Nathaniel Fitzsimmons ran into a herd of sixteen cows on the 6th of Bruce and disabled his car. Earl Avery was telephoned for and he went out with Jas. Alexander and Chas. Stenebaugh and brought in the wreck, but first of all they put the cattle in pound. It will cost over $200 to repair the car and the owner now claims damages from the owner of the cattle. John H Roppell There is no township by-law forbiding the running of cattle on the highway but it appears that when there is no township by-law the county by-law becomes applicable. The car is very badly damaged. The two front wheels are splinters and the frame twisted.—Kincardine Review.

IN MEMORIAM

JULIAN—In loving memory of our dear husband and father, Thos. Julian, who died September 16, 1921.

I cannot say and I will not say,
That he is dead—he is just away.
With a cheery smile and a wave of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be since he lingers there;
And you—Oh you, who the wildest yearn
For the old-time step and the glad return,
Think of him faring on, as dear
In the love of there, as the love of here;
Think of him still as the same, I say;
He is not dead—he is just away.

TEACHERS' UNION SHOULD BE SQUELCHED

(Mt. Foerst Confederate)

Uuder the name of a Teachers' Federation, the teachers of Ontario have established what is virtually and actually a Teachers' Union, with all that unionism implies. Similar unions have been established in other Provinces and a Dominion Federation has been formed, which has agreed to join a World Federation. Now all this would be very well if it meant simply the advancement of the interests and efficiency of the profession. But it means more than that. It means the adoption of the strike, the setting of minimums and the establishment of the boycott. The Federation is in a fair way to be an ally, or adjunct, of the I.W.W. We take the position that extreme measures mentioned above should not be permitted to employees in public services, such as the post office, the schools, the fire brigade, light and power supply. We doubt their advisability and real effi- need to enter such services unless they desire. If the services are not congenial, it is open to employees to withdraw individuality after due notice. But they ought not to combine and put the whole country to inconvenience and loss.

CAPTURED A MINK

Mr. Wm. Caswell set a small trap in his cellar for rats. Going to examine the trap one day last week he found a mink fast in it. There was an outside entrance to the cellar and the door was left open, through which Mr. Mink entered to investigate. Mr. Caswell took the small animal to the border of a swamp and liberated it. This was not altogether from a humanitarian standpoint, because in a couple of months from now he will probably do his best to capture the little animal again.

Misses Lillian and Annie Graham spent the past week with friends in Toronto.

The League had a very successful evening in the church on Tuesday evening of last week. The pastor, Rev. F. N. Bowes of Markdale, gave a number of poems written by Rev. Wm. Howie. which were much enjoyed by all present. Music was provided by the Vandeleur orchestra and Mr. and Mrs. Bowes.

Mr. and Mrs. Geo. Buchanan spent a day with friends at Chesley.

Mrs. Davidson returned to her home in Chesley after spending a few weeks with friends here. Mrs. H. Ready and two children of St. Marys returned home with her.

,Vandeleur and Flesherton played the last game of the season on the Flesherton grounds of nMonday of last week, when a double-header was played. Vandeleur won the first game and lost the second. Vandeleur attended the tournament in Clarksburg on Thursday, Aug. 30th and won the first game from Clarksburg 6 2. Vandeleur then had to play with Ivy team of Simcoe. This game was a tie until the last inning, when Ivy got in two runs. This left the teams tied on the day's play.

Quite a number from here attended the cold meat supper in the Ebenezer church on Thursday evening last, when an excellent supper and program was given under the auspices of the Ladies' Aid of the church. The play entitled, "The Last Loaf", was well given by the young people of Ebenezer church and was certainly worth hearing. The proceeds amounted to about $85.

A garden party will be held on Sept. 13th at Vandeleur. Baseball between Dundalk and Vandeleur. A good super will be served.
