ROCK MILLS

A large number from arouna here attended Collingwood Fair on Saturday, and report a splendid Fair and a very large crowd.

Mr. and Mrs. George English left on Wednesday morning of last week on the return trip to their home at Wilder, Idaho, after spending two weeks with relatives and friends here.

Mr. and Mrs. Wilfred Phillips of Owen Sound visited last week with Mr. and Mrs. C. B. Wilson.

Mr. and Mrs. Chas. Newell visited on Friday with Misses, Mary and Kate McFayden near Durham.

Mr. John Hargrave and Mr. and Mrs. Fred Hargrave attended the funeral of the former's brother, the late William Hargrave, which took place in Dundalk Saturday afternoon. Our sincere sympathy is extended to the tamily in their loss.

Mr. and Mrs. Dick Clarke visited with relatives in Owen Sound over the week-end.

Our sincere sympathy is extended to The Thurston family in their very sad bereavement by the passing of their dear son and brother, Bruce, who passed away Monday night from injuries received in a car accident.

"Is this the Women's Exchange?" asked Reuben.

"Of course. What do you want to see?"

"Well, if you're the woman, I guess I'll keep Sarah."

EXCERPTS FROM A NEWS LETTER

Issued by The

Ontario Cream Producers' Marketing Board

We quote:- "Creameries that continue to accept second grade, or even "Liner" first grade, cream and pay for it as first grade are maintaining an almost insurmountable obstacle in the way of quality improvement. It may well seem hard-boiled and undesirable to the producer to have Cream that is even questionable put down in a lower grade and paid for as such, or else refused, but in the long range, Cream Shippers who persistently produce a poor quality are doing themselves little good and are a tremendous detriment to the industry. The challenge faces everyone in all branches — each must decide whether we will be known as one who helped improve the quality of our butter or just a stumbling block."

Signed, "R. W. Morrison."

NOTICE

Commencing on the 1st of October the Creamery will be closed on Wednesday nights.

VICTORIA CORNERS

Congratulations to Mrs. Neil Winters and pupils in their capturing second prize in the school children's parade at Dundalk Fair giving them a $6.00 cash award. The little boys were dressed in young farmer attire carrying a product of the soil, the little girls in sunbonnets and aprons topping off their pretty little dresses and carrying flowers. They marched behind a banner of recognition—S.S. No. 4, Artemesia.

Mr. Elwood Lang, Weston, was a recent week-end guest of his aunt, Mrs. Reed.

Sorry to report the illness of both Mr. and Mrs. Wilfred Gallagher. We trust that both may soon have their usual better health restored.

Mr. and Mrs. Clayton Betts, Grant and Gail enjoyed Saturday at Collingwood Fair.

Sunday afternoon and evening proved grand weather for the Anniversary Services at Inistioge United Church. Sixteen years ago being the Jubilee year at the Church and Mr. Bannister, the student minister on our field—Inistioge, PProton and Hopeville, he proved himself a capable minister and decorator as well. Because it was at that time that the church took on a new coat of colours in redecorating. This year in keeping with the times Rev. Mr. Bannister, now a full fledged clergy, highly esteemed minister at Simpson United Church, Toronto, and a married man, with his wife came back to Inistioge for the former's conducting of both services on Sunday. As for the Jubilee year the Church had all been redecorated a few days previous. Thus the blending of all made colourful services on Sunday which were enjoyed by many. It was at this time also that many old neighbours, away for many years, joined in fellowship and afterwards re-union visitation. Among those being Mr. and Mrs. Jas. Lockhart, Goderich; Mr. and Mrs. Chas. E. Moore, their daughter, husband and family; Mr. and Mrs. Walt Arnold, Bobby and Peggy Joan, Buffalo; Mrs. Thos. Stevens, Dundalk, Mrs. Chesney, the former Wilhelmina and Margaret Armstrong, Mrs. Steven's son, Howard, wife and son Bob, of Fergus. Excellent music was provided by Mrs. Elmo Stevens and her choir at both services. Highlight feature of the afternoon service was the rites of baptism performed by our pastor, Rev. A. G. MacPherson. Those receiving those rites were, Robert Eugene Arnold and Margaret Joan Arnold, son and daughter of Mr. and Mrs. Walt Arnold, Buffalo, and six weeks old, Judith Anne Moore, infant daughter of Mr. and Mrs. George Moore. The Thos. Stevens family placed a basket of bronze "mums" in the church in loving memory of the late Mr. Thos. Stevens who passed away a few weeks ago. The day's collection amounted to $170.43.

Members of the Moore family were week-end guests of Mr. and Mrs. George Moore, and of the Stevens family in the Wilfred Gallagher home.

Mr. and Mrs. Art Jackson happily entertained all members of their family during the week-end namely Mr. and Mrs. Harold Jackson, Mr. and Mrs. Howard Gillies and Miss Hazel Jackson, Toronto, Mr. and Mrs. Glen Jackson, Brantford, Mr. and Mrs. Ray Jackson and Jackie of Dundalk, also Miss Edith Johnston, Dundalk, Mrs. Joe McCutcheon, daughter and husband, Mr. and Mrs. John Arnott, Toronto.

Mr. and Mrs. Andy Hamilton and family, Redickville and Mr. Arthur Rintoul, Laurel were Sunday guests with Mr. and Mrs. Walter Nicholls.

Entertained at Mr. and Mrs. Russell Patterson's were Mr. and Mrs. Ed. Carney, Amaranth Station.

(Intended for Lst Week)

Mr. and Mrs. Gordon Batchelor, in company with Mr. and Mrs. Emerson Gallaugher, Keith and Evelyn, of Wareham, motored to Preston on Sunday to spend the day with the former's sister, Mrs. Geo. MacGregor, and family.

Mrs. Wm. Duncan, Miss Christena Duncan, Mr. and Mrs. Walter Acheson were in Hanover on Thursday.

We are sorry to hear of little Shirley Linton being confined to bed with a heart condition. It is not definitely known yet to what extent the trouble has reached. At least two weeks of complete rest has been ordered by her doctor. Her grandparents, Mrs. Wm. Ludlow and Mr. and Mrs. Ed. Stinson, visited the little patient last week.

Another casualty among the school children occurred on Friday. While playing ball during noon hour at school, Edwin Gowanlock, in a freak accident, had a bone broken in the back of his leg adjoining the foot. Edwin has an enforced confinement for three weeks in his home. We hope these little folk will have an early and complete recovery to health and back to their studies again.

Mrs. Chrysler of Orillia is a guest for a month in the home of her daughter, Mrs. John Gowanlock.

Mr. and Mrs. Ray Clarke, Markdale, were Sunday visitors with Mr. and Mrs. George Moore.

Floating on the Saturday night air were the strains of melodious "saw, plow and what have you?" music at the Bannon home, when their skating party pals chartvarled Mr. and Mrs. Jack Bannon.

Mr. and Mrs. Milton Bannon, Mr. and Mrs. Jas. Bannon, Tommy and Donna Gail, motored to Cooksville on Sunday morning and spent the day with Mr. and Mrs. Russell Waller.

Mrs. Albert Stevens and Mrs. W. Ludlow were Friday guests of Mrs. Ren. Acheson, Wareham.

An increase in the price of hard coal is predicted, which will make it harder than ever for the householder to pay for.

REGULATIONS
applying to certain uses of
ELECTRICITY IN ONTARIO

The Hydro-Electric Power Commission of Ontario announces the following regulations made under the Power Commission Act and to become effective October 1st, 1949.

PART I
WATER HEATERS

1.-(1) Unless water heaters operated by electrical power are—,
(a) equipped with thermostatic control; and
(b) installed in or on tanks which are thermally insulated with a minimum of 1 inch in thickness of glass—or rock-wool insulation, or other material having at least the same heat insulating capacity,
no municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the operation of water heaters installed or replaced after the date of publication of these regulations in The Ontario Gazette under The Regulations Act, 1944.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

PART II
SPACE HEATERS

2.-(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air-heaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices, commercial premises and, except in the case of sickness, residences.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(4) Subregulation 1, 2 and 3 shall not apply to space heating in,
(a) water-pumping-stations;
(b) telephone relay- and repeater-stations;
(c) radio-beam stations; and
(d) municipally-owned electric-substations, where no person is regularly in attendance.

PART III
LIGHTING

3.-(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for,
(a) subject to subregulation 2, lighting of interiors of shops, show-windows and offices except,
(i) not more than 1 watt per square foot of gross floor-area of a shop during business hours, and after cessation of business with the public not more than 1 watt per square foot of the gross floor area of that part of the shop where the staff is actually working;
(ii) not more than 10 watts per lineal foot of width of show-windows of shops between 4.30 p.m. and 9 p.m. and only while the shop is open for business;
(iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is actually working;
(iv) for the protection of property after business hours not more than 5 watts per 100 square feet of gross floor-area of a shop or office, or 40 watts per shop or office whichever is the greater;
(b) lighting of exterior signs;
(c) exterior flood- or outline-lighting for decorative, ornamental or advertising purposes;
(d) lighting of out-door Christmas trees;
(e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except,
(i) not more than 10 watts per 100 square feet of parking-lot space while open for business;
(ii) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business;
(iii) not more than 40 watts per gasoline pump in a service station, exclusive of lighting not exceeding 25 watts inside the pump-meter compartment, while the service station is open for business;
(iv) not more than 10 watts per 100 square feet of whatever part or parts of out-door industrial premises is in actual use for work in progress and not more than 5 watts per 100 square feet at other times and not more than 5 watts per 100 square feet for protective lighting of that part actually occupied by installations, or used for the storage of materials or equipment; and
(v) not more than 40 watts per 100 square feet of playing area of an out-door playing field only while in use;
between sunset and sunrise;
(f) lighting of,
(i) marquees; or
(ii) sidewalk-canopies
on hotels, theatres and restaurants except not more than ½ watt per square foot of floor space or side-walk area covered by the marquee or canopy;
(g) lighting of exterior entrances or exits of,
(i) residences, tourist establishments within the meaning of The Tourist Establishments Act 1949, and commercial premises other than service stations and garages, except not more than 60 watts for commercial premises and not more than 25 watts for residences and, where occupied, tourist establishments; and
(ii) service stations and garages, except not more than 60 watts for each entrance or exit and not more than a total of 120 watts for all entrances or exits per service station or garage; and
(h) exterior lighting between sunrise and sunset.
(2) The lighting permitted for shops during business hours under subclauses i and ii of clause (a) of subregulation 1 shall include the lighting of interior signs, merchandise-displays and show-windows.

4. No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

5. No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

6. Subregulation 1 of regulation 3 and regulations 4 and 5 shall not apply to,
(a) (i) lighting of air-ports and transportation terminals;
(ii) lighting for police, fire and property-protection services, traffic lights, traffic and warning signs; and
(iii) lighting required by law;
(b) hospitals;
(c) lighting for interior domestic purposes;
(d) lighting of a single exterior sign, not exceeding 25 watts, to designate,
(i) an office of a medical or dental practitioner, embalmer or funeral director, or pharmaceutical chemist;
(ii) an ambulance, telephone or telegraph station; or
(iii) premises providing sleeping accommodation for travellers;
(e) lands used for the purpose of an exhibition or fair held by or under the auspices of a society as defined in The Agricultural Societies Act, 1939; and
(f) the illumination of Niagara Falls for a period of not more than 2 hours between sunset and sunrise on Saturday and holidays.

PART IV

7. Parts II and III shall not apply to the territorial districts of,
(a) Algoma;
(b) Cochrane;
(c) Kenora;
(d) Manitoulin;
(e) Nipissing;
(f) Parry Sound, except the townships of Carling, Christie, Conger, Cowper, Ferguson, Foley, Humphry, McDougall and McKellar, the Town of Parry Sound and the Village of Rosseau;
(g) Rainy River;
(h) Sudbury;
(i) Thunder Bay; and
(j) Timiskaming.

PART V

8. In these regulations,
(a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory; but shall not include any part of a building used for office purposes; and
(b) "office" shall mean a building or part of a building occupied and used for office purposes only.

PENALTY PROVIDED BY THE POWER COMMISSION ACT FOR VIOLATION OF REGULATIONS

Any person refusing or neglecting to comply with any direction, order, regulation, restriction, prohibition or control made or exercised by the Commission under this section shall be guilty of an offence and in addition to any other liability incur a penalty of not less than $100 and not more than $500 and a further penalty of not less than $100 and not more than $500 for each and every separate day upon which such refusal or neglect is repeated or continued.

The penalties imposed by or under the authority of this section shall be recoverable under *The Summary Convictions Act*.

If further clarification is required please contact your local Hydro office.
