Wilkinson—Chard

At Dundalk on Wednesday, July 25, 1923, at 4 o'clock Susan E. Chard youngest daughter of Mr. and Mrs. W. F. Chard of Springhill, Artemesia, was united in marriage to Mr. J. A. T. Wilkinson, second son of Mr. and Mrs. John Wilkinson of Duncan, by the Rev. W. G. Blackwell.

The bride was beautifully gowned in a dress of navy satin de chine with radium lace to match. After the ceremony the happy couple returned to the bride's home, where the most intimate relatives had met to welcome them. After greetings were given, all sat down to a dainty wedding dinner, presided over by Mrs. R. W. Chard and Mrs. C. H. Parker.

The young couple were the recipients of many beautiful presents. The groom's gift to the bride was a beautiful necklace, set with pearls and amethyst. Mr. and Mrs. Wilkinson left the following day to visit friends at Heathcote and other points.

The best wishes of The Advance, along with a host of friends, follow the young people in their journey through life.

A cup containing a small quantity of gasoline burst into flame in the hands of Loraime Turner of Luther, set fire to her clothing, and the young woman was seriously burned before the fire was extinguished.

Couldn't Even Turn Over In Bed

Pitiful Plight of London Woman—Completely Crippled for Months—Dreco Puts Her on High Road to Recovery.

Picture the misery of Mrs. Minnie E. Hetherington of 322 Eleanor St., smitten by the demon rheumatism just two weeks before th happy yuletide season and spending it on a bed of pain, so badly cripled that she couldn,t even turn over, much less walk. Here is her own story of her sufferings until her fortunate discovery of Dreco.

"Just before Christmas I caught a terrible cold that settled in my kidneys. My hands, feet and limbs became very sore and began to swell with rheumatism until suffering agonies of pain, I took to my bed. The pain and stiffness was so severe that I couldn't even turn over. I was very nervous and couldn't sleep and had no appetite. Constipation also added to my sufferings and medicines gave me no relief. My daughter, however, heard of the wonderful relief other people were getting from Dreco and brought a bottle home to me. That was only a week and a half ago. Now I am able to walk, a thing I haven't done for two months. I am feeling like a new woman; my bowels are regular, I sleep soundly and have a good appetite. The pains in my limbs have almost gone, as has the swelling. I unhesitatingly recom mend Dreco to anyone suffering as I did."

Dreco, the great blood purifier and regulator, goes to the very root of internal disorders and by making such important organs as kidneys, stomach, liver and bowels function properly, brings health and freedom from pain to the whol body.

A woman in town put her dishpan with the ordinary contents, on her electric stove and turned on the heat, the dishwashing being the last job prior to going away for a couple of days holidays. Train-time was nearer than she expected and she left at once to get ready, forgetting to turn off the stove. Upon her return, two days later, the heat was still on, but the water had boiled away, the bottom was burned out of the dishpan, the dishcloth was a crisp and the dishes were all blackened up. Most fortunately, the beautiful cottage did not take fire.—Fergus News-Record.

Sports

GAMES TO BE PLAYED WITH OWEN SOUND

Protested Owen Sound game Of Last Week—Last Game Of Tie To Be Played Over Again

What was supposed to have been a sudden-death game at Chesley on Monday, turned out to only be an exhibition game, according to the word received here from the Secretary of the N.W.B.A. Owen Sound engineered the play-off game without officially notifying Flesherton and without authority of the N.W. League, hence the decision. The game in Owen Sound last Thursday will have to be replayed, as Umpire Wilson called the game on account of darkness, before the last man was out in the sixth. Wilson tried to make Flesherton play ball when he realized his mistake, but by that time several players had left the field, relying on his first decision. Wilson called the game in favor of Owen Sound when Flesherton failed to take the field. If it had been dark enough before, it was surely darker then, when the attempt was made to bring Flesherton back, Owen Sound leading by five runs. It puts a very bad light to Mr. Wilson's efficiency as an nmpire. Before the game was called Flesherton had made a valiant attempt to delay the game so it would be called on account of darkness and were very successful, much to the chagrin of the home team.

The next game between Owen Sound and Flesherton in this series will bring Mr. Lennox, a pitcher from Alliston, to the fold of the Flesherton nine and our chances of victory will be increased by this crack twirler.

Big crowds from both Flesherton and Owen Sound went to Chesley to the game and cheer the boys. Fully 1400 people were on the grounds.

Goldsmith had eight strike-outs and the two Owen Sound pitchers together had only five.

At Dundalk Thursday

This Thursday Flesherton, the leading team in the Centre Grey League, will visit Dundalk to make their second game a winner. Dundalk has lost their star player, Geo. Armstrong, through being removed by the bank, and this, without a doubt, will considerably weaken the team. However, they say there will be a big fight put up to keep Flesherton down and a fast game is expected. Everybody attend the game and give the team the support needed when away from home.

VANDELEUR GAME POSTPONED

Vandeleur kindly postponed the game which was to have been played in Markdale on Monday, that the Flesherton senior North Wellington team could go to Chesley to play the game there. Just now it is not known when the game will be played.

FOOTBALL WITH INDIANS

Feversham football team played the Christian Island Indian football team at Collingwood on Monday. Thegame was a tie, 1-1, with ten minutes overtime. Feversham says the Indians are good sports, and hope to get them to Feversham for a return game in the near future.

Owen Sound Won But Game Will Be Re-played

Flesherton ball team has proven itself to be a squad that will take some stepping for their opponents to trim, was demonstrated in Owen Sound last Wednesday. "Lefty" Goldsmith took the mound for Flesherton and only lasted one third of an inning, when Owen Sound tallied 3 runs. H. Mountain then relieved him and pitched a masterly game, striking out the next two batters. In the third inning Flesherton came to life with a vengeance and equalled Owen Sound's score. In the 'th the boys added two more, Owen Sound duplicating. Flesherton took the lead again in the 6th with Owen Sound one down. When Owen Sound came to bat darkness was setling in and after they had scored two runs and were in the lead, Flesherton caught the right idea and tried to save the game by stalling, which they did to so good an advantage, that Umpire Wilson called the game on account of darkness.

With that decision the boys left the field and the crowd came on, and police assistance was necessary.An account of the umpire's decision is found on another column.

When the smoke cleared in the 6th Flesherton had presented Owen Sound with six runs to keep the game going, and had given the fans of the Scenic City the most brazen attempt at stalling a game, that was ever seen in Owen Sound.
