I Am Now A Different Man

SO SAYS RETIRED SALVATION ARMY OFFICER, WHO REGAINS HEALTH AFTER TEN YEARS SUFFERING — CLAIMS DRECO WONDERFUL HEALER.

"For the past ten years I have suffered from neuritis and a general run-down condition of the system," states Mr. Philip Lewis, former Salvation Army Major of the Junior Sunday School, Maidstone, Kent, England, and now a well known resident of Toronto residing at 493 Keele street.

"After my arrival in Canada 12 years ago, I was taken ill with pneumonia, which resulted in a nervous, weakened condition of the system. Finally neuritis set in and the following four years I was ill most of the time, gradually becoming worse, until it was almost impossible for me to drag one foot in front of the other. This necessitates the use of a cane when trying to walk.

"I tried many medicines and spent hundreds of dollars without getting results. Since June 1922 I had been unable to do any work. My entire system being so very weak. I had just about given up all hope of recovering, when I happened to read how much Dreco was doing for others, so I decided to try it.

"After taking Dreco one week, the results were so surprising that I decided to continue the complete treatment, which I have done, and I am now a different man.

"Dreco is a godsend and I gladly recomend it to anyone. I am 100 per cent. better in every way and have started working again.

I have no more terrible pains and aches through my limbs and back and the use of a cane is no longer necessary. This improvement I feel is really wonderful for a man of 60 years of age to receive in so short a time. My health in general is greatly improved and I feel much stronger."

Dreco is a natural remedy prepared from roots, herbs, bark and leaves, and tones and regulates all the organs of digestion, upbuilding the general health. It contains no mercury, potash or habit-forming drugs. Long standing, obstinate digestive complaints yield readily to this reliable corrective.

Dreco is being specially introduced in Flesherton by C. N. Richardson and is sold by a good druggist everywhere.

Vandeleur 7, Dundalk 5

WITH THIS WIN THE 3 TEAMS ARE TIED FOR FIRST PLACE IN C. G. LEAGUE

Dundalk met their waterloo at Markdale on Thursday last when the Vandeleur pill punchers bunched hits in the fifth inning and won the game 7 to 5. It was a rejuvenated team that Vandeleur put in the field, although it was the same bunch of players, and they seemed to put more punch into their attack than heretofore this year. "Buck" pitched his best game of the year and although he was in hot water a number of times his team mates generally brought him out and saved him from defeat. Dundalk has finished their schedule and Vandeleur has two games yet to be played with Flesherton, the first of which will be played here this Thursday afternoon. As the League stands now the three teams are tied for first position.

FLESHERTON WINS THEIR PROTEST

Owen Sound May Appeal

Flesherton's protest against the game played in Owen Sound and also the one played in Chesley was decided by the Executive of the North Wellington League at Neustadt on Tuesday night in favor of Flesherton and a sudden death game was ordered to be played for the leadership of the group. Date and place have not been decided on yet.

The Sun-Times, that little daily of Owen Sound, has inserted several articles which have not added any fair-minded support from outside their own town. They rave against the small town tactics of Flesherton in daring to protest a game in which Owen Sound had played. The articles have not displayed any high sportsmanship qualities but the county town as witnessed in the Sun-Times of Tuesday issue which said: "If the Executive of the North Wtllington does not throw it out it will lose practically all its supporters in Owen Sound." Poor wee baby city! We won't play any more if you don't play the way we want you to!

The Sun-Times should be ashamed to publish the rot it has and it doesn't speak well for the editorship of a city daily to indulge in the smallest of "small town" tactics, which has characterized their articles.

SUCCESSFUL YEAR FOR HIGH SCHOOL

Lady Principal Was Successful In Her Year Of Work In Flesherton

When a lady principal was secured a year ago for the Flesherton High School there were a number of doubting Thomases as to the efficiency of a lady at the head of the school, and a number of scholars went to other schools in order to have a chance to pass, as they thought. However the success attained by Miss McDowell and her staff, Miss Holmes and Miss King, has been wonderful and they are to be congratulated on their work. The most notable of those passing was Miss Perle Latimer of Eugenia who tried twelve subjects, passed on eleven of them and out of the eleven secured first class honors on ten papers. This is a record which will be hard to beat in Grey County. Jack White wrote his matriculation and out of four subjects secured three first class honors and one second class. Edgar Sprott of Badgeros wrote on twelve subjects, passed on eleven, had five first class honors, two second class honors, three third and one pass.

Class 1 includes those who obtained over 75 per cent. in a subject, Class 2 between 66 and 74, Class 3 between 60 and 65 and C indicates pass standing. The following is the list of the successful pupils of the Flesherton High School:

Human Nature

Say a billion stars are in the sky,
And not a soul will doubt it;
Say the sun's a million high,
They'll all agree about it.
But hang a sign that says, Wet Paint,
And to your indignation,
Everyone will say, "It ain't "
'Till they've made investigation.

Thirteen-year-old Annie Anscombe, formerly an inmate of the Barnado Home, Toronto, perished in flames which totally destroyed the farm dwelling of Orval Harwood, con. 8, Raleigh Twp., which resulted from an explosion which occurred when she attempted to bolster up the flames of the kitchen stove with coal oil.
