Sets to-day's pace

Man's work, today, is measured by what he can do in a given time, with the aid of modern equipment.

The motor car sets to-day's pace. If you are afoot you are badly handicapped.

Overcome this disadvantage.

Could Not Eat Cooked Food

Acute Digestive Troubles Ended by Dreco—London Woman's Case Typical of the Benefits Offered by This Splendid Remedy.

Mrs. James Weir of 373 Grey Street, London, Ont., tells a story that will strike home with thousands of men and women, for there are many who suffer from one or the other of the symptoms she describes. They are due to a weakened condition of the organs brought about by persistent indigestion and constipation. Remedy these two ailments and the whole body responds. Mrs. Weir will tell you how Dreco accomplished this desirable result in her case.

"For the past year," states Mrs. Weir, "I have suffered agonies caused by gastritis. The food I ate lay in my stomach. It would not digest. Gas would bloat me and press against my heart causing palpitation and shortness of breath and it seemed at times that I would smother. For months I was unable to eat potatoes or meat cooked in any way. Pains would shoot through my back and across my kidneys. I couldn't sleep and dizzy spells would attack me. My entire system seemed tired out. I had no energy and was hardly able to do my work some days.

"Now, after four bottles of Dreco, I am like a new person. To eat is a pleasure and I take whatever I wish with no bad after effects. I have no pains or dizzy spells. I can rest just fine and get up in the mornings feeling refreshed. My neighbors even remark how well I am looking and gladly do I tell them that Dreco has brought me these wondrous results. Dreco gets my praise at every available opportunity."

Dreco is prepared from herbs, roots, bark and leaves of established medicinal value and contains no mercury, potash or habit forming drugs. It is a scientific combination of Nature's own remedies for all disorders of the stomache, kidneys, liver and bowels and restores them to healthy action in an entirely natural way.

Dreco is being specially introduced in Flesherton by C. N. Richardson, and is sold by a good druggist everywhere.

Celebrate July 12 in Flesherton.

The County of Grey and city of Owen Sound spent $122,550 85 last year for county roads, exclusive of government grants.

Dundalk Defeated

The Old saying "A game is never won until the last man is out" was demonstrated on Thursday afternoon of last week when Vandeleur trimmed Dundalk by driving in six runs in the last inning and winning the game 9–8. It was not the best demonstration of baseball but excitement ran high in spots and Vandeleur showed their old spirit of stick-to-itiveness. Dundalk played a good steady game, hit well and were practically sure of victory until the 9th when something went wrong and they weakened, allowing Vandeleur to run away with the game. Russell Graham relieved "Lefty" Buchanan in the 6th inning, and was relieved by Dillon in the 9th. Douglas came into the box in last inning for Dundalk but was unable to pull the game out of the fire.

Score by innings:
Dundalk — 0 1 0 0 2 2 0 2 1—8
Vandeleur—0 0 1 1 1 0 0 0 6—9

Dundalk—Armstrong, Claridge, Blackwell, Douglas, Kitson, McAlister, Montgomery, Lockhart, Carson.

Vandeleur—Freeman, Warling, R. Graham, Dillon, A. Buchanan, H. Graham, W. Lee, Roy Freeman, S. Buchanan.

Umpires—Turney and Thurston.

By winning the ball game on Thursday it practically puts Flesherton into the running again and gives Vandeleur an equal chance to docide the winners of the first section. If Vandeleur wins their game in Dundalk the three teams will be tied and a play off necessary.

Kimberley Girls Won Basketball Games

The Flesherton ladies played basketball in Kimberley on Tuesday night of last week with the Valley ladies and came out second best by a big score, 19–5 we think it was. Having had very little practice and none during the past three weeks the girls tackled a team which knew how to play and who practically had the game to themselves. Flesherton's only goals coming through free throws. On Thursday night last the return game was played here and the local girls showed immense improvement, but, unfortunately the same score as the above was the result. After each game the home team supplied refreshments that made one feel at home.

Tournament At Dundalk

Flesherton ball team played at Dundalk on Dominion Day in a tournament and came out even with the Dundalk nine, the last game being a tie—2 2, after playing eleven innings. Flesherton played Creemore and with "Lefty" Goldsmith pitching, won 3-2, Dundalk won their game from a Toronto team and in the play off between Dundalk and Flesherton for the championship one of the best games seen there for years was pulled off. Each team scored one run in the first inning and went scoreless until the 9th, when they each got another run. Two more innings were played but the tie could not be broken, so the money was divided evenly.

Druro Gingham With Ratine Stripe 98c. a yard

This is a high grade English Cloth made by the Druro Mfg. Co., and is absolutely fast and dependable, full 40 inches wide. To be candid, the price we were forced to ask for this Cloth, after adding a fair margin of profit, was higher than most people cared to pay, and it has been moving out very slowly. No line of goods will be permitted to remain on our shelves very long; therefore we have decided to throw away our profit and a goodly amount of the original cost as well, and accordingly have cut the price very deeply. Regular $1.65. Clearance Price ..... 98c.

Fancy Stripe Shirting 29c a yard
