Thrift

does not mean privation and doing without the pleasures of life. In its true sense, thrift is simply common sense applied to spending.

How much of your money have you spent during the past year on things that added little or nothing to your comfort or pleasure?

Don't make the same mistakes in the future. Just put a little more by in a *Bank of Toronto Savings Account* for the rainy day.

Andrew Carnegie said: "The best way to accumulate money is to resolutely bank a fixed portion of your income, no matter how small, in a good, sound Bank."

The Bank of Toronto is a good, sound Bank.

ORDINATION AND INDUCTION OF PASTOR

An impressive and interesting double ceremony took place in Chalmers Presbyterian church on Thursday afternoon last, when Rev. J. Harrower was ordained and inducted to his charge here.

Rev. Thornley of Shelburne preached an impressive ordination sermon from Acts 11—24: "For he was a good man, and full of the Holy Ghost and of faith, and much people were added unto the Lord."

Rev. Mr. Shannon of McIntyre delivered the charge to the new minister, speaking from 1st Timothy 4-16: "Take heed unto thyself and to thy doctrine."

After the service was closed a reception was given to the new minister and his wife, after which all sat down to a luncheon in the basement where cheer and good fellowship prevailed.

The Advance bespeaks a profitable and pleasant sojourn in Flesherton for the young minister and his bride of a few months.

At the close of the service the Presbytery Committee met with a delegation from Priceville in connection with a call given by Priceville to Rev. G. I. Craw, now of the Peterboro Presbytery. This call was unanimous and was supported by a large delegation. The call was sustained.

Grocery Business Sold

A real estate and business deal took place in town on Friday of last week when Mr. C. J. Bellamy sold his store and grocery business to Mr. G. E. Henry of town, who will take charge on January first. Mr Bellamy has been in business in Flesherton for quite a number of years and has occupied his present place of business on Sydenham street for the past five years, the first three in partnership with his brother, A. E. Bellamy. Mr. Henry has been in the insurance game in town for the past year and a half, and we understand he will coninue it as a side line. It is likely that Mr. W. G. Kennedy of Toronto will be in partnership with Mr. Henry and they will outfit a first class grocery, and will carry flour and feed.

The Load Of Squeal Upset

An Osprey gentleman had trouble in delivering a load of hogs here on Tuesday. He had occasion to stop on the road near town, when some other teams passed his wagon. In the passing of these his team became scared and turning sharply around upset the whole load of squeal. The team ran away and damaged the wagon considerably before they brought up against a pole. A Good Samaritan who had already delivered his load happened along. The thirteen pigs were captured and bundled into his wagon and the porkers arrived at the station not much behind schedule time. Thirteen is an unlucky number. Perhaps the owner will only bring twelve next time.

DID SOME WORK AT RINK

Some work was done on the rink last week getting ready for the making of ice. With plenty of water this year ice should be made in record time if the weather gets cold.

INVESTING FOR THE FAMILY

Abram Lincoln humorously said of a poor neighbor's assets, "He has a wife and two children which I should think are worth thirty-five thousand dollars to any man."

The family is the greatest wealth of every member of it—the first concern of the individual or of society. It is a golden investment and needs the same protection and care that any investment requires.

One of its best safeguards is good reading; one of the things that puts it in jeopardy is bad reading. The Youth's Companion has always been, in the matter of supplying good reading, what a United States bond is to the investor. Its principle is guaranteed, and its interest is paid with every issue. Try this investmnt for your family.

The 52 issues of 1924 will be crowded with serial stories, short stories, editorials, poetry, facts and fun-Subscribe now and receive:

1. The Youth's Companion—52 issues in 1924.
2. All remaining issues of 1923.

Protect yourself by anticipating your needs and lay in a supply for future requirements. Our stock of staples at the present moment is larger than it has been in the history of our business.
