FEELS BETTER THAN FOR MONTHS

MR. McNABB FINDS DRECO A WONDERFUL SYSTEM-CLEANSER AND HEALTH BUILDER —RECOMMENDS IT HIGHLY.

Mr. D. McNabb, who resides at 40 Ford Street, Toronto, and who has been watchman for six years at the Suburban Express Company office, found Dreco a splendid remedy and tells you about it in the following statement :

"Before taking Dreco," says Mr. McNabb, "my liver was sluggish and my stomach weak and I often had spells of sourness and gastritis that were distressing. My bowels were constipated so badly that I had to take a laxative every day, and a cold settled in my kidneys. It seemed as if I could not get rested. My appetite failed me and my condition got so bad that the thought of food even fairly sickened me. The result was that I was getting no nourishment and my system was getting weaker every day.

"Since last spring I have taken several different medicines, none of which gave me the least result. Then Dreco was suggested to me and I thought I could do no more than give it a trial. This I have done and the improvement that has resulted in three short weeks is little less than marvelous.

"My constipation is greately relieved, my appetite is improving and no longer do I have that tired, weary feeling. My food digests well and I have been freed of my gastric trouble and sourness. My liver is active once more and my kidneys much stronger and I can notice that since my system has been purged, the yellow jaundice, which had developed during the course of my sickness, is gradually disappearing.

"All in all, I am wonderfully improved and gladly give the credit to Dreco."

Anyone's system is apt to get run down, but it can be readily built up acain with Dreco. This grand herbal remedy contains no mercury, potash or habit-forming drugs and is the most reliable tonic and regulator for digestive troubles ever put on the market. Let it free you from unnecessary suffering by putting your stomach, liver, kidneys and bowels in proper working order.

Dreco is being specially introduced in Flesherton by C. N. Richardson and is sold by a good druggist everywhere.

Lost In Last Game Owen Sound's Group

Owen Sound senior North Wellington team won from Flesherton at Hanovr on Wednesday afternoon of last week in a very disinteresting game from the spectators' viewpoint. It was one of the worst games between the two teams this year. Flesherton had a couple new men on the line-up, but even with them on the tetam, they failed to hit when a hit meant runs. That has been the whole trouble with the team this year, as they hadn't the punch behind them to win when needed. Owen Sound deserved to win on the play, their pitching staff being strengthened by Whinfield being brought home from Oshawa to play. Goldsmith didn't seem to be in the best of shape, as he was taken out of the box in the third and Mountain relieved him, but was unable to find the plate and issued three walks in an inning and a half, when "Heck" came back again and held them fairly well. Beard and E. Muir brought the first two runs in during the third inning and tied the score, when Mountain hit to left field with none down. Howard brought in the last run when Beard singled to left.

Score by innings :
Flesherton — 002100000—3
Owen Sound—11412000x—9

Flesherton players :

Beard, E. Muir, Mountain. Goldsmith, Warling, Dow, Dillon, McLeod, Howard.

Public Speaking Winner

Speech given by Miss Cora McFadden of the Flesherton school which received first prize at the Fair on Saturday. Although the other speeches given were real good we print this as it received the highest marks of any, boy or girl.

The subject I have chosen this afternoon is "Canada." We believe that this Canada of ours is the best country in the world. It has an invigorating climate, unlimited resources, noe of the best inland water systems in the world, and affords unequalled opportunities for people who are not afraid of work.

Although our Dominion is quite yonug — only 56 years—yet during that time it has been clearly shown that she is quite capable of taking her place among the first nations of the world. We are proud of our connection with the British Empire, and have proved within the last few years that we are both able and willing to do our share in defending the Empire to which we belong.

One of the greatest problems of Canada to-day is the Canadianizing of the different nationalities within our boundaries, so that we will have in our land one united people, with the same ideals, all striving towards making this country of ours one of which we may well be proud.

Let our motto be : "Canada for the Canadians."

PROTEST TO BE HEARD

Flesherton's protest against the Dundalk team will likely be heard some time this week.

Srtatford announces the phenomenal success of L. M. Sprung, who has passed his junior matriculation with honors, seven firsts and five seconds, at 14 years of age. This is surely a record. He holds, also the junior athletic championship of the Collegiate there.
