STILL TAKE THE LEAD

And sell on their merits—not like some inferior makes now in the market, which require the most desperate efforts of both local and general agents to convince the public that they are even worthy of a trial. The fact of a general agent spending a few weeks with a local agent, instead of a few hours, has a meaning which parties not in the business probably do not understand.

Those who cannot make it convenient to attend this course will be deprived of a very rare privilege in the study of music as a fine art.

Cooper begs to announce that he is prepared to give lessons in Italian voice training, organ, piano, violin, guitar, cornet, violoncello, harmony and composition fencing, and is taking names for a Ladies' Orchestra. A MASONIC PORTRAIT GALLERY.—Some time ago the surviving Past Masters of the local Masonic lodge decided that they would present their portraits to the lodge and that the same would grace the walls of the Masonic Hall. The idea was a capital one and very cordially received. Mr. George Sproule, photographer, received an order to prepare some thirty portraits and have them suitably framed. In the window of his studio on Charlotte st. is shown the portrait of W. Bro. James Alexander, of Peterboro Lodge the first of the series finished. It is very handsome and lifelike and a remarkably good likeness. Mr. Sproule intends to have a sort of general review when all are finished and will invite the public to inspect the work, an opportunity that will no doubt be largely availed of.—Peterboro Review. This is an excellent idea and we recommend it to the local members of the mystic tie.

LOVERS OF ROD, GUN AND CANOE, should not fail to secure copies of the book "Fishing and Shooting," issued by the General Passenger Department of the Canadian Pacific Railway, for the season of 1890. It is bound in convenient pocket form and contains a vast amount of reliable information concerning the best localities for game and fish in the provinces of Ontario, Quebec, New Brunswick, Nova Scotia, Alberta and British Columbia, and the states of Maine, Michigan and Wisconsin; the whole embellished with numerous handsome illustrations. Covering as it does, the haunts of game which are so dear to the sportsman, it should prove invaluable to the followers of Nimrod and Walton. Copies furnished free upon application to W. R. Callaway, District Passenger Agent, 119 King St. West, Toronto, or to D. McNicoll, General Passenger Agent, Montreal.

Ladies before you go boating don't fail to get one of Ritchie's lovely boating shawls at wholesale price.—37-2.

Y.M.C.A. NOTES.—Mr. Colville, General Secretary of the Peterboro Young Men's Christian Association, will address the young men's meeting at 4 15 on Sunday afternoon in the Y.M.C.A. rooms. All young men are cordially invited to be present. Mr. Colville will also address the Y.P.S.C.E. Union in the Baptist church on Monday evening next. The young people's societies of the different churches in town are cordially invited to be at this meeting as Mr. Colville has recently been to the great Y.P.S.C.E. convention at St. Louis, and will doubtless be able to offer many useful suggestions. The Y.M.C.A. are going to hold their annual garden party on Mr. Watson's grounds opposite the Court House next Tuesday evening, July 8th. All should come and help make an enjoyable evening.

MR. WILLIAM CHANNON of East Oakwood, on Saturday last, purchased the Northcote farm, East Oakwood, 92 acres for \$6,010. This makes Mr. Channon's estate to cover 350 acres of the best land in Mariposa.

Friend William will, we are sure, permit us to congratulate him on his success in life. We always could vouch for his skill and ability as a boy, in unearthing, of course with our assistance, a chipmunk or a ground hog; or in filling a bag with butternuts, when other work should have claimed attention; and we were even convinced enough to think we could hold our own hoing or binding with the neighbors boys who were good. But the success attending the hunt and also, yet the young man, has accumulated 350 acres of the finest land in Canada, is cause for congratulation, and for emulation of the lads of to-day.

Lace curtains and curtain nets are almost given away at Ritchie's going out of business sale.—37-2.

ON WEDNESDAY EVENING, June 30th., an event which afforded much pleasure and enjoyment took place, it being the occasion of the marriage of Mr. Thomas Blackwell and Miss Minnie McCarty, both of the town of Lindsay.

The ceremony was performed at the residence of the bride's mother, Albert Street, where a large number of guests had assembled to honor the occasion. The Rev. Mr. Dewey, the enthusiastic pastor of the Queen street Methodist church, acted as officiating minister in a manner both genial and skillful. Throughout the trying moments Mr. George F. Blackwell, teacher, Mr. Horeb, from his successful experience on three previous occasions, proved an efficient right-hand supporter of the groom, while Miss Bertie Gardiner of Tyrone, attended to the requirements of the bride with valor and promptitude. After the ceremony was over the warmest congratulations of the guests were showered upon the young couple and then all sat down to a choice display of eatables provided for the occasion. The bridal contributions were not only numerous but valuable and in each and every case were judicious and practical additions to the equipment, necessary for any young couple launching forth on the sea of time. The following are some of the presents:—Mr. and Mrs. Jas. Agnew, china tea set; Mr. and Mrs. Thorburn, lemonade set; Mr. C. S. Blackwell, \$25 cash; Miss Dames, carving knife and fork; Mr. and Mrs. Staples, lemonade set; Mr. George F. Blackwell, pickle cruet and \$10 gold piece; Mr. Louis Sutton, set of glassware; Mr. John Blackwell Sr., \$10 gold piece; Mr. and Mrs. Joe Brown, silver pickle cruet; Mr. and Mrs. Jas. H. Blackwell, silver butter cooler; Miss Minnie Dingle, handsome picture; Miss Dames, half-down silver spoons; Miss Louella and Lois Staples, set of crockery; Mr. W. S. Blackwell, silver cruet; Miss Bertie Gardiner, diamond brooch; Mr. G. W. Beall, silver cake basket; Mr. and Mrs. Beatty, large lamp; Miss Katie Brabant, lemonade set. On July 1st, Mr. and Mrs. Blackwell took the morning train going west, where they intend to visit Toronto, Niagara Falls and other places before returning. We extend our heartiest wishes to the young couple for a pleasant journey and a safe return.

The Highest price paid for frogs' legs, at the Royal Restaurant, Lindsay. T. McDonald.—31-1f.

For Sale.—A few Park lots, about five or six acres each near town and bounded by the river. Terms easy. W. McDONNELL.—July 1890.—37-1f.

Go to Ritchie's for your dress goods. Ladies' beautiful summer's fashions for ten cents a yard, to clear, and other lines in proportion.—37-2.

RUSSELL'S IMPROVED FENCE PATENTED.—Parties desiring to build the above description of fence (acknowledged to be the best when properly built and secured), in the townships of Mariposa and Ope, can learn all particulars by applying to John Meahan or Alex. Simons, Lindsay P.O. June 21st, 1890.—36-8.

SERVICES in connection with the circuit of the Queen St. Methodist church as follows: Rev. Dr. Williams in the morning. Subject, "Lot's Wife." Rev. G. W. Dewey in the evening. Subject, "Our Riches in Christ." Mr. Dewey will also preach at Rosboro in the afternoon and at St. John's in the morning at 10 o'clock.

NEW COAL YARD.—Messrs. Killaly & Kennedy are erecting a large coal shed in the east ward just north of the Locks, and are now able to supply their customers with all kinds of hard and soft coal. Best quality of firewood in stock. Delivered to any part of the town. Office and woodyard east end of Wellington street bridge. 36-1f.

"TOO LAZY TO WORK" is the verdict pronounced by an employer of labor in Lindsay, respecting many in this town. "They are too lazy to work, but hang among the Charity Committee in winter," says the same authority. There are many unemployed poor men in town who deliberately refused good wages recently here. Look out for such next winter. Omease really supplied the men required.

COMPLIMENTARY.—The following extract from a letter from the firm of Dr. J. C. Ayer and Co., Lowell, Mass., received at this office, speaks for itself. Our proverbial modesty precludes us from doing more than laying before our readers: We are glad to note and much appreciate the care with which this contract has been executed. We wish more publishers would take an equal pride in the discharge of their obligations.

WE ACKNOWLEDGE the receipt from Messrs. Seckling & Sons, publishers, Toronto, of a copy of Alex. Muir's valuable addition to our patriotic songs, and a worthy successor to "The Maple Leaf Forever." It is entitled "Canada Land of the Maple Tree," and is to be sung at Toronto Carnival by 1500 voices. Mr. Humphreys on William street, will give gratis a copy of the chorus. Call on him also for new waltzes, such as Swinging, Forget-me-not, etc.—36-2.

THE CHALLENGE ACCEPTED.—Having heard that Mr. Joseph Thompson, the champion marksman of Dalhousie and three others have challenged four of the Victoria County Rifle Association to a match for \$50 each side, I am instructed by the executive of the association, though we readily admit the superiority of our friends, to accept the challenge over the proposed ranges, 200, 400, and 500 yards, seven shots at each range, Snider or Martini rifles; time any date agreeable. Place any agreeable. On behalf of Victoria County Rifle Association, Sam Hume, Major, President. Lindsay, 3rd July, 1890.

FATAL ACCIDENT.—On Wednesday afternoon about three o'clock a fatal accident occurred at Dovey's shingle mill, by which a bright lad of nine years, Master Francis Bush, one of the well-known chime boys of Dalhousie, lost his life. It seems the lad was standing near the projecting end of a large shaft outside the mill, when his clothes caught in the key groove, and before assistance could reach him he had been recovered. The shaft projects about eighteen inches and stands about three feet above the earth. A pile of saw-dust in which the lad had been playing had accumulated around the place which may have concealed the dangerous shaft. The funeral takes place to-day to Riverside cemetery. The afflicted family have the sympathy of the whole community in their affliction.

Evetties.

A few men's Halifax tweed suits at Ritchie's for less than it costs to make them.—37-2.
Rev. E. A. Pearson has been transferred from Omease to Collingwood. This is a great gain for the Georgian Bay town, and a loss to Victoria county's loyal village.

The Dominion Organ and piano Co's Band from Bowmanville cheered the people of Lindsay on Dominion Day. They are the same as were at camp with the 45th Battalion and are unsurpassed as players.

In Cambridge street Methodist church on Sunday next the Rev. G. W. Dewey will preach at 11 a.m. and Rev. Dr. Williams at 7 p.m. Dr. Williams will also teach adult bible class at 2 30. Strangers cordially welcomed to all the services.

Mr. J. L. Colville of the Peterboro Y.M.C.A., who attended the recent great convention of the Y.P.S.C.E. in St. Louis will address a meeting of the Christian Endeavor societies of Lindsay in the Baptist church next Monday evening at 7 30 o'clock. All christian workers are requested to attend.

English Sparrow Liniment removes all hard, soft or calloused lumps and blouses from horses, blood spavins, curbs, splints, ring bones, swellings, sprains, sprains, or swollen throat, coughs, etc. Save \$50 by use of one bottle. Warranted the most wonderful Danish cure ever known. Sent by E. Gregory, druggist, Lindsay.—36-13.

Ladies you can buy silk lace mitts in all the new shades for half-price at Ritchie's retiring from business sale.—37-2.
After a severe illness Mr. Edward Veitch is so far recovered as to be able to drive again. He has led the benefit of the services of Miss Hornburgh, a very competent nurse from Toronto, and her judgment, skill, gentleness, and attention have gone far towards restoring "the people's favorite" again to health. Everyone hopes soon to see Mr. Veitch fully recovered.

Two new serials will begin in the next number of Harper's Bazar: "Her Love and His Life," by F. W. Robinson, and "An Old Chateau," by Katharine S. Macquack. Among other attractions to be offered in the same number are a sketch by Miss Blaisdell, entitled "An American Woman's First Impression of the London Season," and a prose poem, "Heldberg Castle," by Beatrice Cameron, the actress.
