VALLEY ROAD SOUTH

The maple syrup season was short this year, although the run was good while it lasted.

Pat Weber is employed this season sailing on the "Algonquin."

Mr. and Mrs. Gladwyn Wiley and Devona, with Mr. and Mrs. Joe Gibson and family, of Priceville visited with Mr. and Mrs. John Wickens on Sunday.

Mr. and Mrs. Gordon Patterson and Donna motored from Toronto last Sunday and called at the home of Merle Weber and other relatives.

Mr. Fred Wickens and daughter, Irene, of Meaford visited on Sunday with Mr. and Mrs. Cliff. Ward and family.

Mr. and Mrs. Merle Weber and family visited with Mr. and Mrs. Frank Short last Sunday. Mrs. Wright returned home with them for a short visit.

Mr. Jack Weber has purchased the new house near Kimberley owned by Mr. Garnet Baker. They expect to move in next week.

Mr. and Mrs. John Wickens accompanied Mr. and Mrs. Art Idle of Durham to Clarksburg one day recently to visit friends.

Mr. and Mrs. Allan Short and family of Feversham, accompanied by Mr. and Mrs. Stanley Short of Nottawa, visited with Mr. and Mrs. Merle Weber on Sunday.

VANDELEUR W. A. HELD THEIR EASTER MEETING

(By Vandeleur Reporter)

The W.A. held the April meeting at the home of Mrs. Ethel Hutchinson, Wednesday afternoon, April 6, with the president, Mrs. Wm. Bowles presiding. Mrs. A. Fawcett read the devotional exercises and the roll call was answered by a verse "Resurrection." Mrs. Howard Graham took for her topic "The Easter Message" prepared by Nellie McClung, Canadian authoress. Mrs. Lundy Johnston and Mrs. Lindsay gave readings and favorite Easter hymns were sung

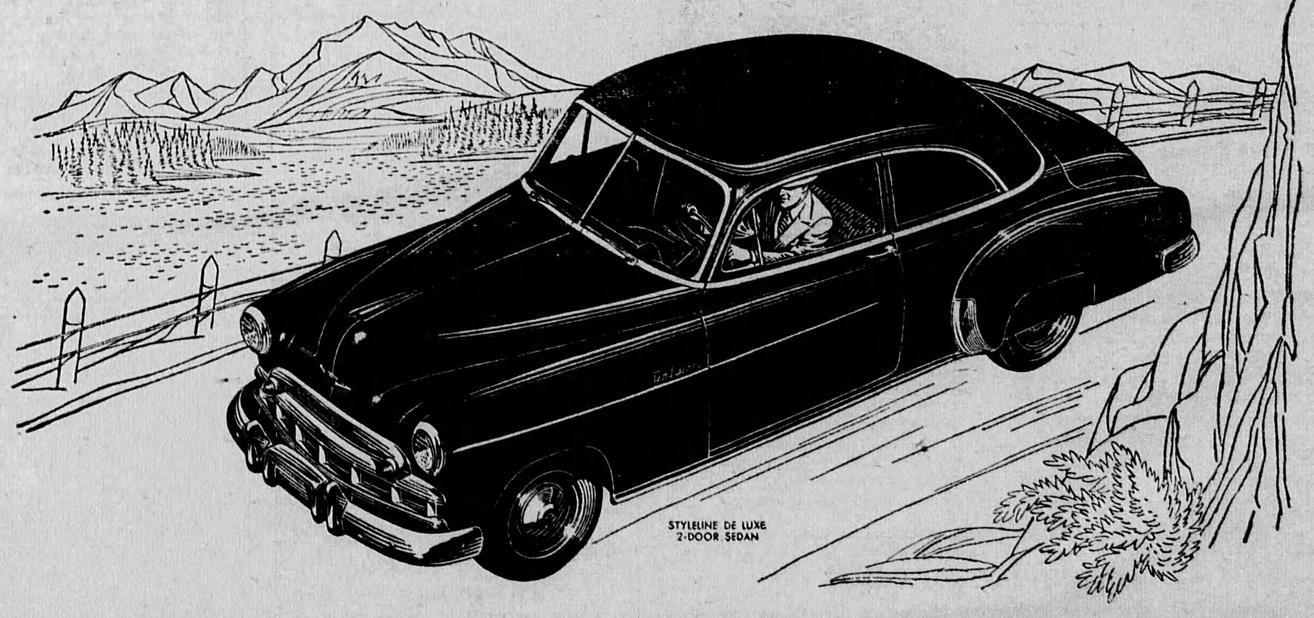
CHEVROLET

is the most Beautiful **BUY** *of all*



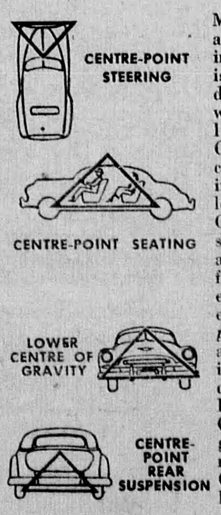
The most Beautiful* BUY *for Styling

Look at this exciting new Chevrolet from *any* point of view — inside and outside, front, side and rear — and you'll agree it's the smartest-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distinguished beauty and luxury of Body by Fisher — the body featured on highest-priced cars.

The most Beautiful* BUY *for Comfort

Settle into the deep, soft, form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes" — with an advanced heating* and ventilating system that inhales outside air and exhales stale air — giving comfort beyond compare! *(Heater and defroster units optional at extra cost.)

***The most Beautiful* BUY *for Driving and Riding Ease*—with new Centre-Point Design**



Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Centre-Point Design — including Centre-Point Steering, Centre-Point Seating, lower Centre of Gravity and Centre-Point Rear Suspension — brings you driving and riding results heretofore found only in more expensive cars. The difference is so great — *and so pleasing* — that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember — only new Centre-Point Design can give these finer motoring results; and only the new Chevrolet offers Centre-Point Design at lowest cost.

The most Beautiful* BUY *for Performance with Economy

What thrills you'll have when you drive this car! It's the *only* low-priced car with a Valve-in-Head engine — the engine which more and more makers of higher-priced cars are adopting — because it gives a much finer combination of performance, economy and dependability. And Chevrolet's world's champion Valve-in-Head engine holds all records for miles served and owners satisfied.

The most Beautiful* BUY *for All-Round Safety

Yes, you and your family will enjoy maximum safety, for Chevrolet brings you *fivefold* safety protection found only in this one low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body-Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

First for Quality CHEVROLET *at Lowest Cost*
