Ill For Two Years Dreco Helped Her

London, Ont., Woman Talks About Her Suffering and What one Battle of This Famous Remedy Did For Her—A Story That Every Woman Should Read.

"For two years," says Mrs. Albert Hetherington, of 504 Pall Mall street, London, Ont., "I have taken medicines for kidney and liver troubles, I was subject to constipation for 14 years, constantly taking a laxative for relief. My nerves were so bad that I couldn't stand hearing even the slightest noise. I just had a feeling that I wanted to get away from everyone. The pains in my muscles were very severe and I couldn't rest at nights. My appetite was not good. I had pains across my back, over by kidneys, and I felt tired and worn out all the time.

"It is a fact that one bottle of Dreco has benefitted me more than any other remedy I have ever taken. I am indeed glad to recommend it. It just seems that Dreco has gone to the root of my troubles and now I can do some house work, a thing that has been utterly impossible for months. My nerves are beginning to be steady, my bowels more regular, I feel more like eating, and the pains in my muscles and back are much better."

You women who suffer, who have "nerves," who have pains in the back and are run down, will find the same relief in Dreco that Mrs. Hetherington found. At Least Dreco is worth a trial.

Dreco is being specially introduced in Flesherton by C. N. Richardson, and is sold by a good druggist everywhere.

Fire At Durham

Durham, May 3.—Four barns and two garages right in the heart of the town were burnt down between 3 and 4 o'clock this afternoon in a fire that threatened at one time to wipe out two streets. Two barns and a garage belonging to Smith Brothers and the others to Robert Lindsay, James Atkinson and William Hill. Five nearby residences were afire, but only one, William Hill's, a newly built house, was badly damaged. The fire originated in Smith's garage from some unknown cause.

Girls' Basketball

An organization meeting was held at the home of Mrs. (Dr) Murray on Monday evening for the purpose of forming a basketball team among the young women of the town. About twenty-five young ladies signifie their intention of joining and it is expected a number of teams will be formed. Practice will be held each Monday and Friday evenings at the high school grounds where the equipment is in readiness. Officers were elected and are as follows :—Pres., Rita Bellamy ; vice Pres., Miss Holmes ; Sec.-Treas , Mrs. F. Thurston.

Nitro Culture

In looking over the records pertaining to the number of bottles of Nitro Culture which are used for the inoculation of Alfalfa and Clover Seeds we find that 197 bottles were ordered by 140 farmers. We beleive that the use of this material pays handsomely. Our contention is borne by the number who have ordered this material.

Osprey U. F. O.

The regular meeting of the Osprey U F Y P O, was held in the Methodist hall Maxwell, on Friday, April 27th, 1923. The meeting opened with one verse and chorus of "The Maple Leaf." An ice cream social will be held on the 24th of this month, the program to consist of a debate, "Resolved,—That wealth is a greater source of unhappiness than poverty." Music, etc., and everybody welcome.
