DEBATING CLUBS FOR SOUTH-EAST GREY

At the recent annual meeting of the U.F.O., a committee was appointed to see if any way could be devised to give the rural peopl a chance and an inducement to become more efficient in public speaking. This committee has dicided to offer a cup for the winners of township debates. W. G. Firth of Durham was elected Pres. man was elected President and and Stewart McArthur Vice-pres., and T. S. Cooper of the Department of Agriculture agreed to act as Secretary. A South-East Grey Debating League was formed and it was decided that each rural organization, no matter whether it was a farmers' club, woman's nstitute, church organization or whatever auspices the organization worked under, would be welcome to enter teams in the contest. It was thought best that each township should have their own debates and the winning organization in that township select the debaters in the inter-township contests. Rules may be had from the Secretary at Markdale and all entries should be in not later than Jan. 5th, 1924, if the organization is to become a success during the coming winter.

IN MEMORIAM

JAMIESON—In loving memory of our dear father, D. W. Jamieson, who died Oct. 20th, 1915, also our dear mother, Mrs. D. W. Jamieson, who died November 17th, 1915.

In the graveyard softly sleeping,
Where the flowers gently wave,
Lies the two we love so dearly
In the lonely silent graves.

In the silent graves we laid them
'Till the morn when Christ appear;
There with joy we hope to greet them
Far beyond this vale of tears.

—The Family.

IN MEMORIAM

THISTLETHWAITE — In loving memory of our dear daughter, Ruth, who entered into rest Nov. 17, 1920.

We often sit and think of her when we are alone,
For memory is the only friend that grief can call its own;
Like ivy on the withered oak when other things decay
Our love for her will still keep green and never fade away.

—Father and Mother.

A FAMLIY STRICKEN BY BLOOD POISONING

A Clarksburg family has been severely stricken recently. About a month ago a son-in-law of Mr. Robert McKnight, Mr. Edward Pinch, of Ravenna, got caught in a cutting box and one leg was terribly crushed, making amputation necessary. Infection set in and death ensued eight days after the accident. While assisting to nurse the injured man Mr. McKnight contracted blood poisoning and had to have his right arm amputated in order to save his life. For some time his life was dispaired of but he is now thought to be out of danger. Mrs. McKnight also contracted blood poisoning from the same source but an early visit to the hospital saved her from serious consequences.

Mr. McKnight is an ex-Reeve of Collingwood township and is well-known throughout the County. He resides in Clarksburg.

Robert Francis Guy Dies From Pneumonia

We regret very much to report the death of Robt. F. Guy, son of Mr. and Mrs. Thos. Guy of Maxwell. His death came as a great shock to his many friends here. The deceased moved from Toronto about two years ago to his father's farm on the Collingwood gravel. He leaves to mourn a young wife and two small children, also his father and mother, and sister, Mrs. Andrew Pallister, of Maxwell and one brother, Jim, of Toronto. Rev. Duffield preached a sermon in the Methodist church to a large gathering of people, and thence the remains were taken to Maxwell Methodist burying ground, where the young man, who was only 32 years of age, was laid to rest.

We loved him, yes, we loved him,
But Jesus loved him more;
And he has sweetly called him
To yonder shining shore.

"In order to kill a town all you have to do is to underrate every present and prospective enterprise, speak ill of churches and schools; tell everyone the hotel is bad; enlarge the vices of the people, especially the young people; withhold the patronage from your merchants and tradesmen, and buy your goods at some other place; never subscribe for your local paper and if you are in business refuse to advrtise."
