Hospital for Sick Children

COLLEGE ST., TORONTO.

Dear Mr. Editor:—

Recent discoveries in medical science have called attention to the great service rendered by an up-to-date hospital through facilities provided for research. Probably few laymen appreciate the amount of this work conducted under the auspices of the Hospital for Sick Children. Yet it is only by intensive study of the causes of children's diseases that the hospital staff has been able to establish a world-famous record for cures. Statistics show that the rate of infant mortality in this Province has been steadily decreasing, until it is now among the lowest in the world. What that means is that hundreds of Ontario parents owe their children's lives to the research work in the laboratories of the Hospital for Sick Children.

Although the doctors give their services freely, the bills for equipment add up annually to a good many thousands of dollars. But in view of the results attained, I feel that not one of your readers will cavil at the money so spent, and I confidently venture the hope that many of them at this Christmas season will wish to enrol themselves in the Hospital's campaign on behalf of Ontario's childhood.

To carry on this research work there is not one cent except what comes in from voluntary subscriptions. For the care of the children occupying hospital cots there are certain statutory grants, but these represent scarcely more than half what the Hospital needs. Last year, for instance, the Hospital doctors looked after an average of 253 in-patients and 192 out-patients daily. Quite a colony of ailing youngsters! And the expenditure — although whittled down to the minimum commensurate with efficiency — was $318,917. The income to the extent of at least $100,000 depends upon the regard which the people of Ontario have for the Hospital's work and the generosity with which they express that regard.

May I ask you, Mr. Editor, to point out to your readers that since the establishment of the Hospital for Sick Children, at least four more Ontario youngsters in every hundred have survived the trials of childhood? For with that simple statement of fact brought to their attention I feel sure that many of them will bestow their benediction upon the work of the Hospital for Sick Children by sending some Christmas gift, according to their means, in care of the Secretary-Treasurer, at 67 College Street, Toronto.

Faithfully yours,
IRVING E. ROBERTSON,
Chairman of Appeal Committee.

Since the Hospital Opened Its Doors in 1875, 65,231 In-Patients Treated — 603,055 Attendances of Out-Patients.

LIGHT SENTENCE WAS GIVEN FOX

Owen Sound, Dec 9—Mr. Justice Sutherland, sitting in the Criminal Assizes here yesterday, sentenced Wm. Fox of Meaford, formerly of Toronto, to detention for not less than six months and not more than two years less one day.

Fox was found guily by a jury of charge of arson in connection with the recent destruction by fire of the Euphrasia mill near Duncan. He admitted his complicity, but his Lordship stated that he had dealt leniently with him because of testimony as to his former good character which had been submitted.

Fire Marshall E. P. Heaton of Toronto had previously entered a plea for leniency, in vew of the fact that Fox had acted under the direction of his employer, William Moore, who was sentenced to four years in the penitentiary about a month ago, and that he had subsequently given information respecting the causes of other fires in the district. Postmaster Hammill and Chief Constable Clark also asked for leniency for Fox.

ANOTHER PIONEER PASSES AWAY

MR. JOHN LYONS OF SAUGEEN JUNCTION WAS IN HIS 90TH YEAR

Another of the pioneers of Artemesia township has passed away in the person of Mr. John Lyons, who died at the home of his son at Saugeen Junction on Tuesday, December 4th, in his 90th year.

The funeral took place to Flesherton cemetery on Thursday afternoon, the services in connection therewith being conducted by Rev. W. G. Blackwell of Dundalk. The deceased was born in England, from where, when about four years of age, he came to Canada with his parents and settled near Toronto. Over sixty years ago he came to Artemesia township and for a few years lived on the Toronto line three miles south of the village. Later he moved to the farm near Saugeen Junction where the remainder of his life was spent with his son in their comfortable home. He succeeded in farming and made a competency for his declining years. He was a man of integrity and kindly disposition and was highly respected in the community. Mr. Lyons was twice married, first to Miss McGuaghy of Artemesia, and afterwards about fifty years ago to Miss Louise Bellamy of Flesherton, who died eleven years ago.

The children of his first marriage were: William in the West; Charles Proton Station; John, Portlaw; Thos., deceased; Mrs. John Hodgin, Proton; Mrs. J. W. Marshall, Toronto; and Mrs. (Dr.) Thompson, Clinton. Those of his second marriage were: Robert and Edwin in Winnipeg; Wesley, deceased; Jared, on the homestead, Saugeen Junction; Mrs. John Hockley, Markdale, and Mrs. Wm. Little of Osprey.

Mr. Lyons was an Anglican in religion, a Conservative in politics and one of the oldest Orangemen in the district. He was among the first members of old 244, now located at Proton Station.
