No Longer Bedridden

London woman recovers from protracted and painful rheumatic attack—given all the credit to Dreco, the famous health builder.

The plight of Mrs. Minnie E. Hetherington of 322 Eleanor Street, London, Ont is best described in her own brief words "I couldn't even turn over in bed, much less walk." So severe was the pain she suffered that two weeks before Christmas she took to her bed and there remained, helpless, until the splendid healing properties of Dreco came to her aid. Many people, men and women, are martyrs to this painful ailment—rheumatism—usually caused by improper functioning of the kidneys and other digestive organs and it is to help just such people as these, that Mrs. Hetherington makes her statement.

Says Mrs. Hetherington: "Just before Christmas I caught a terrible cold that settled in my kidneys. My hands, feet and limbs became very sore and began to swell with rheumatism until, suffering agonies of pain, I took to my bed. The pain and stiffness was so severe that I couldn't even turn over. I was very nervous and couldn't sleep and had no appetite. Constipation also added to my sufferings and all the medicines I tried gave no relief.

"My daughter, however, heard of the wonderful help other people were getting from Dreco and brought a bottle home for me. That was only a week and a half ago, Now, I am able to walk, a thing I havn't done for two months. I am feeling like a new women. My bowls are regular, I sleep soundly and have a good appetite. The pains in my limbs have almost gone as has the swelling. I unhesitatingly recommended Dreco to anyone suffering the way I did."

Dreco has been the source of relief for thousands of similar sufferers. It is prepared from Nature's own herbs, roots, bark and leaves and acts in a natural way. By its toning and regulating properties, it speedily disperses the noxious gasses and poisonous acids that cause biliousness, rheumatism and other distressing ailments, building the whole system up to a fine, healthy vigor. No one need suffer the awful pains of rheumatism when Dreco will give them such remarkable relief.

Dreco is pleasant to take and contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Flesherton by C. N. Richardson, and is sold by a good druggist everywhere.

Flesherton Blanked By Owen Sound

Locals Were Considerably Weakened By Having Five Regulars Off The Line-Up

Flesherton Senior North Wellington baseball team were blanked in Owen Sound in a schedule game by the team of the Scenic City when they went by with a decidedly weakened team, five of the regular team being unable to go. However, the boys put up a good fight and Owen Sound were lucky to pull out on top as they did. Two errors in the first inning, a wild pitch by Dow to first and Goldsmith muffing a fly ball allowed two runs to get on the path and these scored on a hit. Each pitcher had nine strike-outs, Goldsmith fanning seven in a row. Flesherton was without their regular receiver and Dow substituted and did well, considering he had no practice on the job this year. If Owen Sound couldn't pull off a bigger score in the next two games than they did on Monday they have a mighty poor chance of winning the group, as only one ball was hit out of the infield and that one was caught by Muir behind short stop. Flesherton knocked out five lusty clouds into the outfield, three of them being caught. Nevertheless winning the group will not come easy to Flesherton, as Owen Sound will put up a real scrap in the two games to be played here, the first one this Thursday afternoon at the 12th of July celebration.

Lineup of players were:—

Flesherton— Howard, Goldsmith, Mountain Dow, C. Muir, McTavish, Airth, L. Mountain, Thurston, spare McGirr.

Owen Sound—Weland, Harris, Keeling, Walker, Hilliard, Miller, Vasey, McGreavy, Garbett.

Umpire—Art Wilson.

Score by innings:—

Flesherton —0 0 0 0 0 0 0—0
Owen Sound—2 0 0 0 0 1 x 3

The game was called on account of darkness when Flesherton had their turn at bat in the 7th inning

As usual in this series a sprinkle of rain fell while play was in progress, but did not hinder playing.

The next big game is to be in Flesherton on the 12th.

Game Called in Fourth

There is something wrong somewhere in the weather we have. When the Owen Sound ball team came down on Thursday evening last to play the Flesherton nine, the game had to be started in a drizzling rain. Only three and one half innings were played and the score then stood one all. This is the second time that the game was postponed, but the date to be played hasn't been decided yet Each team scored one in the first inning. Flesherton's score coming when Howard hit for two bases and Mountain duplicating the performance, scoring Howard. The plate wasn't touched from tehn to the finish. "Lefty" Goldsmith pitched good ball and was going strong considering the condition of the ball.

Here is what the Owen Sound Sun-Times says of the Flesherton team.

"When Flesherton was grouped with Owen Sound, a great many of the local fans did not think that Flesherton would even provide good practices for the Owen Sound men. But Flesherton, in the first game played at Owen Sound, showed they were a ball team of no mean proportions, and Owen Sound players will have a real contract on their hands to put them away."

Dundalk Wins First Section

Dundalk won from Vandeleur in a real close game at Dundalk on Monday afternoon by the score of 6—4 in a nine inning fixture. This win for Dundalk makes them winners of the 1st section of the Centre Grey League by only losing one game out of four Flesherton came next with two wins and two losses and Vandeleur had one win and three losses. The first game of the second section will be in Flesherton on July 19 when Dundalk visit Flesherton,

Captain Of Lacrosse Team

Flesheron has not been very prominent in the realms of lacrosse but one of its native sons is receiving distinction in Vancouver, B. C. This person is Hardy Patton, who has been away from Flesherton about fourteen years and during that time became a lacrosse player of no mean distinction, as he is now Captain of the Olympic A. C. professional lacrosse team at Vancouver. Hardy at one time played centre for the team, but is now holding down right defence, and effectively too. Besides playing lacrosse Hardy has made quite a name for himself as a long distance runner and also took prizes in boxing.
