Rev. Veales of Kimberley preached an able sermon in the Methodist church Sunday evening from the text: "And Elisha prayed and said, Lord, I pray thee, open his eyes that he may see. And the Lord opened the eyes of the young man and he saw; and, behold, the mountain was full of horses and chariots of fire round about Elisha." Rev Eaton, the pastor, preached the anniversary sermon at Kimberley.

REPORTS OF SHOOTING

PLENTY OF DEER IN ARTEMESIA, BUT THE LAW SAYS THEY ARE PROTECTED.

Deer appear to be quite plentful in this vicinity this fall, many reporting having seen from one to seven in a bunch. A gentleman living near Priceville is suspicious that poachers have been trying, and perhaps succeeding, in sniping some of these animals. It is a dangerous proceeding if true, because they are protected in this county Those who believe shooting of deer in this county is open this fall will be likely to have their beliefs badly shattered if they undertake to capture any

CAN OF CREAM CAUSES TROUBLE

Court was held in the town hall, Flesherton, on Friday afternoon of last week, when a charge of theft against Russel Hill, driver for the Markdale creamery, was heard before Magistrate Creasor of Owen Sound. Crown Attorney Dyre appeared for the prosecution and Lucas & Henry for the defendant.

It seems that a couple of weeks ago the defendant entered Hillock's house and took a can of cream while the occupants were away, and did not make any returns or return the can, which belonged to the Shelburne creamery. Mr Hillock tried to get a settlement but the creamery people were only willlng to pay $2.50 for the cream taken. After action had been taken the defendant returned the can. Judgment was given against defendant for amount of claim,which was $5 and costs, which would be heavy. Hill claimed that the money had been sent, but to the wrong address.

We Have Niagara Electricity

Niagara power can now be used when required on the Eugenia system. The tie line uniting the two systems between Harriston and Mt. Forest was completed a few days ago. At the latter place there is a frequency changing station, which steps up the Niagara current from 25 cycles to 60 cycles of the Eugenia system. The connection with the Niagara system will prevent any possible shortage of power in the future.

W .M .S. CONVENTION

Will Be Held In Westside Church Next Year

The thirtieth convention of the Owen Sound district of the Woman's Missionary Society was held in First Methodist church, Owen Sound, on Monday last, Oct. 29th.

The afternoon session was presided over by Mrs. J. H. Rutherford, District Superintendant.

The devotional exercises were as follows: Doxology, Our Watchword, the Lord's Prayer, hymn 274, Psalm 136 by Mrs. W. Martin, Inistioge, and prayer by Mrs Rusk of Harkaway.

Delegates were present from Chatsworth, Holland Centre, Markdale, Flesherton, Inistioge, Harkaway, Dundalk, Massie and the three churches in Owen Sound. The following from this Auxiliary attended: Mesdames H. Down, J. Heard, W. H. Thurston, G. Mitchell, W. Moore, J. Cargoe, W. A. Armstrong and Miss Mitchell. From the Band, Misses A. Henderson, E. Bentham, F McFadden and F. Mathewson.

Good rousing reports were given from Auxiliaries, Circles and Bands, showing that the Woman's Missionary Society is trying to do more than play at Missions.

Miss Hilda Porte sang beautifully "Shall that someone be you?"

Mrs. S. Breese, Chatsworth, gave an excellent talk on "The importance of the Devotional exercises in the Auxiliary meetings." Other good things she said was that if the Devotional exercises were taken away from the meetings the kernel is taken out and only the chaff remains.

The report of the District as read at Branch Meeting last May showed an increase in membership, but a decrease in funds.

Miss Florence Fee of Holland Centre has offered herself for service.

Mrs. (Rev.) J Locke of Owen Sound gave a paper onThanksgiving, reminding us that we have so much in nature and in grace to be thankful for, and gave us a motto for the next two weeks, "Bless the Lord, oh my soul, and forget not all His benefits."

Mrs. J. H. Rutherford and Mrs. Packham were re-appointed Superintendent and Sec.-Treas. respectively.

Miss Edith Sparling of Chungking, China, an important city of 800,000 on the Yang-tse-kiang, spoke on her work in that city of darkness, though there are four missionary societies at work there. Miss Jack, Miss Marion Coon and herself represent the W.M.S of Canada, and have three primary schools and one boarding school which is the only one in the city. Miss Sparling spoke on the evangelistic campaign, when one thousand were converted. There were not enough missionaries to care for the flock, to feed them, or in other words, to teach them Divine things, or five thousand might have been gathered in. The church held six hundred people and for one hundred and twenty nine nights it was filled during the evangelistic campaign.

An invitation from Westside to meet there next year was accepted.

Mrs. Krieger, formerly Miss Etta Douglass, who has spent some years with her husband as missionary in South America, led the "Quiet Hour" when she gave an ernest talk on consecration.

A bountiful repast was served at the close; and during the tea hour Miss Helen Hurd of Ueda, Japan, read a letter from Miss Allen describing the earthquake, some details of which were terrible in the extreme. Though ruin surrounded the mission compound they were left standing.

Mrs. Logan, Westside, conducted the evening devotions, and Rev. John Locke acted as chairman. Miss Sparling again enthralled her audience by the thrilling story of her experiences in Chungking, China, and the benediction closed the meeting.

The Booth fisheries plant at Wiarton was damaged by fire Sunday night to the extent of $20,000, including a tug which was burned to the water's edge.

HORSE WON HONORS AT ALL THE FAIRS

"Mack Wildfire," the bay colt owned by Dr. W. J. Hodson, V. S., of Owen Sound has in all probability established a record for the number of 1st prizes received by any one animal shown at the fall fairs in this district this season. The fall fairs in this section of Ontario are now completed and the horse was competing against the best in the district, and in many cases was faced with very stiff competition.

Dr. Hodson holds thirty one first prizes, won by the horse at eight shows. There are also four second prizes In these eight shows, among them being Flesherton, the horse was never beaten in the classes for carriage horses and for the best turn out.

Second prizes were secured where the horse was entered in special classes. At the Owen Sound Fair, Dr. Hodgson's present horse was competing against "Harry Wilkes," a horse formerly owned by him but now owned in Fordwich. The two horses divided the honors equally.

The horse was bought by Dr. Hodson at Thornton, Ont., from the Blackstock Stables. Since that time the horse has been broken in for the first time and much of the credit for educating the horse has been due to Mr. Thos. Findly, who trained the horse to single harness since July 19

"Mack Wildfire" is an exceptionally fine-looking horse and at all the fairs at which it was shown attracted a large amount of favorable comment.

Coon Hunting

The Advance has received a complaint that certain parties have been capturing racoons before the season opened. The open season for this animal is from Nov. 1st to April 15. The man who hunts coon outside of these dates is heading off the law-abiding citizen as well as fracturing the game law. The honorable coon hunter is justified in making protest.

SHOOTING MATCH

A great big shooting match will be held on the farm of Harman Radley, near town, Thanksgiving Day, when 15 geese, 100 chickens, 40 ducks and a bunch of turkeys will be shot for. Ammunition supplied. Shot gun and rifle. Shooting commences at 1 p.m

At What Age Will You Retire?

That depends. Suppose we say at sixty. All right—how much will you have saved by then?

No! You must guess again. Only three men in a hundred save enough to retire comfortably at sixty.

And about two out of the three do it because they've put part of each year's earnings into Endowment insurance, such as provided by The Imperial Life.

Write today for particulars of this plan.

It's a phase of life insurance that will interest you, even if you never thought of it before.
