamon and sprinkle over dough. If desired ½ cup of raisins may be added. Roll up jelly-roll fashion and seal edge. Cut into 1 inch slices and place cut side down in well-greased muffin tins. Brush tops with milk and sprinkle with sugar and cinnamon mixture.

What a taste thrill . . . what a thrill to get a recipe that means so much wonderful food for so little money. And this recipe calls for Purity Flour . . . your favourite, the flour that's specially milled from fine hard wheat, the flour that means successful cakes, pies, cookies or buns, *every* time, *all* the time.
