Two barns on the outskirts of Durham were burned recently without any known cause, and incendiarism is feared. The barns belonged to Thos. McGirr and John Lawrence.

Edward Pinch of Ravenna got his leg caught in the revolving shaft of a gasoline engine and badly lacerated. It was thought at first the leg would have to be amputated, but this proved unnecessary.

OWEN SOUND DIST. HOLDS PARLIAMENT

Young People's Organization Hold Novel Convention

HON. THOS. CRAWFORD WAS SPEAKER

With the Hon. Thos Crawford, ex-Speaker of the Legslature and at presnt Minister Without Portfolio in the Ontario Government, as Speaker of the House and Rev. John Locke of Owen Sound as Lieutenant-Governor, the first Parliament of the Young People's Society of the Owen Sound District met in the Methodist church here on Tuesday afternoon. This Parliament was taking the place of the auunal convention. Rev. H. H. Eaton of Flsherton was Premier and leader of the Government side· Rev. M. S. Elliott of Own Sound leader of the Opposition and R. R. Nicholson of Owen Sound, as leader of the Independant group

The Ministers of the Government were composed of the Vice-Presidents of the different departments of the Young People's work, as Churistian Endeavour, Missions, Citizenship, Literature, Winter and Summer Schools, Finance and Records and Clerk. Each Minister gave his report on the year's work and each department had shown considerable advance over the previous year's work, the most noticeable being in Missionary givings, where an advance of $200 was made over the previous year's collections. Mr. Chas. A. Waite of Owen Sound was the leader of that department.

The Parliament was held under strict parliamentary lines with one or two exceptions bing made to suit the ocsasion. Discussions on each report were entered into with great enthusiasm by the members and Rev. M. S. Elliott proved to be an able leader of the oppositon. Considerable benefit was received from these discussions relative to the plannig of meetings and to further the work of the Societies. The Misisonary objective for the year was raised to $1,500 for the coming year and the general opinion was that the amount could be reached with a little more effort by the Vice-Prsidents It was decided to continue the League debates that were so sucessful last year and to invite other Districts to participate and send their winner for final debates.

Resolutions were brought forward thanking the ladies for the bountiful meals given to the 175 members and other visitors, and also to the Hon. Thos. Crawford, who so ably presided as Speaker of the House. The list of officers for the coming year was presented to the House and this was adopted empowering the committee to make any changes that might later be necessary No doubt the discussions that took place on the subjects of church, Young People's work and of the problems of the country could only work one way, and that would be for renewed enthusiasm in the work of the Societies.

The following were the officers appointed for next year : Hon. Pres., Rev. John Locke, Owen Sound; Pres., Rev. H. H. Eaton Flesherton; 1st Vice Pres., Wm. Garbutt, Own Sound; 2nd Vice-Pres., Chas. A .Waite, Owen Sound; 3rd Vice Pres., Mr. Russell Patterson, Inistioge; 4th Vice-Pres., Mr. Howard Graham, Vandeleur; 5th Vice-Pres. was not appointed; 6th Vice-Pres Jr. League, Mrs. Spencer, Dundalk; Cor. Sec., Miss Olive McDonald, Owen Sound; Rec. Sec., Miss Ira Merriam, Chatsworth; Treas., Miss Amy Hanbury, Dundalk.

There were three sessions of the Parliament one at 10.00 a.m., one at 2 p.m., and one at 7.15 p.m.

Burglary At Shelburne

The store of the Norton Fisher Co. was entered by burglars some time during Friday night and goods to the value of $500 or $600 stolen, including two men's overcoats, two ladies' muskrat coats, ladies' dresses, sweaters, etc. New iron gates had just been placed at the front doorway of the store on Friday and the robbers did not attempt to get in that way but got in from the west side of the building from the rear, taking the door off the coal chute and thereby effecting entrance to the rear cellar. A crowbar was used on the heavy door that led to the front cellar until the iron clamp that held the bar in place broke, and after that the work of the thieves was easy as there was ready access from the front cellar to all parts of the store. Two overcoats were taken form a pile that had been unpacked and left on a counter Friday afternoon. Other articles were taken from downstairs and the ladies' coats and dresses from upstairs. The booty was carried through the cellar and out by way of the rear door of the cellar which is bolted from inside This door was left wide open by the visitors. A Provincial constable was on the scene Saturday but no arrests have yet taken place.—Economist.
