Lockhart of Dundalk hit a home run and J. McLeod hit over the left field fence for a hrebagger. The boys on these teams will soon be chasing the older fellows off the diamond altogther.

A Correction

In the matter of the accident that befel two boys on the east back line recently we are asked to explain that the car in question was not taken wihtout leave by Mathewson, that Reg. Hutton was merely invited to go along as a guest of the driver after the car was ready. We are pleased to make this explanation' as there was no desire to put a wrong face on the motive of either of these boys.

A CLEVER CHINAMAN

Mr. Djang graduated in arts in a student, occupied the pulpit in the Methodist church Sunday morning and evening and gave two very interesting addresses to large congregations, dealing more particularly in the morning with the church work in China. He is quite optimistic over the conditions in his cuntry and believes it will not be long until China becomes a Christian country.

Mr. Djang graduated in arts in a Chinese university, and is now in the senior year at University College, Toronto, taking studies in Political Science and Sociology. Next year his purpose is to enter Knox College to study Theology, preparatory to returning to China. Before leaving China Mr. Djang was one of the leading spirits in the students' movement in China, in the Province of Shantung, speaking in the day time and doing editorial work in the evening. Mr. Djang is in residence at Knox College and assists in the Library. He is a member of the Chinese Independent church, which is an effort to overcome the multiplicity of denominations.

McKinley; Euphrasia, Mr. S. A. Goff; Collingwood, Miss A Acheson; Meaford, Miss G. Sutherland; St. Vincent, Miss E. Scott; Flesherton, Mr. R. G. Holland; Thornbury, Mr. Urquhart; O. E. A. delegates, Miss E. Ferris and Miss Olive Brown.

Mr. R. G. Holland and Miss E. Reynolds were in attendance from Flesherton school, and Miss Edna Ferris from Springhill.

Gowns For Choir

On Sunday the choir of the Methodist church appeared for the first time in gowns which were jointly purchesed by the choir and the Ladies' Aid. The general verdict of the surpliced choir is that they were quite becoming, to the feminine beauty especially. These gowns were purchased under the pastorate of Rev. Oke,but could not be used soonr. eSo as to giv the choir more encouragement to provide sweeter music the Board of the church is we understand, contemplating the installing of comfortable individual plush seats. No doubt these will be welcome to the members.

CARAVAN OF CARS AND TRUCKS IS COMING THIS WAY

A strange caravan is touring the roads of Ontario, and headed for Flesherton at the rate of eight to ten miles an hour, travelling on schedule, rain or shine. Nothing stops it, and nothing is allowed to interfere with its schedule, yet it givs entertainment and instruction to thousands of people as it wends its way. It is a modern caravan of motor cars and motor tractors—all of a type, of the same make, and with a definite purpose. It is the "Ford Caravan" or the "Ford Travelling Exhibit."

During the Canadian National Exhibition the caravan took the road and has been visiting important centres as far east as Kingston, then turned back and will be at Flesherton on Monday, October 22nd.

A black tent will be erected on the farm of Mr. Wm. Stewart, in the suburbs, and moving pictures showing the construction of Ford machines and the many uses to which they may be put.

An exhibit of the entire line of cars will be shown; a sction will be devoted to an entire line of farm machinery, operated by tractors, the actual machines themselves being brought along; another section will show industrial equipment operated by tractors; and then, the movie tent will be in continual operation all afternoon and evening.

Plans are being made for a ploughing demonstration on same farm by two well known plowmen of Ontario.

The exhibit will give a wonderful demonstration of the various uses to which the Ford cars and tractors may be put, and the fact that it can undergo three months of steady hammering over country roads, going very day, without breaking in on the schedule, is a stricking demonstration in itself of Ford confidence in Ford products.

A visit to town on Monday of next week, the 22nd, will be well worth while, to see these wonderful machines.

VICTIM LAID TO REST

Large Funeral On Thurs. For Late Albert Arnott

The funeral of the late Albert Arnott, who was so tragically killed by an infuriated bull on Tuesday of last week, took place to Mount Zion cemetery on Thursday of last week. The cortege was probably the largest ever seen in this district, there being 90 autos in the processioin, besides a large number of horse drawn vehicles. The line of vehicles extended a mile and a half. The funeral was held under the auspices of Dundalk Masonic Lodge, of which deceased was a member, and the pallbearers were members of that lodge.

Osprey Council attended in a body, also a number of County Councillors and ex-members of Owen Sound, and many from outside points. It was estimated that there were a thousand people present.

Mr. Arnott was Deputy Reeve of Osprey Township two years ago, and consequently a member of the County Council.

SHOOTING MATCH

A shooting match for ducks and geese will be held at Mr. Lou Teeter's on October 24th, with both shotguns and rifles. Shells supplied for shotguns.

Township Deputations Wait On Dr. Jamieson

A deputation consisting of citizens of the townships of Egremont and Proton waited on Hon. Dr. Jamieson on Monday to lay before him a request that the Provincial Government designate the road from Conn to Priceville as a County-Provincial Highway and connect with the Collingwood-Hanover County-Provincial Highway at that place.

The deputation claimed that this is one of the most used roads in the two townships for parties travelling north or south, and that, as the Provincial Highway from Arthur to Kincardine passes through Conn, the completion of the fourteen miles from Conn to Priceville would link the two townships up with two good highways, north and south, and be of great benefit to the travelling public.

While not promising anything, Dr. Jamieson gave the deputation his word that h would lay the matter before the Minister of Highways and would do what he could for the Townships in the matter.
