FELT I WOULD CHOKE AT TIMES

So says Mrs. Armstrong who was over powered by nausea after every meal Dreco, by its toning and regulating properties helped restore her to health and vigor.

Many women needlessly go along for years suffering the miseries of gastritis, nausea, pains in the back and other distresing symptoms of an ailing digestive system. This was the case with Mrs. W. J. Armstrong, 89 Horton Street, London, Ont., until she discovered Dreco. This famous herbal remedy speedily stimulated her sluggish liver regulated the digestive process of her stomach and restored them to their normal functions.

"No medicine I have ever taken gave such quick relief as Dreco," says Mrs. Armstrong. "'I had been troubled by gas on the stomach after meals, causing heartburn and nauesa so bad that I felt very dizzy and spots would float before my eyes. I was constipated and had pains in my back over my kidneys. Two bottles of Dreco have done wonders for me. Now I never feel dizzy, and am now free of backaches and have a good appetite. My constipation has been relieved. Dreco gets my hearty approval."

You, too, can enjoy the same relief that Ms. Amstrong found in Dreco. It is a natural remedy and acts in a natural way, being compounded of roots, herbs, bark and leaves under most careful supervision. Dreco has proved itself the greatest of all health-builders for thousands of men and women. Dreco is pleasant to take and contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Flesherton by C. N. Richardson, and is sold by a good druggist everywhere.

Charels Smail, a wel known Egremont farmer, died very suddenly Sunday morning, July 8, at the age of 57 years. He was a strong, healthy man not knowing what sickness was, and drew gravel the day before his death. On Sunday morning when rising from his bed, he fell over backwards and explred instantly. The deceased gentleman was a member of one of the oldest pioneer families in Egremont.

N. W. GROUP TIED FLESHERTON WINS

Owen Sound's Confidence Shaken When They Lose On Monday 6-4

Owen Sound's hopes of winning this group of the North Wellington League without a struggle on Flesherton's part were shattered on Monday afternoon of this week. They were so sure of victory, as they have won the last two games, that they had the next team which they would play all picked out and ready. It was a hard jolt for the northerners when Dow commenced the run scoring in the sixth when he hit a home run into right field. The group is now tied as Flesherton has won two games, having won the first in Owen Sound 9 to 5. The Flesherton team has opened the eyes of the Owen Sound fans to the idea that there are better ball players in the country than they can boast of. It is no runaway for them and it is up to Flesherton to put them away in the next game which will be played in Flesherton next Monday.

Owen Sound commenced the scoring in the fourth when McDonald and McGreavy counted. They also got another in the sixth when McGreavy was sent home by Keeling on a single. Up to the sixth Flesherton had six men left on bases but was unable to make a counter, when they came to life with a vengeance and Dow hit his home run. Goldsmith followed with a two bagger, Airth sacrificed, Goldsmith going to third; who in turn scored on McLeod's two-base hit to left field, E. Ellis fanned. Hilliard relieved Garbutt here, and E. Muir singled scoring McLeod, Howard singled and Mountain struck out with two men on. Four runs and two hits.

Owen Sound failed to count in the seventh and eighth, but counted one more in the ninth on a block ball. In the seventh two more runswere added for Flsherton when Dow connected for two bases and Goldsmith hit to right field, scoring Dow, and he counted when Vasey threw wild to the plate. In the ninth R. Ellis flied to Boyce in right field, who made one of the nicest catches we have seen for some time, he running 'a mile" Flesherton failed to score in the eighth when E. Muir walked and Howard singled to short, who started a double play to second with Muir and caught Howard at first.

Scorebyinnings:
Owen Sound —0 0 0 2 0 1 0 0 1—4
Flesherton —0 0 0 0 0 4 2 0 x—6

Owen Sound—Weland, McDonald, Matchet Boyce, McReavy, Hilliard, Vasey, Keeling, Garbutt; spare, E. Boyce.:

Flesherton..— E. Muir, Howard, Mountain, Dow, Goldsmith, Airth, Gibson, Dillon, C. Muir,; spares, E. Ellis, R. Ellis, McLeod, McTavish.

Time of game, 2 hrs., '5 min.
Umpire—Art Wilson.

Flesherton's chances of winning this group is very bright, as they sat right on Garbutt's offerings and he is supposed to be their best. It took two games to find him, but the boys got right after him. Garbut is a nice pitcher all the same.

We believe that "Lefty" Goldsmith has them all beaten in the pitching line in this part and has speed to burn, and fooled Owen Sound to the tune of eight strike-outs.

Flesherton At Last Defeated Dundalk

The jinx is broken at last. Dundalk is no more the unbeatable team as it has been for the Flesherton team the past two years. It was the first defeat for Dundalk on the part of Flesherton in a League game during the past two years, but Flesherton came out on top in a tournament played here two years ago. Thursday's game was by no means perfect, as the errors mounted up on both sides. Flesherton hit Douglass hard in the 1st inning, seven runs coming off his deliveries, and in the second Dundalk came back with the same and added three more in the third, when Armstrong stole home and H. Blackwell hit a homerun into left field, scoring Claridge. Flesherton came to life in the seventh with Armstrong pitching and counted four, adding one in the eighth and tied the score in the ninth, 15, all. The old game kept on travelling until the eleventh inning when two Flesherton men were easy outs by way of first, E. Muir walked and Howard secured a hit. Montain won his own game by hitting a double scoring Muir and the game was won. This game is the first in the second secton of the Centre Grey League and gives Flesherton the advantage in the race.

Dundalk — Armstrong, Claridge, Douglas, H. Blackwell, M. Thompson, V. Russell, McAlister, C. Thompson, J. Blackwell, Montgomery.

OLDEST LODGE IN COUNTY

L. O. L. 244 was acidentally omited last week from the list of lodges here on the Twelfth as published. Old 244 should not be treated in this manner because it is the pioneer lodge of Grey county, having been organized in the year 1852. It was then known as Stinson's Lodge, located on the Toronto Line. Some years ago the lodge moved to Proton Station. It is still a strong lodge, and does not put on infirmity with old age.
