RESPECTED CITIZEN PASSES AWAY

Joseph Clinton passed Away Sunday—Week's Illness

Mr. Joseph Clinton, a much respected resident of Flesherton, passed away at his home here on Sunday night after a week's illness from pleuro-pneumonia.

Mr. Clinton was born in Hope township 70 years ago, and came to Osprey township with his parents, the late Mr. and Mrs. John Clinton, when only two years of age. After reaching man's estate he purchased a farm on the 4th line, Osprey, where he lived some years. Late in life he married a Mrs. Fairey, whose death we chronicled about a year ago, and moved to Flesherton where he has resided for a number of years. He was a good citizen and will be much missed, especially in the Methodist church of which he was caretaker for a long time, and rendered efficient service.

He leaves behind three brothers and three sisters—John of Edmonton, Wesley and Will residing in Toronto, Belle, who is seriouly ill and who lives with her sister, Mrs. R. Meldrum, (Sarah) Artemesia, and Carrie (Mrs. Jos. Gamey) of Toronto.

The funeral took place on Tuesday afternoon. Service was held in the Methodist church, after which interment took place in Flesherton cemetery, beside the remains of his late wife.

Those who attended the funeral from a distance were Mr. and Mrs. Jos. Gamey, Mr. Wes Clinton and Mr. W. Fairey of Toronto.

The Advance can say with emphasis that the deceased gentleman was a man of strict integrity and sincerity of purpose. He did not know what it was to have a human enemy.

The Auto Sleighs Are On The Roads Again This Year

Last winter Mr. George Brackenbury, mechanic at D. McTavish's garage, built a winter automobile from a Chevrolet chassis and engine. It had certain defects which Mr. Brackenbury has endeavored to eliminate, and evidently he has succeeded. On Saturday evening he tried out his new model, which is of the coupe style, driving out to Badgeros. On the McIntyre-Badgeros sideroad he declares that he encountered snowdrifts ten feet deep. The road was as full of snow as the storms of winter can make it, and his snow car went over them like a bird. On Monday evening George came in from Feversham in a little less than half an hour, a distance of eleven miles. The car is cosy and comfortable to ride in. George has put a lot of money and time on his invention and we trust his brightest hopes will be realized.

Rev. Mr. Eaton also has a road auto which he has been trying out but has not reached the perfection acquired by George. Rev. Eaton goes to his appointment at Inistioge each Sunday with his "bus."

T. L. MERCER HAD BIG LOSS IN HIS STOCK

Coucillor T. Mercer has met with a heavy stock loss. A week or so ago an inspector came up from Toronto and inspected his herd of thoroughbred Durhams with the result that nineteen head were condemned, including the male head of the herd for which Mr. Mercer had paid $1000. Sixteen of the infected animals were taken to Toronto and slaughtered. We understand that only three of the animals were condemned as totally unfit for food. The loss to Mr. Mercer will be heavy.

Passed Away Suddenly

On Sunday night last Miss Vina Watson, daughter of Mr. and Mrs. Jos. Watson of Mt. Zion passed away. Miss Watson was troubled with a weak heart for some time. She was about 26 years of age. The deceased young woman was an estimable personage, and much beloved by all who knew her. Her death will be a hard blow to the parents, to whom much sympathy is extended.

Dundalk Won In Hockey

The Flesherton Tuxis Square hockey team drove to Dundalk in the rain on Thursday evening last and played the juveniles there to a real game of hockey. The ice was quite soft and, with other difficulies, the boys were unable to win, the score being, we surmise, around the numbers of 8 to 2 in favor of Dundalk. When the lads got home in the early morning they looked as though they had come through a lake. No doubt the boys will give a better account of themselves the next time as they have had no pracitce this year yet.
