it's a good idea to have a *choice*

SUPPOSE you have what you feel is a good opportunity which calls for bank credit. If one bank cannot see it your way, or if you think you can get a better deal elsewhere, you're free to "shop around".

Banks compete to serve the most diversified needs, no matter how specialized any of them may be . . . personal, business, or farm loans, money transfers, collections — to name just a few.

More than 95 out of 100 bank loan applications are decided "right in the field" — in the branches — by bank managers who take a personal interest in serving their customers' individual requirements.
