WILKINSON— In loving memory of our dear Wife and Mother, Mrs. John Wilkinson, who departed this life April 18th, 1939.

A loving Mother, true and kind,
No friend on earth like her we'll find;
For all of us she did her best,
And God gave her eternal rest.

—Ever remembered by Husband, Sons and Daughters.

Hello Homemakers! Spring fever? Eating the right foods helps to overcome that "dull" feeling. One quart of milk for children, one pint for adults — that's the day's quota for good health. But you don't need to drink all the milk. It's just as good for you if you eat it with cereals, in soups, creamed main dishes and vegetables, and in desserts. Whether it comes in bottles, cans, or powdered in packages or creamed as cheese, milk is our most important food.

Note: For prevention of certain fevers, all milk consumed at the farm home and rural school should be pasteurized.

DINNER CHOWDER

2 cups diced raw potatoes
¾ cup sliced onion
¾ cup diced celery
1½ cups boiling water
3 tsps. salt
3 tbsps. butter or margarine
¼ cup flour
1½ cups grated processed Cheddar cheese
1 tbsp. minced parsley
2½ cups canned or cooked tomatoes
¼ tsp. pepper
½ tsp. mustard

Combine first 4 ingredients and 1 teaspoon salt in a deep kettle or Dutch oven. Cover; simmer 15 min., or until tender. Meanwhile, melt butter in double boiler. Stir in flour, then remaining salt, pepper, mustard meat sauce and milk. Cook, while stirring, until smooth and thickened. Add cheese, and stir until melted. Add to potato mixture with parsley and tomatoes; heat. Serves 5.

CREAMED CABBAGE AND FRANKFURTERS

4 cups shredded cabbage
2¼ cups milk
4 frankfurters
¼ cup melted fat
3 tbsps. flour
2 tsps. salt
¼ tsp. pepper
¾ tsp. celery seeds
¾ cup soft bread crumbs

Cook cabbage in milk, covered until tender—about 5 min. Cut frankfurters in quarters lengthwise; then split pieces in half. Saute in fat in skillet until lightly browned. Remove frankfurters. Add next 4 ingredients to fat in skillet, and stir until smooth. Gradually stir in milk drained from cabbage. Cook, stirring constantly, until smooth and thickened. Arrange layers of cabbage, frankfurters, and sauce in 10 6x2 inch baking dish; top with crumbs. Bake in moderately hot oven, 400 degs. for 15 mins., or until nicely browned. Serves 4 to 6.

Sliced canned pork and ham loaf (1½ cups) may replace frankfurters.

"I trust *them* more than I'd trust myself"

THE BANK's the place for *my* money. I always put part of my pay into my bank account—otherwise it burns a hole in my pocket. I guess I trust the bank more than I trust myself! I figure that's one reason why my savings have been building up the way they have.

Another reason I'm sold on a bank account is that I always know just where I stand. All I have to do is take a look at my pass-book. *They're* a lot better bookkeepers than I am.

What's more, what's in my pass-book is *my* business, and I can count on the bank people to keep *their* mouths shut about it. And that suits *me* just fine!

Going to your bank is not like having to deal with a state bureau—but that's how it would be under state monopoly.
